

**Fiscal Year 2006 (FY06) Tuberos Sclerosis Complex Research Program
Reference Table of Award Mechanisms
and Submission Requirements**

Award Mechanism	Experience of Applicant	Key Mechanism Elements	Dollars Available	Submission Deadline
Concept Award Go to: <ul style="list-style-type: none"> • Summary • Program Announcement 	All levels of experience	<ul style="list-style-type: none"> • Fund exploration of untested, high-risk questions relevant to tuberous sclerosis complex (TSC) and/or the development of novel preclinical tools needed to advance TSC research • Preliminary data not required 	A maximum of \$67,000 in direct costs, plus indirect costs as appropriate, for a 1-year performance period	April 25, 2006 5:00 p.m. Eastern time
Idea Development Award Go to: <ul style="list-style-type: none"> • Summary • Program Announcement 	Independent investigators at the Assistant Professor level (or equivalent) or higher	<ul style="list-style-type: none"> • Encourage innovative research directed toward improved detection, diagnosis, and/or treatment of TSC • Preliminary data required 	A maximum of \$400,000 in direct costs, plus indirect costs as appropriate, for a 3-year performance period	April 25, 2006 5:00 p.m. Eastern time
Clinical Resource Development Award Go to: <ul style="list-style-type: none"> • Summary • Program Announcement 	All levels of experience	<ul style="list-style-type: none"> • Fund development, validation, and/or pilot testing of breakthrough technologies for measuring tuberous sclerosis complex-relevant clinical or surrogate endpoints in clinical trials • Preliminary data not required 	A maximum of \$225,000 in direct costs, plus indirect costs as appropriate, for a 2-year performance period	April 25, 2006 5:00 p.m. Eastern time
