4 (4) such services have security procedures that
5 are consistent with the privacy requirements under
6 subtitle C, including secure methods of access to and
7 transmission of data;

8 (5) such services, if they are part of a larger or-

10 which isolate their activities with respect to process-
11 ing information in a manner that prevents access to
12 such information by such larger organization.

13 (b) CERTIFICATION BY THE SECRETARY.—

14 (1) ESTABLISHMENT.—Not later than 12
15 months after the date of the enactment of this sub-
16 title, the Secretary shall establish a certification pro-
17 cedure for health information network services which
18 ensures that certified services are qualified to meet
19 the requirements of this subtitle and the standards
20 established by the Secretary under this section. Such
21 certification procedure shall be implemented in a
22 manner that minimizes the costs and delays of oper-
23 ations for such services.

24 (2) APPLICATION.—Each entity desiring to be
25 certified as a health information network service

VB-22

1 shall apply to the Secretary for certification in a
2 form and manner determined appropriate by the
3 Secretary.

4 (3) AUDITS AND REPORTS.—The procedure es-
5 tablished under paragraph (1) shall provide for au-

10 C, and the standards established by the Secretary
11 under this section.

17 this section shall be terminated unless the Secretary
18 determines that appropriate corrective action has
19 been taken.

20 (2) DISCRETIONARY TERMINATION.—If a health
21 information network service violates a requirement
22 or standard imposed under this subtitle and a pen-

24 retary shall review the certification of such service
25 and may terminate such certification.

VB-23

1 (3) **CONDITIONAL CERTIFICATION.**—The Sec-
2 retary may establish a procedure under which a
3 health information network service may remain cer-
4 tified on a conditional basis if the service is operat-
5 ing consistently with a plan intended to correct any
6 violations described in paragraphs (1) or (2). Such
7 procedure may provide for the appointment of a
8 trustee to continue operation of the service until the
9 requirements for full certification are met.

10 (d) **CERTIFICATION BY PRIVATE ENTITIES.**—The
11 Secretary may designate private entities to conduct the
12 certification procedures established by the Secretary under
13 this section. A health information network service certified
14 by such an entity in accordance with such designation
15 shall be considered to be certified by the Secretary.

16 **SEC. 5142. ENSURING AVAILABILITY OF INFORMATION.**

21 network service certified under section 5141 shall be able
22 to make health information available for disclosure as au-

8 provisions of section 1128A of the Social Security Act
9 (other than subsections (a) and (b) and the second sen-
10 tence of subsection (f)) shall apply to the imposition of
11 a civil money penalty under this subsection in the same
12 manner as such provisions apply to the imposition of a
13 penalty under section 1128A of the Social Security Act.

14 (b) **LIMITATIONS.**—

15 (1) **NONCOMPLIANCE NOT DISCOVERED EXER-**
16 **CISING REASONABLE DILIGENCE.**—A penalty may
17 not be imposed under subsection (a) if it is estab-
18 lished to the satisfaction of the Secretary that the
19 person liable for the penalty did not know, and by
20 exercising reasonable diligence would not have
21 known, that such person failed to comply with the
22 requirement or standard described in subsection (a).

23 (2) **FAILURES DUE TO REASONABLE CAUSE.**—

24 (A) **IN GENERAL.**—Except as provided in
25 subparagraphs (B) and (C), a penalty may not
26 be imposed under subsection (a) if—

VB-25

1 (i) the failure to comply was due to
2 reasonable cause and not to willful neglect;
3 and

4 (ii) the failure to comply is corrected
5 during the 30-day period beginning on the
6 1st date the person liable for the penalty
7 knew, or by exercising reasonable diligence
8 would have known, that the failure to com-
9 ply occurred.

10 (B) EXTENSION OF PERIOD.—

11 (i) NO PENALTY.—The period re-
12 ferred to in subparagraph (A)(ii) may be
13 extended as determined appropriate by the
14 Secretary based on the nature and extent
15 of the failure to comply.

16 (ii) ASSISTANCE.—If the Secretary
17 determines that a health plan or health
18 care provider failed to comply because such
19 person was unable to comply, the Secretary
20 may provide technical assistance to such
21 person. Such assistance shall be provided
22 in any manner determined appropriate by
23 the Secretary.

24 (3) REDUCTION.—In the case of a failure to
25 comply which is due to reasonable cause and not to

VB-26

1 willful neglect, any penalty under subsection (a) that
2 is not entirely waived under paragraph (2) may be
3 waived to the extent that the payment of such pen-
4 alty would be excessive relative to the compliance
5 failure involved.

7 **SEC. 5161. IMPOSITION OF ADDITIONAL REQUIREMENTS.**

8 (a) **DATA ELEMENT STANDARDS.**—A person may not
9 impose a standard on another person that is in addition

1 addition to the standards adopted by the Secretary
2 under section 5112.

3 (2) CONSIDERATION OF WAIVER REQUESTS.—

4 No waiver may be granted unless the Secretary de-
5 termines that the value of the data to be exchanged
6 for research or other purposes significantly out-
7 weighs the administrative cost of the additional
8 standard taking into consideration the burden of the
9 timing of the imposition of the additional standard.

10 (3) ANONYMOUS REPORTING.—If a person at-
11 tempts to impose a standard in addition to the
12 standards adopted by the Secretary under section
13 5112, the person on whom such additional standard
14 is being imposed may contact the Secretary. The
15 Secretary shall develop a procedure under which the
16 contacting person shall remain anonymous. The Sec-

17 providing for the reporting of disease or injury, child
18 abuse, birth, or death, public health surveillance, or public
19 health investigation or intervention.

20 **SEC. 5164. HEALTH INFORMATION CONTINUITY.**

21 (a) INFORMATION HELD BY HEALTH PLANS AND
22 PROVIDERS.—If a health plan or health care provider
23 takes any action that would threaten the continued avail-

25 held by such plan or provider, such data elements shall

VB-29

1 be transferred to a health plan or health care provider in
2 accordance with procedures established by the Secretary.

17 law.

18 **SEC. 5166. PAYMENT FOR HEALTH CARE SERVICES OR**

20 Nothing in this subtitle shall be construed to prohibit
21 payments for health care services or health plan premiums
22 from being made by debit, credit, or other payment cards
23 or numbers or other electronic payment means.

VB-30

1 **SEC. 5167. HEALTH SECURITY CARDS.**

12 an ex parte order delaying or extending the delay of
13 notice, an order prohibiting the disclosure of the re-

6 that receipt of notice by the individual will re-
7 sult in—

8 (i) endangering the life or physical

12 evidence or the information being sought;

VC-32

1 (1) in the case of a State judicial warrant or
2 subpoena, in the court which issued the warrant or
3 subpoena;

4 (2) in the case of a warrant or subpoena issued
5 under the authority of a State that is not a State
6 judicial warrant or subpoena, in a court of com-

20 reply papers in response to the government authority's fil-
21 ing. The court, upon the request of the individual or the
22 government authority or both, may proceed in camera.

2 a motion under subsection (a) if it finds there is probable
3 cause to believe the protected health information is rel-

5 ducted by the government authority, unless the court finds
6 the individual's privacy interest outweighs the government
7 authority's need for the information. The individual shall
8 have the burden of demonstrating that the individual's pri-
9 vacy interest outweighs the need by the government au-
10 thority for the information.

11 (e) SPECIFIC CONSIDERATIONS WITH RESPECT TO
12 PRIVACY INTEREST.—In reaching its determination, the
13 court shall consider—

14 (1) the particular purpose for which the infor-

5 other litigation costs (including expert's fees) reasonably
6 incurred.

7 (g) NO INTERLOCUTORY APPEAL.—A ruling denying
8 a motion to quash under this section shall not be deemed
9 to be a final order, and no interlocutory appeal may be
10 taken therefrom by the individual. An appeal of such a
11 ruling may be taken by the individual within such period
12 of time as is provided by law as part of any appeal from
13 a final order in any legal proceeding initiated against the
14 individual arising out of or based upon the protected
15 health information disclosed.

18 after service of a copy of the subpoena seeking protected
19 health information under section 5231, the individual who
20 is the subject of the protected health information may file
21 in any court of competent jurisdiction a motion to quash
22 the subpoena and serve a copy of the motion on the person
23 seeking the information.

24 (b) **STANDARD FOR DECISION.**—The court shall
25 grant a motion under subsection (a) unless the respondent
26 demonstrates that—

VC-36

1 (1) there is reasonable ground to believe the in-
2 formation is relevant to a lawsuit or other judicial
3 or administrative proceeding; and

4 (2) the need of the respondent for the informa-
5 tion outweighs the privacy interest of the individual.

6 (c) SPECIFIC CONSIDERATIONS WITH RESPECT TO
7 PRIVACY INTEREST.—In determining under subsection
8 (b) whether the need of the respondent for the information
9 outweighs the privacy interest of the individual, the court
10 shall consider—

11 (1) the particular purpose for which the infor-
12 mation was collected;

13 (2) the degree to which disclosure of the infor-
14 mation would embarrass, injure, or invade the pri-

16 (3) the effect of the disclosure on the individ-
17 ual's future health care;

18 (4) the importance of the information to the
19 lawsuit or proceeding; and

20 (5) any other relevant factor.

21 (d) ATTORNEY'S FEES.—In the case of a motion
22 brought under subsection (a) in which the individual has
23 substantially prevailed, the court may assess against the
24 respondent a reasonable attorney's fee and other litigation

6 The information consists of psychiatric, psycho-

21 EDIES.—Any claim described in paragraph (1) or
22 any claim for an emergency health care intervention
23 which is denied by the health plan shall be treated

1 hausted, irrespective of any review provided under
2 subsection (b)(3).

3 (4) DENIAL OF PREVIOUSLY AUTHORIZED
4 CLAIMS NOT PERMITTED.—In any case in which a
5 health plan approves a claim described in paragraph
6 (1)—

2 retary of Labor.

3 (c) FILINGS OF COMPLAINTS.—

4 (1) IN GENERAL.—A claimant may file a com-
5 plaint regarding a claim with the appropriate claims
6 dispute office if such claimant is aggrieved by an act
7 or practice engaged in by a health plan which con-
8 sists of, or results in, a denial or delay of payment
9 or provision of benefits under the plan, if such de-
10 nial or delay consists of a failure to comply with the
11 terms of the plan (including the provision of benefits
12 in full when due in accordance with the terms of the
13 plan) or consists of a failure to comply with the ap-
14 plicable requirements of this Act.

15 (2) EXCEPTION.—Paragraph (1) shall not
16 apply in the case of a claim for payment for a health
17 care intervention which has already been rendered to
18 the claimant if such claim is for less than \$500.

19 (d) EXHAUSTION OF PLAN REMEDIES.—No com-
20 plaint may be filed until the claimant has exhausted all
21 remedies (as defined by this subtitle) provided under the
22 plan with respect to the claim in accordance with section
23 5302.

24 (e) PROCEDURES.—The Secretary of Labor shall pro-
25 mulgate rules governing the filing, service, and disposition

VD-12

1 of complaints filed pursuant to this section, including pro-
2 cedures for the amendment of complaints, answers or re-
3 sponses to complaints, and for the submission and dispo-
4 sition of any related motions.

5 (f) TIME LIMITATION.—Complaints shall be filed not
6 later than 60 days after receipt by the claimant of the
7 written notice of the plan's decision upon review.

8 (g) EXCLUSIVE PROCEDURE.—Except as provided in
9 section 5305 and the amendments made by section 5308,
10 and notwithstanding any other provision of this Act or any
11 other law, the filing of a complaint with the claims dispute
12 office shall be the sole and exclusive means of seeking re-
13 dress with respect to any act or practice described in sub-
14 section (c).

15 **SEC. 5304. PROCEEDINGS BEFORE HEARING OFFICERS IN**
16 **CLAIMS DISPUTE OFFICES.**

17 (a) ASSIGNMENT OF COMPLAINTS TO HEARING OF-
18 FICERS.—Upon filing, a complaint shall be assigned to a
19 hearing officer. At no time shall a hearing officer have
20 any official, financial, or personal conflict of interest with
21 respect to issues in controversy before the hearing officer.

22 (b) MEDIATION.—

23 (1) IN GENERAL.—Within 30 days of the filing
24 of the complaint, and prior to rendering a final deci-
25 sion, the hearing officer shall attempt to mediate the

VD-13

1 dispute and shall convene at least one mediation
2 conference. Such conference may be conducted in
3 person or through electronic communication.

4 (2) INAPPLICABILITY OF FORMAL RULES.—For-
5 mal rules of evidence shall not apply to mediation
6 conferences.

7 (3) CONFIDENTIALITY.—

8 (A) IN GENERAL.—Under regulations of
9 the Secretary of Labor, rules similar to the
10 rules under section 574 of title 5, United States
11 Code (relating to confidentiality in dispute reso-
12 lution proceedings), shall apply to the mediation
13 conference.

14 (B) CIVIL REMEDIES.—The Secretary of
15 Labor may assess a civil penalty against any in-
16 dividual who discloses information in violation
17 of the regulations prescribed pursuant to sub-
18 paragraph (A) in the amount of 3 times the
19 amount of the claim involved. The Secretary of
20 Labor may bring a civil action to enforce such
21 civil penalty in the United States district court
22 for the district in which is located the claims
23 dispute office within which the complaint was
24 filed under section 5303.

VD-14

1 (4) PROCESS NON-BINDING.—Any findings and
2 conclusions made in the mediation conference shall
3 be treated as advisory in nature and non-binding.
4 Statements made in the course of the conference
5 shall not be admissible in any other proceedings.

6 (5) ENFORCEMENT.—Any party to a settlement
7 agreement entered into pursuant to a mediation con-
8 ference under this subtitle may, in the case of an al-
9 leged violation of such agreement, petition the Unit-
10 ed States district court for the district in which is
11 located the claims dispute office within which the
12 complaint was filed under section 5303 for the en-
13 forcement of the agreement. In any such action, a
14 prevailing claimant shall be entitled to reasonable
15 costs and expenses (including a reasonable attor-
16 ney's fee and reasonable expert witness fees) on the
17 charges on which the claimant prevails.

18 (c) ADJUDICATIONS.—

19 (1) IN GENERAL.—If the matters in the com-
20 plaint are not resolved through mediation, the hear-
21 ing officer shall determine whether the claimant is
22 entitled to relief but only on the basis of submissions
23 in writing.

24 (2) STANDARD OF REVIEW.—

VD-15

1 (A) PAYMENT DISPUTES.—In the case of a
2 complaint based upon claim for payment for a
3 health care intervention which has already been
4 rendered to the claimant, the hearing officer
5 shall review the decision of the health plan to
6 determine—

7 (i) whether the plan's decision is justi-
8 fied by substantial evidence based on the
9 record considered as a whole;

10 (ii) whether the plan's decision is in
11 excess of statutory jurisdiction, authority,
12 or limitations, in violation of a statutory
13 right, or otherwise not in accordance with
14 the law; or

15 (iii) whether the determination is
16 without observance of procedure required
17 by law, taking due account of the rule of
18 prejudicial error.

19 (B) OTHER DISPUTES.—With respect to a
20 complaint other than one described in subpara-
21 graph (A), the hearing officer shall determine
22 all issues de novo. The claimant shall have the
23 burden of proving each element of the com-
24 plaint by a preponderance of the evidence. A
25 determination by a certified medical reviewer

VD-16

1 that a health care intervention is not medically
2 necessary or appropriate shall be rebuttably
3 presumed to be correct if such determination
4 meets the requirements of section 1106(c)(1).

5 (3) TESTIMONY.—The testimony taken by the
6 hearing officer shall be in the form of affidavits or
7 declarations submitted under oath.

8 (4) AUTHORITY OF HEARING OFFICERS.—The
9 hearing officer may compel by subpoena the produc-
10 tion of evidence in written form. In case of contu-
11 macy or refusal to obey a subpoena lawfully issued
12 under this paragraph and upon application of the
13 hearing officer, the United States district court for
14 the district in which the claims dispute office is lo-
15 cated may issue an order requiring compliance with
16 the subpoena.

17 (d) DECISION OF HEARING OFFICER.—

18 (1) IN GENERAL.—Not later than 120 days
19 after the date on which a complaint is filed, the
20 hearing officer shall issue a written decision. Each
21 such written decision—

22 (A) shall include the hearing officer's find-
23 ings of fact; and

24 (B) shall constitute the hearing officer's
25 final disposition of the proceedings.

VD-17

1 (2) DECISIONS FINDING IN FAVOR OF CLAIM-
2 ANT.—If the hearing officer's decision includes a de-
3 termination that any party named in the complaint
4 has engaged in or is engaged in an act or practice
5 described in section 5303(c), the hearing officer
6 shall issue and cause to be served on such party an
7 order which requires such party—

8 (A) to provide the benefits due under the
9 terms of the plan and to otherwise comply with
10 the terms of the plan and the applicable re-
11 quirements of this Act;

12 (B) to pay to the claimant prejudgment in-
13 terest on the actual costs incurred in obtaining
14 the health care intervention at issue in the com-
15 plaint; and

16 (C) to pay to the prevailing claimant costs,
17 including a reasonable attorney's fee, reason-
18 able expert witness fees, and other reasonable
19 costs relating to the hearing on the charges on
20 which the claimant prevails.

21 (3) DECISIONS NOT IN FAVOR OF CLAIMANT.—
22 If the hearing officer's decision includes a deter-
23 mination that the party named in the complaint has
24 not engaged in or is not engaged in an act or prac-
25 tice referred to in section 5303(c) with respect to

VD-18

1 any charge in the complaint on which the claimant
2 does not prevail, the hearing officer—

3 (A) shall include in the decision a dismissal
4 with prejudice of the charge; and

5 (B) upon a finding that such charge is
6 frivolous, shall issue and cause to be served on
7 the claimant an order which requires the claim-
8 ant to pay to such party a reasonable attorney's
9 fee, reasonable expert witness fees, and other
10 reasonable costs relating to the proceedings on
11 such charge.

12 In determining whether a charge is frivolous, the
13 court shall consider whether the claimant was ap-
14 pearing pro se or with the assistance of counsel.

15 (e) TREATMENT OF URGENT REQUESTS FOR
16 PREAUTHORIZATION AND UTILIZATION REVIEW.—

17 (1) IN GENERAL.—In the case of an urgent re-
18 quest for preauthorization of or a utilization review
19 determination made to a plan under section 5302(c),
20 a complaint may be filed with a complaint dispute
21 office at any time after a request has been submitted
22 to the plan under section 5302(c), regardless of
23 whether the plan has rendered a decision on such a
24 request. Any complaint filed pursuant to this para-

VD-19

1 graph shall be accompanied by a request for expedited consideration.
2

3 (2) REQUEST FOR EXPEDITED CONSIDERATION.—A claimant may, at any time prior to issuance of a final decision by a hearing officer, request expedited consideration with respect to any complaint filed by the claimant. Any request for expedited consideration shall be accompanied by the attestation by the treating physician described in section 5302(c)(1).

11 (3) REQUEST FOR IMMEDIATE PLAN DECISION.—Upon receipt of a request for expedited consideration, if the plan has not already rendered a decision with respect to the request, the hearing officer may order the plan to render such decision within such time as the officer believes is necessary to prevent harm to the claimant or another individual.

17

18 (4) HEARING AND DECISION.—Upon receipt of a request for expedited consideration, the hearing officer shall set a time and date for a hearing on both the complaint and request for expedited consideration. 2 written decision immediately.

3 (5) TEMPORARY EMERGENCY ORDER.—Subject
4 to the requirements of Rule 65 of the Federal Rules
5 of Civil Procedure (as applied to temporary restrain-
6 ing orders), a hearing officer may grant a temporary
7 emergency order if the claimant demonstrates—

8 (A) a substantial likelihood of success on
9 the merits;

10 (B) that irreparable injury will result in
11 the absence of the requested relief;

12 (C) that no other parties will be harmed if
13 temporary relief is granted; and

14 (D) that the public interest favors entry of
15 a temporary emergency order.

16 In any instance in which a temporary emergency
17 order is issued, the hearing officer shall as soon as
18 possible thereafter conduct a hearing pursuant to
19 paragraph (4).

20 (f) REVIEW.—

21 (1) IN GENERAL.—Unless an appeal is taken as
22 provided in this subsection, the decision of the hear-
23 ing officer shall be final and binding upon all par-
24 ties. Any party may, within 60 days after service of
25 the decision by the claims dispute office, file an ap-

VD-21

1 peal of the decision with the United States court of
2 appeals for the circuit in which the claims dispute
3 office is located.

4 (2) SCOPE OF REVIEW.—The court of appeals
5 shall review the decision of the hearing officer from
6 which the appeal is made, except that the review
7 shall be only for the purposes of determining—

8 (A) whether the determination is supported
9 by substantial evidence on the record considered
10 as a whole;

11 (B) whether the determination is in excess
12 of statutory jurisdiction, authority, or limita-
13 tions, in violation of a statutory right, or other-
14 wise not in accordance with the law; or

15 (C) whether the determination is without
16 observance of procedure required by law, taking
17 due account of the rule of prejudicial error.

18 (3) FURTHER REVIEW.—Upon the filing of the
19 record with the court, the jurisdiction of the court
20 shall be exclusive and its judgment shall be final,
21 subject only to review as provided in section 1254 of
22 title 28 of the United States Code.

23 (4) AWARDING OF ATTORNEYS' FEES AND
24 OTHER COSTS AND EXPENSES.—

VD-22

1 (A) IN GENERAL.—In any judicial proceed-
2 ing under this subsection, the court may, in its
3 discretion, award to a prevailing claimant rea-
4 sonable costs and expenses (including a reason-
5 able attorney's fee) on the causes on which the
6 claimant prevails.

7 (B) DENIAL OF COMPLAINT.—Upon a
8 finding that a complaint is frivolous, the court
9 may, in its discretion, award to the party
10 named in the complaint reasonable costs and
11 expenses (including a reasonable attorney's fee).

12 (g) COURT ENFORCEMENT OF ORDERS.—

13 (1) IN GENERAL.—If a final decision of a hear-
14 ing officer is not appealed under subsection (f), any
15 party may petition the United States district court
16 for the district in which the claims dispute office is
17 located for enforcement of the order. In any such
18 proceeding, the order of the hearing officer shall not
19 be subject to review.

20 (2) AWARDING OF COSTS.—In any action by a
21 claimant for court enforcement under this sub-
22 section, a prevailing claimant shall be entitled to
23 costs, including a reasonable attorney's fee, reason-
24 able expert witness fees, and other reasonable costs
25 relating to such action.

VD-23

1 (h) REPRESENTATION.—Parties may participate pro
2 se or be represented by attorneys in all proceedings with
3 respect to a complaint filed pursuant to this section.

4 **SEC. 5305. SMALL CLAIMS DISPUTES.**

5 (a) CIVIL ACTION.—Any claimant aggrieved, with re-
6 spect to a health care intervention already rendered to the
7 claimant, by a failure to pay for such intervention under
8 the plan, may, if the amount of such payment is less than
9 \$500, commence a civil action to recover the amount of
10 the claim in any court of competent jurisdiction.

11 (b) EXHAUSTION OF PLAN REMEDIES.—No com-

15 5302.

16 (c) STANDARD OF REVIEW AND BURDEN OF
17 PROOF.—In any action filed pursuant to subsection (a),
18 the court shall review the decision of the health plan in
19 accordance with the standards set forth in section
20 5304(c)(2)(A).

21 (d) REMEDIES.—The sole remedy available to the
22 prevailing claimant shall be the amount of the payment
23 for benefits under the plan and costs, including a reason-
24 able attorney's fee.

VD-24

1 (e) FEDERAL COURT JURISDICTION.—The district
2 courts of the United States shall not have jurisdiction
3 based on section 1331 or 1337 of title 28, United States
4 Code, over any civil action brought pursuant to this sec-
5 tion. An action brought in a State court pursuant to this
6 section shall not be subject to removal to Federal court
7 without regard to the citizenship or residence of the par-
8 ties.

9 **SEC. 5306. ALTERNATIVE BINDING ARBITRATION.**

10 (a) IN GENERAL.—A health plan may establish an
11 alternative claims dispute arbitration procedure, and may
12 require claimants to use such procedure in lieu of review
13 by a claims dispute office pursuant to sections 5303 and
14 5304, but only as provided in this section.

15 (b) CONSUMER PROTECTION STANDARDS.—The Sec-
16 retary of Labor shall by regulation develop and promul-
17 gate minimum consumer protection standards for any al-
18 ternative claims dispute arbitration procedure adopted by
19 a plan pursuant to this section. Such minimum consumer
20 protections should include provisions governing—

21 (1) the time frame for decisions, including ur-
22 gent decisions, by the alternative claims dispute res-
23 olution process;

24 (2) the selection and compensation of a neutral
25 third party arbitrator;

VD-25

1 (3) publication of decisions of any third party
2 arbitrator, and filing of such decisions with the De-
3 partment of Labor;

4 (4) expertise and qualifications of any third
5 party arbitrators;

6 (5) compliance with the provisions of this Act;

7 (6) enforceability of an arbitrator's award, in-
8 cluding provisions to have a judgment of a United
9 States district court entered upon the award, pursu-
10 ant to section 8 of title 9, United States Code;

11 (7) the provision of adequate and prominent no-

17 functionally equivalent to the protections provided
18 under section 5304(e).

19 (c) STANDARDS OF REVIEW AND PROOF.—

20 (1) IN GENERAL.—In any arbitration conducted
21 pursuant to this section, the arbitrator shall hear
22 complaints and motions under the standard of re-

24 (2) BURDEN OF PROOF.—The claimant shall
25 have to meet the burden of proof on the contents of

VD-26

1 the claimant's complaint by a preponderance of the
2 evidence.

3 (d) REMEDIES.—The remedies available to the arbi-
4 trator shall be the same as those provided in paragraphs
5 (2) and (3) of section 5304(d).

6 (e) CERTIFICATION OF ARBITRATION PROCESSES.—
7 Before claimants can be required to agree to arbitration
8 as a condition of receiving benefits under the plan, the
9 plan must be certified by the Secretary of Labor as com-
10 plying with the consumer protection standards issued by
11 the Secretary pursuant to subsection (b).

12 (f) WITHDRAWAL OF CERTIFICATION.—With respect
13 to any plan that has received certification from the Sec-
14 retary of Labor pursuant to subsection (e), the Secretary
15 may, either upon petition or upon the Secretary's own mo-
16 tion, withdraw such certification after notice to the plan
17 and opportunity for a hearing, if the Secretary concludes
18 that the plan is not in compliance with the consumer pro-
19 tection standards issued pursuant to subsection (b). The
20 Secretary may provisionally withdraw such certification
21 without notice and a hearing if the Secretary determines
22 that the plan's violations of consumer protection standards
23 pose a significant and imminent danger to the health of
24 claimants. In the event of such a provisional withdrawal,
25 the Secretary shall, within 5 working days, afford the plan

VD-27

1 the opportunity for a hearing to determine whether such
2 withdrawal shall become permanent.

3 (g) APPLICABILITY OF ARBITRATION ACT.—The pro-
4 visions of title 9, United States Code, shall apply to all
5 arbitrations conducted pursuant to this section.

6 **SEC. 5307. CIVIL MONEY PENALTIES.**

7 (a) BAD FAITH PLANS.—The Secretary of Labor
8 may assess a civil penalty against any health plan in an
9 amount not to exceed \$750,000, upon a finding by clear
10 and convincing evidence of a pattern or practice of denial
11 or delay in the payment or provision of benefits thereunder
12 without any reasonable basis and carried out in bad faith.

13 (b) DEFINITIONS.—For purposes of this section—

14 (1) a health plan shall be treated as engaging
15 in a pattern or practice if, with respect to violations,
16 the health plan or those who act on its behalf have
17 knowingly engaged in such violations with such fre-
18 quency and regularity as to indicate a general prac-
19 tice to engage in that type of conduct; and

20 (2) the term “bad faith” means the willful or
21 reckless—

22 (A) failure to pay a claim within 20 busi-
23 ness days after the plan has determined that
24 the claimant has established eligibility for re-
25 ceipt of the benefit and there is no reasonable

VD-28

1 basis for questioning the claimant's eligibility
2 for receipt of the benefit,

3 (B) requirement of a claimant to file a
4 complaint to recover a claim when there is no
5 reasonable basis for questioning the claimant's
6 eligibility for receipt of the benefit, or

7 (C) refusal to pay a claim following a fail-
8 ure to conduct an investigation of the claim re-
9 quested by a claimant.

10 (c) MISREPRESENTATION.—Upon petition by a plan,
11 the Secretary of Labor may assess a civil monetary pen-
12 alty in an amount not to exceed the greater of \$2,000 or
13 2 times the amount of the claim—

14 (1) against a claimant, upon a finding that
15 claimant, or another individual whose misrepresenta-
16 tion or failure to disclose is known to the claimant,
17 knowingly and willfully misrepresented or failed to
18 disclose a material fact with respect to a claim sub-
19 mitted for urgent review pursuant to section
20 5302(c); or

21 (2) against an individual other than the claim-
22 ant, upon a finding that such individual knowingly
23 and willfully misrepresented or failed to disclose a
24 material fact with respect to a claim submitted for
25 urgent review pursuant to section 5302(c).

VD-29

1 (d) CIVIL ACTION TO ENFORCE CIVIL PENALTY.—
2 The Secretary of Labor may commence a civil action in
3 the United States district court for the district in which
4 the defendant resides to enforce a civil penalty assessed
5 under subsections (a) or (c).

6 **SEC. 5308. TECHNICAL AMENDMENTS.**

7 (a) Section 502(a) of the Employee Retirement In-
8 come Security Act of 1974 (29 U.S.C. 1132(a)) is
9 amended—

10 (1) in paragraph (1)(A), by inserting “except
11 for an action relating to a health plan (as defined
12 in section 3(a) of the Health Reform Act),” before

21 benefit plan”.

1 SEC. 5309. REASONABLE CARE IN CONDUCTING
 2 PREAUTHORIZATION AND UTILIZATION RE-
 3 VIEW.

4 (a) IN GENERAL.—Any individual or entity who
 5 both—

6 (1) conducts a preauthorization or utilization
 7 review with respect to a health care intervention re-
 8 quested under a health plan, prior to receipt by the
 9 claimant of such intervention; and

10 (2) in the course of conducting such
 11 preauthorization or utilization review determines
 12 whether a health care intervention is medically nec-
 13 essary or appropriate,

14 shall exercise reasonable care with respect to all medical
 15 judgments made in the course of such review.

16 (b) STANDARD OF CARE.—The standard of care of
 17 an individual or entity described in subsection (a) shall
 18 be that of a similarly situated, reasonably prudent individ-
 19 ual or entity conducting a preauthorization or utilization
 20 review who is determining whether a health care interven-
 21 tion is medically necessary or appropriate.

22 (c) PRIVATE RIGHT OF ACTION.—

23 (1) IN GENERAL.—Except as provided in para-
 24 graph (2), any claimant (other than a provider), or
 25 the estate or successor of such claimant, aggrieved
 26 by a violation of subsection (a), may bring an action

VD-31

1 against the individual or entity who conducted such
2 review in a court of competent jurisdiction where the
3 claimant resides, where the health care intervention
4 was rendered or was to be rendered, or where the
5 preauthorization or utilization review is conducted.

6 (2) NO ACTION AGAINST CERTIFIED MEDICAL
7 REVIEWER.—No action may be brought under this
8 section against a certified medical reviewer.

9 (d) ELEMENTS OF AN ACTION.—In any action
10 brought pursuant to subsection (c), such a claimant shall
11 demonstrate, by a preponderance of the evidence, that—

12 (1) the defendant failed to use reasonable care
13 in exercising medical judgment with respect to deter-
14 mining whether a health care intervention requested
15 by the claimant, or on behalf of such claimant, was
16 medically necessary or appropriate with respect to a
17 preauthorization or utilization review under the
18 claimant's plan;

19 (2) such failure to exercise reasonable care was
20 the actual and proximate cause of a material delay
21 in the provision, or denial, of the health care inter-
22 vention actually covered by the plan;

23 (3) such delay or denial of the health care
24 intervention covered by the plan actually and proxi-

VD-32

1 mately resulted in actual and demonstrable physical
2 injury to the claimant; and

3 (4) the claimant, or the agent of such claimant,
4 exhausted all remedies available pursuant to sections
5 5303 through 5306, including, where appropriate,
6 remedies for urgent review.

7 (e) DEFENSES.—

8 (1) IN GENERAL.—It shall be a complete de-
9 fense to any action brought pursuant to subsection
10 (c) that a hearing officer, acting pursuant to sec-
11 tions 5303 and 5304, or, where appropriate, an arbi-
12 trator conducting an alternative claims dispute arbi-
13 tration pursuant to section 5306, affirmed or con-
14 curred in the preauthorization or utilization review
15 determination.

16 (2) MITIGATION.—Any claimant who brings an
17 action pursuant to this section shall have a duty to
18 take all reasonable actions to mitigate harm or oth-
19 erwise, where affordable, to obtain the health care
20 intervention. In the event the court determines that
21 the claimant failed to take all reasonable actions to
22 mitigate harm, the court shall determine the propor-
23 tion of claimant's injury attributable to such failure
24 to take reasonable actions to mitigate harm, and

1 shall diminish proportionately any amount awarded
2 as damages.

3 (f) PRESUMPTIONS.—An individual or entity that
4 conducts a preauthorization or utilization review with re-
5 spect to a health care intervention and that, in the course
6 of such review, relies in good faith on—

7 (1) a coverage recommendation issued by the
8 National Health Benefits and Coverage Commission
9 pursuant to section 1104(b);

10 (2) a practice guideline described in section
11 1104(a); or

12 (3) a decision by a certified medical reviewer
13 that the requested health care intervention was not
14 medically necessary or appropriate,

15 shall be rebuttably presumed to have used reasonable care
16 with respect to medical judgments incorporated in such
17 recommendation, guideline, or decision. The failure of
18 such individual or entity to follow such recommendation
19 or guideline or to request such a decision shall not give
20 rise to a presumption that such individual failed to exer-
21 cise reasonable care.

22 (g) REMEDIES.—In any action brought pursuant to
23 subsection (c), a court may award with respect to a viola-
24 tion of subsection (a)—

25 (1) compensatory economic damages; and

VD-34

1 (2) compensatory non-economic damages, the
2 total amount of which shall not exceed the greater
3 of \$100,000 (indexed annually based on the
4 Consumer Price Index), or 2 times the amount of
5 the benefits claim, the decision with respect to which
6 forms the basis of the action, regardless of the num-
7 ber of actions brought with respect to such violation.
8 A court may not award punitive damages.

9 (h) SEVERAL LIABILITY.—With respect to any action
10 brought pursuant to this section, the liability of each de-
11 fendant joined in such action for non-economic damages
