

Consolidation Center Closings

AAFES Logistics is closing the consolidation locations currently operated by UPS Freight in Atlanta, GA and Mather, CA. These are the consolidation centers affected:

1054020 UPS Atlanta Air Consolidation Center

1054066 UPS Atlanta Container Consolidation Center

1054019 UPS Mather CA Consolidation Center

Vendors should review the routing instructions on any small package shipments they have that are destined for AAFES facilities located Overseas, Hawaii and Alaska. The ultimate destination will determine the ship to location for the vendor. If there are questions, the vendors can send an e-mail to zzlgneg@aafes.com regarding ship to instructions.
