Subject: 3:00 congressional call on wednesday

Hi

On wednesday, there will be a congressional call with a presentation on the oil budget. NOAA is going to present, but wanted someone from

2059179649-44505-18933-179-38
USGS to be on the call as well to help answer questions. Can you
help us find someone for the call?

Thanks,

Heather
