

NLWJC - Kagan

DPC - Box 027 - Folder 002

Fast Track - General

11-17

Fast Track - Ev. line mtg

EB: Strategy / scope - WTO only, f-Chin to follow (after you get WTO) maybe not next yr
 (Repubs will go for this)
 give unions advance notice, so can educate unions
 Talk about what industries benefit - get them jazzed up.
 Dislocation programs - enhancement
 PR effort

(If we dream bigger, we will fail.)

JP: Basically agree. Fast goal on labor - neutral AFL ^{to} give everyone a pass

RK: You can't get better than neutrality. As long as they leave it alone...

ok, if, e.g., steelworkers say they'll withhold

GS: If the is for, Repubs will be agt.

Slightly opposed is perfect

RG: Need to shift labor // target unions based on industries that are affected

GS: Have to really watch efforts by Repubs to ensure China doesn't get into WTO

CB: Still may be objections re child labor / environment even if keep scope at WTO

JH: We should know what we're going to use this authority for. specific as possible / drain the emotion

RE/JP: We gonna to go up to Hill - convince people that Dems will not slaughter unless they resolve their dispute w/ the President.

JH: Need to go to Sweeney - issues we'll have to walk on together. Be positive - no threat.

companies w/in kind

RE - PR campaign

JH/STB - put together list of 50 Dems

PD/RE/JP - get Secar.

CB should

ED: Get 3 or 4 sectors that make most sense

JP - plan to neutralize labor + how to approach Secar
