Mobilized RC Soldiers acquire FY12 crossover amendments from SMS

FORT KNOX, Ky. — Reserve Component Soldiers who are currently on mobilization or Contingency Active Duty for Operational Support (CO-ADOS) orders that continue past Sept. 30, 2011, need an amendment to their orders for fiscal year 2012.

The U.S. Army Human Resources Command has automatically generated all amendments. Soldiers may obtain their amended orders by logging into the Soldier Management System through the Integrated Web Services, or IWS, portal at <https://www.hrc.army.mil/iws/default.aspx>

SMS makes it possible for Soldiers to review, update and download documents from their official military records.
