SUPPLEMENTARY INFORMATION: On August 29, 2006, the Commission instituted this investigation, based on a complaint filed by Caterpillar Inc. ("Caterpillar") of Peoria, Illinois. The complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain hydraulic excavators and components thereof by reason of infringement of U.S. Trademark Registration No. 2,140,606, U.S. Trademark Registration No. 2,421,077, U.S. Trademark Registration No. 2,140,605, and U.S. Trademark Registration No. 2,448,848. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint named twenty one (21) firms as respondents. The complainant requested that the

Commission issue a general exclusion order and cease and desist orders. Two respondents, Barkley Industries LLC and Frontera Equipment Sales, have been found in default. Nineteen respondents have been terminated as a result of settlement agreements.

On September 9, 2008, the ALJ issued an initial determination, Order No. 67, granting Caterpillar's motion for summary determination concerning violations of section 337. No petitions for review were filed.

The Commission has determined to extend the deadline for determining whether to review the subject ID to October 30, 2008.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42(h) of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42(h)).
