

NATIONAL WATER QUALITY MONITORING COUNCIL

Working Together for Clean Water

NATIONAL WATER QUALITY MONITORING COUNCIL MEETING
ANNAPOLIS, MARYLAND
APRIL 12-14, 2005

ACTION ITEMS

1. **ACTION ITEM:** We will redo regional/state councils inquiry to send out through Regional Monitoring Coordinators and/or USGS District Offices and have information back by the July meeting. (Linda Green and Jim Laine)
2. **ACTION ITEM:** Prepare letter of support for Councils to go with Survey. (Toni Johnson and Chuck Spooner)
3. **ACTION ITEM:** Mary Ambrose (with help from Margo Andrews) to create Fact Sheet for Watershed Components Interactions Work Group. (Mary Ambrose)
4. **ACTION ITEM:** Before the conference, work groups are asked to review their Work Group Fact Sheets for edits to be made prior to the 2006 conference. (Work Group Chairs)
5. **ACTION ITEM:** Request GWPC to turn over the address www.nwqmc.org to USGS. (Judy Griffin)
Email sent to Ben Grunwald, GWPC, on 5/28/05.
6. **ACTION ITEM:** David Wunsch and Carl Lucero will review the website for comments on structure and content. Work Groups also have been requested to look at website for comments. (David Wunsch, Carl Lucero, Work Group Chairs)
7. **ACTION ITEM:** Create something more obvious on website for 2006 conference—flashing banner, something to attract attention. (Judy Griffin) *Notified Kim Martz.*
8. **ACTION ITEM:** Get status on states organizing a new state council. Margo Andrews, Tetrattech, will assist C&O Work Group in developing a packet on startup of State/Regional Councils. (Margo Andrews, Linda Green, Jim Laine)
9. **ACTION ITEM:** Jeff Schloss will send out Word document with conference themes/subthemes. Call for Abstracts to be issued soon; formal cutoff date is September 15; final selection of abstracts will be completed at November Council meeting. Abstract acceptances to be sent out in December. (Jeff Schloss/CPC)
10. **ACTION ITEM:** Followup with Eileen O'Neill, Water Environment Federation, re special workshop/training session at 2006 Conference. (Toni Johnson)
11. **ACTION ITEM:** Comments requested by May 31, 2005, to Pedro Restrepo, NOAA on Draft White Paper "Forecasting Surface Water-Quality Conditions for the U.S." (Pedro Restrepo)
