D&B Cannot Confirm Active Operations:

The screenshot shows the Central Contractor Registration (CCR) website interface. At the top, there is a blue header with the text "Central Contractor Registration" and an American flag graphic. Below the header is a navigation menu with links: CCR Home, CCR Search, Federal Agency Registration, News, Release Notes, Request Data Access, and Help. A secondary menu includes Home, Manage Registrations, New Registration, Delete Registration, View Registration, Help, and Log Out.

On the left side, there is a "Quick Links" section with the following items: Dynamic Small Business Search, ORCA, SBA, Request DUNS Number, and Federal Business Opportunities.

In the center of the page, there is a "Update/Renew" section. A grey box contains the following text: "D&B has not been able to confirm active operations of your D-U-N-S Number. To gain entry into CCR and ensure this does not affect any planned contract, grant or loan activity please contact D&B for verification. US Registrants, please call the D&B Government Customer Response Center at 1-866-705-5711. International Registrants, please send an email to gov@dnb.com."

At the bottom of the page, there are logos for GSA (Government Acquisition Environment) and USA.gov (Government Made Easy). A footer note states: "Note to all Users: This is a Federal Government computer system. Use of this system constitutes consent to monitoring at all times."
