

APPENDIX S

ASSISTANT CHIEF OF STAFF, G4

ORGANIZATION: As shown on the organization chart.

MISSION: The Assistant Chief of Staff (ACofS), G4 is responsible for advising the Commanding General (CG), Eighth United States Army (EUSA) on logistical matters concerning supply; maintenance; petroleum, oil and lubricants (POL); field services (mortuary, laundry and bath); transportation; military customs; munitions (supply, maintenance and quality surveillance); and tactical water production, storage, and distribution. The ACofS, G4 provides logistics planning guidance and staff supervision for Army Major Subordinate Commands (MSCs). The ACofS, G4 develops and coordinates deliberate logistics planning in support of operational plans (OPLANS) and contingency plans (CONPLANS). The ACofS, G4, identifies and resolves critical maintenance, equipment shortage, and equipment fielding issues, which impact readiness. The ACofS, G4 develops and implements supply, maintenance, munitions, and transportation policies and procedures.

ASSISTANT CHIEF OF STAFF, G4 (EAGD, 723-6805)

1. Provides leadership and guidance to the Eighth Army G4 staff; reviews and approves staff actions and correspondence with higher headquarters/EUSA MSCs.	P	G4 Mission	1	1	1	1
2. Provides support as required to Joint Task Force (JTF) and Noncombatant Evacuation Operations (NEO).	P	G4 METL		2	2	2
3. Initiates Crisis Action Standing Operating Procedure (CASOP) measures and monitors Combat Service Support (CSS) unit integration into the logistics structure.	P	G4 METL		3	3	3
4. Provides staff supervision and guidance for materiel management, movement control, and distribution management.	P	G4 METL		2	4	4
5. Provides staff supervision and guidance for sustainment maintenance.	P	G4 METL		3	5	5
6. Provides staff supervision and guidance for maintenance of Army theater stocks.	P	G4 METL		4	6	6
7. Plans for and develops logistics support concepts for future combat operations.	P	G4 METL		7	7	7
8. Coordinates theater logistics with the Republic of Korea Army (ROKA) and the Republic of Korea (ROK) government through the Combined Logistics Coordinating Agencies.	P	G4 METL		8	8	8
9. Manages Army Logistics Support to Other Services (ALSOS) for the theater.	P	G4 METL		6	9	9

EUSA Memo 10-1

Staff Responsibilities		Action	References	Operations Applicability	
				Armistice	Contingency War

10. Provides staff supervision and guidance for wartime host nation support activities and contingency contracts to include Logistics Civilian Augmentation Program (LOGCAP). P G4 METL 7 10 10

11. Represents the Commanding General in logistics related matters with external agencies such as Headquarters, Department of the Army (HQDA), US Army Materiel Command (USAMC), Defense Logistics Agency (DLA), and ROK Ministry of National Defense (MND). P G4 Mission 8 11 11

ADMINISTRATIVE OFFICE (EAGD-A, 723-6805)

1. Manages incoming & outgoing correspondence, tracks, reviews, and assigns suspenses and directs to O6/O5 division chiefs for action. Reviews for final signature all actions leaving the G4, ensures log entry is closed-out. P AR 25-5 X X X
2. Acts as the G4 Security Manager. P AR 380-5 X X X
3. Provides technical and functional advice and assistance to the ACoFS, G4 and technical advice and direction to the G4 division chiefs. P G4 Mission X X X
4. Develops G4 briefings for Commanding General/Deputy Commanding General for Support/external agencies. P G4 Mission X X X
5. Represents the G4 at the EUSA CG/DCG for Support/Chief of Staff weekly briefings as required. P G4 Mission X X X

Staff Responsibilities		Action	References	Operations Applicability		
				Armistice	Contingency	War

6. Performs administrative and personnel functions (calendar, appointments, rosters, OER/INCOERS, PCS award tracking, IMPAC purchases, ration control, time cards, preparation of weekly staff update briefing, and publication management). P AR 25-50 X

7. Serves as EUSA Career Program Manager for CP13 (Supply Management). P G4 Mission X

SUPPORT OPERATIONS CENTER (EAGD-SOC, 723-6089)

1. Plans and supervises current operations in the logistics community, to include the Aviation/Ground Maintenance Branch, Readiness Branch, Equipment On-Hand Branch and Materiel Integration Branch. P SOP 1 1 1

2. Serves as primary advisor to G4 and the EUSA Staff on all matters pertaining to maintenance policy and programs. P Division SOP 2 1 2

3. Coordinates maintenance programs with MACOMs and HQDA level agencies P AR 750-1 3 2 3

4. Coordinates, consolidates, and validates new equipment mission support plans. P AR 700-127 AR 700-137 AR 700-142 4 4

5. Manages installation and synchronization of logistics Standard Army management Information Systems (STAMIS). Develops and executes Command plans required to field new or upgraded automated logistics systems. Coordinates command input for development and review of functional systems. P EUSA Reg 25-1 5 5
