intelligence you may
may not already have.
From what I can
tell Rabin is expecting
to stay, though he
may have to come
out for a phone call.

ADDITIONAL BACKGROUND ON VP'S REGULATORY MEETING

- Six Cabinet members plan to attend the meeting. Please let me know if you have to leave early and want me to sit in.
- The primary purpose of the meeting is to provide a forum for the VP to
 - (i) articulate a "good governance" regulatory philosophy (see attached);
 - (ii) recognize and emphasize new approaches to regulation (the examples will include Ed's School-to-Work proposal and Commerce's export-control reforms);
 - (iii) emphasize the need for interagency coordination with regard to certain regulations; and
 - (iv) encourage more aggressive review of **existing** regulations.

SUBJECT: RE: Regulatory Meeting

This is the annual meeting of the Vice President and all the Secretaries and heads of independent regulatory agencies, such as the Fed, SEC, CFTC, FCC, CPSC etc. The purpose of the meeting is to discuss the general regulatory agendas of agencies for next year. As Carol knows, the VP is head of the White House Regulatory Working Group on which Carol sits. If Carol does not go, I think she should have B. Galston or B. Reed attend. I believe I have been invited as well but I need to check on that.
