Progress and Financial Reports

- You will be required to submit progress reports during the grant funding period as well as a final progress report. In addition, you will be required to submit annual and final financial status reports.

- SAMHSA will provide you with guidelines and requirements for these reports at the time of award and at the initial grantee orientation meeting after award. SAMHSA staff will use the information contained in the reports to determine your progress toward meeting its goals.
- You will be required to comply with the requirements of 2CFR Part 170 -The Transparency Act Subaward and Executive Compensation Reporting Requirements. See <http://www.samhsa.gov/grants/subaward.aspx> for information on implementing this requirement.
