

SaferProducts.gov

This presentation has not been reviewed or approved by the Commission and may not reflect its views.

The Database screens represented in this presentation are not final, and are subject to change for the official launch of the Database.

CPSC Business Portal

CPSC's Business Portal facilitates the exchange of information on consumer product safety issues between CPSC and manufacturers (including importers) and private labelers.

Register with Us

We strongly urge all businesses to register with us online

★ **Benefits:**

- All reports of harm involving your company's product sent to your representative quickly and securely via e-mail.
- Convenient and secure online account to provide your comments for CPSC's consideration and receive official CPSC correspondence.
- Multiple user accounts for registered companies.
- Saves time as we work together to meet the 10 day deadline imposed by law before the report of harm is posted in the publicly available database.
