IMPORTANT INFORMATION

April 2007

Dear Customer:

This is confirmation that, effective immediately, the following NDC of Engerix-B[®] [Hepatitis B Vaccine (Recombinant)] in Prefilled Tip-Lok[®] Syringe is no longer available from GlaxoSmithKline (GSK), and is replaced by a new NDC:

Old NDC	Description	Strength	Size	Last Lot #	Expiration Date Of Last Lot Sold
58160-856-46	ENGERIX-B Prefilled <i>Tip-Lok</i> Syringe	10 mcg/0.5 mL	5's	AHBVB401BA	08/30/08

There is no need to return your inventory, and we kindly ask that you utilize your existing stock.

Please note that the new, reformulated Engerix-B is now available to order.

New NDC	Description	Strength	Size
58160-820-46	ENGERIX-B Prefilled <i>Tip-Lok</i> Syringe	10 mcg/0.5mL	5's

Please be sure to update your systems so that the new reformulated NDC number for ENGERIX-B is cross-referenced with the old NDC number.

If you have any questions or need assistance, please contact the Vaccine Service Center at 1-866-GSK-VACC (1-866-475-8222).

Sincerely,

John L. Fish
Vice President
Channel Management and Pharmacy Solutions
