IRAQ ENERGY
EXPO & CONFERENCE
23-26 April 2012 Baghdad, Iraq

LITERATURE DISPLAY **SPECIAL**

Iraq Energy EXPO and Conference, April 23-26, 2012, Baghdad the capital of Iraq is the most comprehensive and high level event covering present and future business opportunities and challenges in oil and gas.

If you are interested in having your company participate in this event and yet you cannot attend in person then, **IRAQ ENERGY LITERATURE DISPLAY SPECIAL** is the best way to participate.

By instructions from the MoO we are offering the most comprehensive set of incentives for your company to take advantage of this unique opportunity.

IRAQ ENERGY LITERATURE DISPLAY SPECIAL includes the following (\$2,500 Value):

- A. Special area within sponsorship area allocated specifically for literature
- B. We will be responsible to distribute up to 5000 pieces of literature, brochures, CD's provided by your company by designated staff
- C. We will have special oil engineers and knowledgeable staff that will answer questions on behalf of your company as your company representatives
- D. We will collect business cards from interested visitors and MoO officials on behalf of your company.
- E. We will list your company in **OFFICIAL IRAQ ENERGY DIRECTORY** with 150 words describing your company products and services and contact information, the directory will be used by MoO all year long for procurement information.
- F. 10,000 copies of **OFFICIAL IRAQ ENERGY DIRECTORY** will be distributed at the event and another 5000 will be distributed throughout the year to MoO staff and other Iraqi companies interested in using the directory as a way to network with companies like yours.
- G. Full page add in **OFFICIAL IRAQ ENERGY DIRECTORY**
