

**Fiscal Year 2007 (FY07) Post-Traumatic Stress Disorder and Traumatic Brain Injury
(PTSD/TBI) Research Program
Reference Table of Award Mechanisms and Submission Requirements**

Award Mechanism	Experience of Principal Investigator (PI)	Key Mechanism Elements	Dollars Available	Submission Deadline
PTSD Concept Award Grants.gov Funding Opportunity Number: W81XWH-07-PTSD-CA	Investigators at all levels	<ul style="list-style-type: none"> ○ Supports the exploration of a new idea or innovative concept that could give rise to a testable hypothesis ○ Emphasis on innovation and impact ○ Name and institution of PI are not provided to reviewers ○ Preliminary data are not consistent with this award mechanism ○ Clinical trials are not appropriate for this award mechanism 	A maximum of \$150,000 for direct costs for up to an 18-month performance period plus indirect costs as appropriate	<p>Pre-application Submission Deadline (LOI): August 2, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: August 23, 2007 11:59 p.m. Eastern time</p>
PTSD Investigator Initiated Research Award Grants.gov Funding Opportunity Number: W81XWH-07-PTSD-IIRA	Independent investigators at or above the level of Assistant Professor (or equivalent) with access to appropriate research facilities	<ul style="list-style-type: none"> ○ Supports basic and clinically oriented research that will (1) result in substantial improvements over today's approach to the treatment and clinical management of PTSD, (2) facilitate the development of novel preventive measures, and (3) enhance the quality of life of persons with PTSD ○ Preliminary data relevant to PTSD research and the proposed project is required ○ May have up to three PIs collaborating on a single proposal ○ Proposals containing clinical trials or clinical research are 	<ul style="list-style-type: none"> ○ The combined maximum funding for all institutions is \$600,000 for direct costs for up to a 4-year performance period plus indirect costs as appropriate ○ For proposals incorporating clinical trials or clinical research, the combined maximum funding for all institutions is \$1.5M for direct costs for up to a 4-year performance period plus indirect costs as appropriate 	<p>Pre-application Submission Deadline (LOI): September 4, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: October 18, 2007 11:59 p.m. Eastern time</p>

		appropriate for this award mechanism		
<p>PTSD New Investigator Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-PTSD-NIA</p>	<p>(1) An independent established scientist or clinician who has either limited (less than 3 years) or no experience in PTSD research, or (2) An independent investigator at the junior faculty level (for example, lecturer, instructor, assistant professor, or equivalent) who is within 5 years of his or her last fellowship or postdoctoral or other training position. Active duty military researchers are exempt.</p>	<ul style="list-style-type: none"> ○ Supports the development and establishment of new or less experienced PTSD researchers ○ Encourages collaboration with established PTSD investigators ○ Preliminary data are not required ○ Proposals containing clinical studies or clinical research are appropriate for this award mechanism 	<p>A maximum of \$300,000 for direct costs for up to a 3-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (LOI): September 13, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: October 18, 2007 11:59 p.m. Eastern time</p>
<p>PTSD Advanced Technology-Therapeutic Development Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-PTSD-AT-TDA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent) with access to appropriate research facilities.</p>	<ul style="list-style-type: none"> ○ Supports demonstration studies of pharmaceuticals (drugs, biologics, and vaccines) and medical devices in preclinical systems and/or the testing of therapeutics and devices in clinical studies ○ Intent is to accelerate the clinical introduction of military-relevant health products or technologies that target PTSD prevention, detection, diagnosis, and treatment ○ Preliminary and/or published data relevant to the development process covered by the research is required ○ Proposals containing clinical studies or clinical research are appropriate for this award mechanism 	<p>A maximum of \$4,000,000 for direct costs for up to a 4-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): September 12, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: November 26, 2007 11:59 p.m. Eastern time</p>

<p>PTSD Multidisciplinary Research Consortium Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-PTSD- MRC</p>	<p>Investigators at all levels are eligible to submit proposals.</p>	<ul style="list-style-type: none"> ○ Supports the development of a synergistic, multidisciplinary team of the most highly qualified investigators to address a major research gap relevant to the prevention, detection, diagnosis, and/or treatment of PTSD ○ Provides support for multiple PIs and encourages involvement of multiple institutions ○ Preliminary and/or published data relevant to PTSD research and the proposed project is required ○ Proposals may include Phase I or Phase II clinical studies, and partnerships with pharmaceutical or biotechnology industry scientists are welcome 	<p>A maximum of \$25,000,000 for direct costs for up to a 5-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): September 6, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline (Invited): November 26, 2007 11:59 p.m. Eastern time</p>
<p>TBI Concept Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-TBI- CA</p>	<p>Investigators at all levels</p>	<ul style="list-style-type: none"> ○ Supports the exploration of a new idea or innovative concept that could give rise to a testable hypothesis ○ Emphasis on innovation and impact ○ Name and institution of PI are not provided to reviewers ○ Preliminary data are not consistent with this award mechanism ○ Clinical trials are not appropriate for this award mechanism 	<p>A maximum of \$150,000 for direct costs for up to an 18-month performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (LOI): August 2, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: August 16, 2007 11:59 p.m. Eastern time</p>

<p>TBI Investigator Initiated Research Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-TBI-IIRA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent) with access to appropriate research facilities</p>	<ul style="list-style-type: none"> ○ Supports basic and clinically oriented research that will (1) result in substantial improvements over today's approach to the treatment and clinical management of TBI, (2) facilitate the development of novel preventive measures, and (3) enhance the quality of life of persons with TBI ○ Preliminary data relevant to TBI research and the proposed project is required ○ May have up to three PIs collaborating on a single proposal ○ Proposals containing clinical trials or clinical research are appropriate for this award mechanism 	<ul style="list-style-type: none"> ○ The combined maximum funding for all institutions is \$600,000 for direct costs for up to a 4-year performance period plus indirect costs as appropriate ○ For proposals incorporating clinical trials or clinical research, the combined maximum funding for all institutions is \$1.5M for direct costs for up to a 4-year performance period plus indirect costs as appropriate 	<p>Pre-application Submission Deadline (LOD): September 4, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: October 11, 2007 11:59 p.m. Eastern time</p>
<p>TBI New Investigator Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-TBI-NIA</p>	<p>(1) An independent, established scientist or clinician who has either limited (less than 3 years) or no experience in TBI research, or (2) An independent investigator at the junior faculty level (for example, lecturer, instructor, assistant professor, or equivalent) who is within 5 years of his or her last fellowship or postdoctoral or other training position. Active duty military researchers are exempt.</p>	<ul style="list-style-type: none"> ○ Supports the development and establishment of new or less experienced TBI researchers ○ Encourages collaboration with established TBI investigators ○ Preliminary data are not required ○ Proposals containing clinical studies or clinical research are appropriate for this award mechanism 	<p>A maximum of \$300,000 for direct costs for up to a 3-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (LOD): September 13, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline (Invited): October 11, 2007 11:59 p.m. Eastern time</p>

<p>TBI Advanced Technology-Therapeutic Development Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-TBI-AT-TDA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent) with access to appropriate research facilities.</p>	<ul style="list-style-type: none"> ○ Supports demonstration studies of pharmaceuticals (drugs, biologics, and vaccines) and medical devices in preclinical systems and/or the testing of therapeutics and devices in clinical studies ○ Intent is to accelerate the clinical introduction of military-relevant health products or technologies that target TBI prevention, detection, diagnosis, and treatment ○ Preliminary and/or published data relevant to the development process covered by the research is required ○ Proposals containing clinical studies or clinical research are appropriate for this award mechanism 	<p>A maximum of \$4,000,000 for direct costs for up to a 4-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): September 12, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline (Invited): November 26, 2007 11:59 p.m. Eastern time</p>
<p>TBI Multidisciplinary Research Consortium Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-TBI-MRC</p>	<p>Investigators at all levels are eligible to submit proposals.</p>	<ul style="list-style-type: none"> ○ Supports the development of a synergistic, multidisciplinary team of the most highly-qualified investigators to address a major research gap relevant to the prevention, detection, diagnosis, and/or treatment of TBI ○ Provides support for multiple PIs and encourages involvement of multiple institutions ○ Preliminary and/or published data relevant to TBI research and the proposed project is required 	<p>A maximum of \$25,000,000 for direct costs for up to a 5-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): September 6, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline (Invited): November 26, 2007 11:59 p.m. Eastern time</p>

		<ul style="list-style-type: none"> Proposals may include Phase I or Phase II clinical studies, and partnerships with pharmaceutical or biotechnology industry scientists are welcome 		
<p>PTSD/TBI Clinical Consortium- Coordinating Center Award</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-CC-CCA</p>	<p>Investigators at all levels are eligible to submit proposals</p>	<ul style="list-style-type: none"> Supports the development of a Coordinating Center whose function will be to facilitate the rapid selection, design, and execution of clinical studies within the Consortium Provide management oversight for multiple (up to 10) Clinical Study Sites to investigate patients diagnosed with military-relevant PTSD and/or TBI 	<p>A maximum of \$25,000,000 for direct costs for a 5-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): October 4, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: November 26, 2007 11:59 p.m. Eastern time</p>
<p>PTSD/TBI Clinical Consortium-Study Site</p> <p>Grants.gov Funding Opportunity Number: W81XWH-07-CC-CSS</p>	<p>Investigators at all levels are eligible to submit proposals</p>	<ul style="list-style-type: none"> Supports the selection of Clinical Study Sites whose function will be to participate in the design and execution of TBI and/or PTSD clinical studies within the Consortium Provide top-notch expertise and resources necessary to ensure successful conduct of multiple clinical studies on PTSD and/or TBI 	<p>A maximum of \$1,500,000 for direct costs for a 5-year performance period plus indirect costs as appropriate</p>	<p>Pre-application Submission Deadline (Preproposal): October 4, 2007 5:00 p.m. Eastern time</p> <p>Proposal Submission Deadline: November 26, 2007 11:59 p.m. Eastern time</p>
