

Destination STAR

VPP MERIT status is a stepping-stone to STAR status for contractors and subcontractors that have good safety and health programs. In our efforts to achieve STAR status, CHPRC will:

- ★ DOE HQ initial review (completed 3/2011)
- ★ Achieved MERIT status (7/2011)
- ★ Scheduled DOE HQ re-evaluation (4/2013)
- ★ Complete MERIT goals identified in review (in progress)
- ★ Destination STAR: when MERIT goals are achieved to DOE's satisfaction
