

Job Title:

Army: Supervisory Psychologist, Brooke Army Medical Center, Fort Sam Houston, TX (O5 billet)

Job Description:

Duties include providing direct psychological treatment and assessment to uniformed services members and their families. The officer will assist with the training mission of the department of behavioral medicine and serve an active role in the psychological pre-doctoral internship, post doctoral psychology residency, post doctoral psychology fellowship, and social work internship programs. The officer may also provide supervision to junior staff clinicians within the department. Additional duties include assisting with planning for each of the department's training programs, providing didactic instruction, and assisting with program development. Opportunities for involvement in research activities may be available as well. Performs other duties as assigned.

(At minimum 51% of the officer's time will be in clinical mental health work.)

Requirements:

License: A current, unrestricted, and valid license as a clinical psychologist from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The candidate must possess a qualifying doctoral degree in clinical psychology from an American Psychological Association (APA) accredited university or professional psychology program. Shall have completed an APA accredited internship/residency in clinical psychology.

Minimum 3 year commitment.
