

Did you know...April 2, 2012

1...that there is no Army or local policy regarding close-out thresholds? The 409th CSB position on this matter is that contracts that have a residual balance should be closed out and unused funding should be de-obligated.

2...that the KO should establish and maintain records of oral price quotations in order to reflect clearly the propriety of placing the order at the price paid with the supplier concerned? See FAR 13.106-3(b)(1).

3...that Kathleen Marin assumed her duties as IMCOM-Europe Region Director on October 23, 2011? She is the SES authorized to sign the Service Contract Approval form for IMCOM here.
