

[www.osti.gov/bridge](http://www.osti.gov/bridge)

Find over 290,000 DOE R&D reports with searchable full-text and bibliographic citations.

[www.osti.gov/doepatents](http://www.osti.gov/doepatents)

Find over 26,000 patents resulting from DOE-sponsored research and development.

[www.osti.gov/accomplishments](http://www.osti.gov/accomplishments)

Find significant outcomes of past DOE R&D.

[www.osti.gov/dataexplorer](http://www.osti.gov/dataexplorer)

Find DOE scientific research data collections.

[www.osti.gov/estsc](http://www.osti.gov/estsc)

Find scientific and technical software representing the latest in DOE-funded technology.

[www.osti.gov/greenenergy](http://www.osti.gov/greenenergy)

Find green energy research results.

Get one-stop access  
to these  
DOE collections  
through the  
Science Accelerator

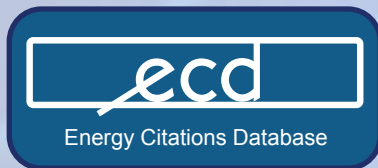

[www.ScienceAccelerator.gov](http://www.ScienceAccelerator.gov)

Developed and maintained by the  
Office of Scientific and Technical Information  
Office of Science  
U.S. Department of Energy

[www.osti.gov/scienceconferences](http://www.osti.gov/scienceconferences)

Find science and technology conference papers and proceedings.

[www.osti.gov/energycitations](http://www.osti.gov/energycitations)

Find bibliographic citations of documents from 1943 to the present, with links to electronic full text where available.

[www.osti.gov/eprints](http://www.osti.gov/eprints)

Find over 5.5 million e-print documents; use E-PRINT Alerts for weekly updates.

[www.osti.gov/sciencecinema](http://www.osti.gov/sciencecinema)

Find video files produced by the DOE and CERN
