**TITLE II of the Cranston-Gonzalez National Affordable Housing Act, as amended through
December 31, 1998**

SEC. 201. [t42 U.S.C. 12701] SHORT TITLE.

This title may be cited as the "HOME Investment Partnerships Act".

SEC. 202. [t42 U.S.C. 12721] FINDINGS.

The Congress finds that--

(1) the Nation has not made adequate progress toward the goal of national housing policy, as set out in the Housing Act of 1949 and reaffirmed in the Housing and Urban Development Act of 1968, which would provide decent, safe, sanitary, and affordable living environments for all Americans;

(2) the supply of affordable rental housing is diminishing;

(3) the Tax Reform Act of 1986 removed major tax incentives for the production of affordable rental housing;

(4) the living environments of an increasing number of Americans have deteriorated over the past several years as a result of reductions in Federal assistance to low-income and moderate-income families;

(5) many Americans face the possibility of homelessness unless Federal, State, and local governments work together with the private sector to develop and rehabilitate the housing stock of the Nation to provide decent, safe, sanitary, and affordable housing for very low-income and low-income families;

(6) reliable Federal leadership is needed to achieve an adequate supply of affordable housing for all Americans;

(7) to achieve the goal of national housing policy, there is a need to strengthen nationwide a cost-effective community-based housing partnership designed to

(A) expand the supply of rental housing that is affordable to very low-income and low-income families,

(B) improve homeownership opportunities for low-income families,

(C) carry out comprehensive housing strategies tailored to local housing market conditions, and

(D) protect the Federal, State, and local investment in low-income housing to ensure affordability of the housing for the remaining useful life of the property;

(8) direct assistance to expand the supply of affordable rental housing should be provided in a way that is more cost-effective and targeted than tax incentives;

(9) much of the Nation's housing system works very well and provides a strong base on which national housing policy should build;

(10) an increasing number of States and local governments have been successful in producing cost-effective low-income and moderate-income housing by working in partnership with the private sector, including nonprofit community development corporations, community action agencies, neighborhood housing services corporations, trade unions, groups sponsored by religious organizations, limited equity cooperatives, and other tenant organizations;

(11) during the 1980's, nonprofit community housing development organizations, despite severe obstacles caused by inadequate funding, have played an increasingly important role in the production and rehabilitation of affordable housing in communities across the Nation;

(12) additional financial resources and technical skills must be made available in local communities if the Nation is to mobilize the capacity of the private sector, including nonprofit community housing development organizations, to provide a more adequate supply of decent, safe, and sanitary housing that is affordable to very low-income, low-income, and moderate-income families and meets the need for large family units and other additional units that are available to very low-income families receiving rental assistance payments from Federal, State, and local governments; and

(13) the long-term success of efforts to provide more affordable housing depends upon tenants and homeowners being fiscally responsible and able managers.

SEC. 203. [t42 U.S.C. 12722] PURPOSES.

The purposes of this title are--

(1) to expand the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing, for very low-income and low-income Americans;

(2) to mobilize and strengthen the abilities of States and units of general local government throughout the United States to design and implement strategies for achieving an adequate supply of decent, safe, sanitary, and affordable housing;

(3) to provide participating jurisdictions, on a coordinated basis, with the various forms of Federal housing assistance, including capital investment, mortgage insurance, rental assistance, and other Federal assistance, needed--

(A) to expand the supply of decent, safe, sanitary, and affordable housing;

(B) to make new construction, rehabilitation, substantial rehabilitation, and acquisition of such housing feasible; and

(C) to promote the development of partnerships among the Federal Government, States and units of general local government, private industry, and nonprofit organizations able to utilize effectively all available resources to provide more of such housing;

(4) to make housing more affordable for very low-income and low-income families through the use of tenant-based rental assistance;

(5) to develop and refine, on an ongoing basis, a selection of model programs incorporating the most effective methods for providing decent, safe, sanitary, and affordable housing, and accelerate the application of such methods where appropriate throughout the United States to achieve the prudent and efficient use of funds made available under this title;

(6) to expand the capacity of nonprofit community housing development organizations to develop and manage decent, safe, sanitary, and affordable housing;

(7) to ensure that Federal investment produces housing stock that is available and affordable to low-income families for the property's remaining useful life, is appropriate to the neighborhood surroundings, and, wherever appropriate, is mixed income housing;

(8) to increase the investment of private capital and the use of private sector resources in the provision of decent, safe, sanitary, and affordable housing;

(9) to allocate Federal funds for investment in affordable housing among participating jurisdictions by formula allocation;

(10) to leverage those funds insofar as practicable with State and local matching contributions and private investment;

(11) to establish for each participating jurisdiction a HOME Investment Trust Fund with a line of credit for investment, in affordable housing, with repayments back to its HOME Investment Trust Fund being made available for reinvestment by the jurisdiction;

(12) to provide credit enhancement for affordable housing by utilizing the capacities of existing agencies and mortgage finance institutions when most efficient and supplementing their activities when appropriate; and

(13) to assist very low-income and low-income families to obtain the skills and knowledge necessary to become responsible homeowners and tenants.

SEC. 204. [t42 U.S.C. 12723] COORDINATED FEDERAL SUPPORT FOR HOUSING STRATEGIES.

The Secretary shall make assistance under this title available to participating jurisdictions, through the Office of the Assistant Secretary for Housing-FHA Commissioner of the Department of Housing and Urban Development, to the maximum extent practicable, in coordination with mortgage insurance, rental assistance, and other housing assistance appropriate to the efficient and timely completion of activities under this title.

SEC. 205. [t42 U.S.C. 12724] AUTHORIZATION.

There are authorized to be appropriated to carry out this title \$2,086,000,000 for fiscal year 1993, and \$2,173,612,000 for fiscal year 1994, of which

(1) not more than \$14,000,000 for fiscal year 1993, and \$25,000,000 for fiscal year 1994, shall be for community housing partnership activities authorized under section 233; and

(2) not more than \$11,000,000 for fiscal year 1993, and \$22,000,000 for fiscal year 1994, shall be for activities in support of State and local housing strategies authorized under subtitle C.

SEC. 206. [t42 U.S.C. 12725] NOTICE.

The Secretary shall issue regulations to implement the provisions of this title after notice and an opportunity for comment pursuant to section 553 of title 5, United States Code. Such regulations shall become effective not later than 180 days after the date of enactment of this Act.'

Subtitle A--HOME Investment Partnerships

SEC. 211. [42 U.S.C. 12741] AUTHORITY.

The Secretary is authorized to make funds available to participating jurisdictions for investment to increase the number of families served with decent, safe, sanitary, and affordable housing and expand the long-term supply of affordable housing in accordance with provisions of this subtitle.

SEC. 212. [42 U.S.C. 12742] ELIGIBLE USES OF INVESTMENT.

(a) HOUSING USES.

(1) **IN GENERAL.**-Funds made available under this subtitle may be used by participating jurisdictions to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition, new construction, reconstruction, or moderate or substantial rehabilitation of affordable housing, including real property acquisition, site improvement, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations, to provide for the payment of reasonable administrative and planning costs, to provide for the payment of operating expenses of community housing development organizations, and to provide tenant-based rental assistance. For the purpose of this subtitle, the term "affordable housing" includes permanent housing for disabled homeless persons, transitional housing, and single room occupancy housing.

(B) the jurisdiction's housing needs cannot be met through rehabilitation of the available stock.

The Secretary shall not restrict a participating jurisdiction's choice of rehabilitation, substantial rehabilitation, new construction, reconstruction, acquisition, or other eligible housing use unless such restriction is explicitly authorized under section 223(2).

(3) TENANT-BASED RENTAL ASSISTANCE.--

(A) **IN GENERAL.**-A participating jurisdiction may use funds provided under this subtitle for tenant-based rental assistance only if

(i) the jurisdiction certifies that the use of funds under this subtitle for tenant-based rental assistance is an essential element of the jurisdiction's annual housing strategy for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing, and specifies the local market conditions that lead to the choice of this option; and

(ii) the tenant-based rental assistance is provided in accordance with written tenant selection policies and criteria that are consistent with the purposes of providing housing to very low- and low-income families and are reasonably related to preference rules established under section 6(c)(4)(A) of the Housing Act of 1937.

(B) **FAIR SHARE NOT AFFECTED.**-A jurisdiction's Section 8 fair share allocation shall be unaffected by the use of assistance under this title.

(C) 24-MONTH CONTRACTS.-Rental assistance contracts made available with assistance under this title shall be for not more than 24 months, except that assistance to a family may be renewed.

(D) USE OF SECTION 8 ASSISTANCE.-In any case where assistance under section 8 of the United States Housing Act of 1937 becomes available to a participating jurisdiction, recipients of rental assistance under this title shall qualify for tenant selection preferences to the same extent as when they received the rental assistance under this title. A rental assistance program under this title shall meet minimum criteria prescribed by the Secretary, such as housing quality standards and standards regarding the reasonableness of the rent.

(E) SECURITY DEPOSIT ASSISTANCE.-A jurisdiction using funds provided under this subtitle for tenant-based rental assistance may use such funds to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units. Assistance under this subparagraph does not preclude assistance under any other provision of this paragraph.

Each participating jurisdiction shall have the right to establish the terms of assistance.

(c) ADMINISTRATIVE COSTS.-In each fiscal year, each participating jurisdiction may use not more than 10 percent of the funds made available under this subtitle to the jurisdiction for such year for any administrative and planning costs of the jurisdiction in carrying out this subtitle, including the costs of the salaries of persons engaged in administering and managing activities assisted with funds made available under this subtitle.

(d) PROHIBITED USES.-Funds made available under this subtitle may not be used to

(1) defray any administrative cost of a participating jurisdiction that exceed the amount specified under subsection (c),

(2) provide tenant-based rental assistance for the special purposes of the existing section 8 program, including replacing public housing that is demolished or disposed of, preserving federally assisted housing, assisting in the disposition of housing owned or held by the Secretary, preventing displacement from rental rehabilitation projects, or extending or renewing tenant-based assistance under section 8 of the United States Housing Act of 1937,

(6) provide assistance to eligible low-income housing under the Emergency Low Income Housing Preservation Act of 1987 or the Low-Income Housing Preservation and Resident Homeownership Act of 1990.

(e) COST LIMITS.--

(1) IN GENERAL.-The Secretary shall establish limits on the amount of funds under this subtitle that may be invested on a per unit basis. For multifamily housing, such limits shall not be less than the per unit dollar amount limitations set forth in section 221(d)(3)(ii) of the National Housing Act, as such limitations may be adjusted in accordance therewith, except that for purposes of this subsection the Secretary shall, by regulation, increase the per unit dollar amount limitations in any geographical area by an amount, not to exceed 140 percent, that equals the amount by which the costs of multifamily housing construction in the area exceed the national average of such costs. The limits shall be established on a market-by-market basis, with adjustments made for number of bedrooms, and shall reflect the actual cost of new construction, reconstruction, or rehabilitation of housing that meets applicable State and local housing and building codes and the cost of land, including necessary site improvements. Adjustments shall be made annually to reflect inflation. Separate limits may be set for different eligible activities.

(2) CRITERIA.-In calculating per unit limits, the Secretary shall take into account that assistance under this title is intended to

- (B) operate effectively in all jurisdictions;
- (C) facilitate mixed-income housing; and
- (D) reflect the costs associated with meeting the special needs of tenants or homeowners that the housing is designed to serve.

(3) CONSULTATION.-In calculating cost limits, the Secretary shall consult with organizations that have expertise in the development of affordable housing, including national nonprofit organizations and national organizations representing private development firms and State and local governments.

(f) CERTIFICATION OF COMPLIANCE.-The requirements of section 102(d) of the Department of Housing and Urban Development Reform Act of 1989 shall be satisfied by a certification by a participating jurisdiction to the Secretary that the combination of Federal assistance provided to any housing project shall not be any more than is necessary to provide affordable -housing.

(g) LIMITATION ON OPERATING ASSISTANCE.-A participating jurisdiction may not use more than 5 percent of its allocation under this subtitle for the payment of operating expenses for community housing development organizations.

(a) IN GENERAL.-The Secretary shall

(2) make available to participating jurisdictions alternative model programs, which shall include suggested guidelines, procedures, forms, legal documents and such other elements as the Secretary determines to be appropriate;

(3) assure, insofar as is feasible, the availability of an appropriate variety of model programs designed for local market conditions, housing problems, project characteristics, and managerial capacities as they differ among participating jurisdictions;

(6) encourage the use of such model programs to achieve efficiency, economies of scale, and effectiveness in the investment of funds made available under this subtitle through third-party training, printed materials, and such other means of support as the Secretary determines will achieve the purpose of this title.

(b) **ADOPTION OF PROGRAMS.**-Except as provided in section 223(2), each participating jurisdiction shall have the discretion to adopt one or more model programs, adapt one or more model programs to its own requirements, design additional forms of assistance by itself or in cooperation with other participating jurisdictions, and suggest additional model programs for adoption by the Secretary as the participating jurisdiction may deem appropriate, and the Secretary may assist a participating jurisdiction in adopting, adapting, or designing one or more model programs.

(B) the remainder of W the families receiving such rental assistance are households that qualify as low-income families (other than families described in subparagraph (A)) at the time of occupancy or at the time funds are invested, whichever is later, or (ii) the dwelling units assisted with such funds are occupied by such households;

(ii) the State has authorized the Secretary to transfer to the jurisdiction a portion of the State's allocation that is equal to or greater than the difference between the jurisdiction's formula allocation and-\$750,000, or the State or jurisdiction has made available from the State's or Jurisdiction's own sources an equal amount for use by the jurisdiction in conformance with the provisions of this subtitle. (B) If a jurisdiction has met the requirements of subparagraph (A), the jurisdiction's formula allocation for a fiscal year shall subsequently be deemed to equal the sum of the jurisdiction's allocation under section 217(a)(1) and the amount made available to the jurisdiction under subparagraph (A)(ii).

The provisions of paragraphs (3) through (6) shall not apply to participating jurisdictions.

SEC. 217. [t42 U.S.C. 12747] ALLOCATION OF RESOURCES.

(a) **IN GENERAL.**

(1) **STATES AND UNITS OF GENERAL LOCAL GOVERNMENT**--After reserving amounts under paragraph (3) for the insular areas, the Secretary shall allocate funds approved in an appropriation Act to carry out this title by formula as provided in subsection (b). Of the funds made available under the preceding sentence, the Secretary shall initially allocate 60 percent among units of general local government and 40 percent among States.

[(2) [Repealed.]]

(3) **INSULAR AREAS.**-For each fiscal year, of any amounts approved in appropriation Acts to carry out this title, the Secretary shall reserve for grants to the insular areas the greater of (A) \$750,000, or (B) 0.2 percent of the amounts appropriated under such Acts. The Secretary shall provide for the distribution of amounts reserved under this paragraph among the insular areas pursuant to specific criteria for such distribution, which shall be contained in a regulation issued by the Secretary.

(b) **FORMULA ALLOCATION.**

(1) **IN GENERAL.**

(A) **BASIC FORMULA.**-The Secretary shall establish in regulation an allocation formula that reflects each jurisdiction's share of total need among eligible jurisdiction for an increased supply of affordable housing for very low-income and low-income families of different size, as identified by objective measures of inadequate housing supply, substandard housing, the number of low-income families in housing likely to be in need of rehabilitation, the costs of producing housing, poverty, and the relative fiscal incapacity of the jurisdiction to carry out housing activities eligible under section 212 without Federal assistance. Allocation among units of general local government shall take into account the housing needs of metropolitan cities, urban counties, and approved consortia of units of general local government.

(B) **SOURCE OF DATA.**-The data to be used for formula allocation of funds within a fiscal year shall be data obtained from a standard source that are available to the Secretary 90 days prior to the beginning of that fiscal year.

(C) **USE OF BASIC FORMULA.**-The basic formula established under subparagraph (A) shall be used for all formula allocations and reallocations provided for in this subtitle.

(D) **WEIGHTS.**-When allocation is made among States, the Secretary shall apply the formula in subparagraph (A) giving 20 percent weight to measures of need for the whole

State and 80 percent weight to measures of need among units of general local government that are not receiving an allocation under section 216(1).

(E) ADJUSTMENTS.-In developing the basic formula in subparagraph (A), the Secretary shall (i) avoid the allocation of an excessively large share of amounts made available under this subtitle to any one State or unit of general local government, and (ii) take into account the need for a geographic distribution of amounts made available under this subtitle that appropriately reflects the housing need in each region of the Nation.

(F) CONSULTATION.-The Secretary shall develop the formula in subparagraph (A) in ongoing consultation with (i) the Subcommittee on Housing and Urban Affairs of the Committee on Banking, Housing, and Urban Affairs of the Senate, (ii) the Subcommittee on Housing and Community Development of the Committee on Banking, Finance and Urban Affairs of the House of Representatives 1, and (iii) organizations representing States and units of general local government. Not less than 60 days prior to publishing a formula for comment, the Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives a copy of the formula the Secretary intends to propose.

(2) MINIMUM STATE ALLOCATION.

(A) IN GENERAL.-If the formula, when applied to funds approved under this section in appropriations Acts for a fiscal year, would allocate less than \$3,000,000 to any State, the allocation for such State shall be \$3,000,000, and the increase shall be deducted pro rata from the allocations of other States.

(B) INCREASED MINIMUM ALLOCATION.-If no unit of general local government within a State receives an allocation under paragraph (3), the State's allocation shall be increased by \$500,000. Priority for use of such increased allocation shall go to the provision of affordable housing within the boundaries of metropolitan cities, urban counties, and approved consortia within the State, based on the need for such funds. The increased allocation to a State under the preceding sentence shall be derived by a pro rata deduction from the allocations to units of general local government in all States, except that such pro rata deduction shall not reduce the allocation of any unit of general local government below \$500,000.

(3) MINIMUM LOCAL ALLOCATION.-The Secretary shall allocate funds available for formula allocation to units of general local government that, as of the end of the previous fiscal year, qualified as metropolitan cities, urban counties, and consortia approved by the Secretary in accordance with section 216(2) so that, when all such funds are initially allocated by formula, jurisdictions that are allocated an amount of \$500,000 or more, and participating jurisdictions (other than consortia that fail to renew the membership of all of their member jurisdictions) that are allocated an amount less than \$500,000, shall receive an allocation. Prior to announcing initial allocations, the Secretary shall successively recalculate the allocations to jurisdictions under this subsection so that the maximum number of such jurisdictions can receive initial allocations, except as provided in paragraph (4).

(4) THRESHOLD REDUCTION.-If the amount appropriated pursuant to section 205 for any fiscal year is less than 1,500,000,000, then this section shall be applied during that year by substituting "\$335,000" for "\$500,000" where it appears in paragraph (3).

(C) **CRITERIA FOR DIRECT REALLOCATION.**-The Secretary shall establish objective criteria for making direct reallocations to any participating jurisdiction and other eligible entities. A jurisdiction shall be eligible for a direct reallocation under this subsection only if the jurisdiction, in a form acceptable to the Secretary, submits an application that demonstrates to the satisfaction of the Secretary that the jurisdiction is engaged, or has made good faith efforts to engage, in cooperative efforts between the State and appropriate participating jurisdictions within the State to develop, coordinate, and implement housing strategies under this title. The Secretary shall by regulation establish objective selection criteria for such direct reallocations, which criteria shall take into account

(2) the applicant's actions that

(A) direct funds made available under this subtitle to benefit very low-income families, with a range of incomes, in amounts that exceed the income targeting requirements of section 214, with extra consideration given for activities that expand the supply of affordable housing for very low-income families whose incomes do not exceed 30 percent of the median family income for the area, as determined by the Secretary;

(B) apply the tenant selection preference categories applicable under section 8 of the United States Housing Act of 1937 to the selection of tenants for housing assisted under this subtitle;

(2) **COMMITMENTS.**-The Secretary shall establish procedures according to which participating jurisdictions may make commitments to invest funds made available under this section. Such procedures shall provide for appropriate stages of commitment of funds to a project from initial reservation through binding commitment. Notwithstanding any other provision of this title, funds that the Secretary determines are needed to fulfill binding commitments shall not be available for reallocation.

When such certification is received, the Secretary shall immediately disburse such funds in accordance with the form of the assistance determined by the participating jurisdiction.
