Dear Representative Gephardt: [CHECK APPROPRIATE ADDRESS AND SALUTATION]

Thank you for your letter expressing your concern about the product liability legislation. As you know, since I was Governor of Arkansas, I have repeatedly said that I would support "limited but meaningful" product liability reform legislation. I believe we can protect consumers' access to the courts while simultaneously protecting them from the costs of excessive litigation.

After I vetoed the "Common Sense Product Liability Reform Act of 1996," Senator Rockefeller asked me to help him determine what legislation would meet that test. Understandably, he wanted to know, before he advanced another bill, whether I would be willing to sign the bill if it arrived on my desk. We set a very high bar. Eventually, Senator Rockefeller proposed a bill that I believe met that bar and the principles that I set out in my veto statement. I told Senator Rockefeller that I would sign that bill, which Senator Rockefeller introduced in the Senate last October.

This spring, Senator Gorton asked us to consider a long list of additional changes to the Rockefeller draft that he characterized as "technical". We reviewed the list and agreed to those changes that were purely technical and helpful. Otherwise, we made no further policy concessions on product liability. The bar remained high. The product liability legislation that is being advanced in the Senate embodies the agreement with Senator Rockefeller as modified by the Gorton technical changes.

As Democratic Leader of the House, you know how important it is to deal fairly and constructively with your colleagues, despite sometimes violent disagreement on policy. Senator Rockefeller and I began this process far apart on the substance, but we made a commitment to one another and, through a cooperative process, we have come to an agreement on limited, but meaningful product liability reform legislation. I will honor my commitment to Senator Rockefeller as he has honored his commitment to me. If the bill is presented to me in precisely the form to which I have agreed, I will sign it. However, if it is modified, as a result of deliberations in the Congress, we will reassess it anew. If we find the changes to be harmful, I will not hesitate to veto the legislation again.

Sincerely,

William Jefferson Clinton

The Honorable William Jefferson Clinton
The White House
Washington, DC 20500

Dear Mr. President,

I write to express my deep concern about what I understand to be an agreement between your Administration and Senators Gorton and Rockefeller on product liability legislation. I think it would be a grave mistake at this time to move forward with such an effort that would unnecessarily federalize our tort law system at the expense of the health and safety of consumers.

While proponents of the Gorton/Rockefeller legislation have described it as "narrower" than the so-called "Common Sense Product Liability Reform Act of 1996" that you wisely vetoed, it would set a precedent— through its one-way preemption of state law, cap on punitive damages, tougher burden of proof for injured parties and statute of repose— for rolling back the rights of injured consumers, absent the support of empirical evidence. The fact is that the incidence of non-asbestos product liability lawsuits has actually gone down in the past years. In addition, our robust economy is a clear indication that businesses are thriving and are not overly burdened by existing law. We should not allow the sensationalized myth of runaway juries lead us down the dangerous path of compromising the fairness of our civil justice system which allows the poorest and most disenfranchised of our society to bring a claim in court when they have been harmed by defective products.

As I communicated to you in my letter of September 9, 1997 on which I was joined by over 100 members of the Democratic Caucus, I again urge you to stand firm on your veto of the 1996 product liability reform legislation and oppose any renewed efforts to weaken the rights of injured consumers. I urge you to oppose the Gorton/Rockefeller legislation.

Sincerely,

Richard A. Gephardt

S. _____

To regulate interstate commerce by enhancing
the fairness of product liability law,
ensuring the safety of products,
and for other purposes.

IN THE SENATE OF THE UNITED STATES

_____ (legislative day, _____), 1997

Mr. Breaux (for himself, _____, . . .) introduced the following bill; which was
referred to the Committee on Commerce.

A BILL

To regulate interstate commerce by enhancing the fairness of product liability law, and
ensuring the safety of products, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in
Congress assembled,*

SEC. 1. SHORT TITLE AND FINDINGS.

(a) **SHORT TITLE** -- This Act may be cited as the "Product Safety and Liability Fairness Act of 1997".

(b) **FINDINGS** -- The Congress finds the following:

(1) For too long, the Congress has engaged in a contentious debate over federal product liability legislation without making significant progress in addressing the legitimate concerns of all sides to the debate;

(2) As the Congress has always been presented with only the two extreme positions of the proponents and opponents of federal product liability legislation, it is time for a true common sense middle ground;

(3) While the opponents of federal product liability legislation contend that there is no need for any reform at all, there is real concern among businesses and others about the effect of the product liability system that Congress should examine;

(4) While the proponents of federal product liability legislation speak forcefully about the problem of frivolous lawsuits and slow and costly litigation, the bills supported by the proponents often fail to address these issues while instead placing restrictions and limitations on legitimate claims;

(5) While no persons with legitimate claims should be denied redress and their constitutional rights to a trial by jury, and while the product liability system does and must continue to provide valuable deterrence to the manufacture and sale of dangerous or defective products, there is no role in our legal system for frivolous lawsuits;

(6) The several states and their courts can and must continue to be the primary architects and regulators of the tort system, with only infrequent and limited intervention by the federal government;

(7) If the Congress is to intervene in this traditional province of the states, it should do so only to address real issues while balancing the interests of all sides to the debate;

(8) Federal legislation that seeks to limit frivolous lawsuits and which encourages alternative and less costly forms of dispute resolution fits this narrow role for the federal government to take in the area of product liability law.

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—The Congress finds that—

3 (1) our Nation is overly litigious, the civil jus-
 4 tice system is overcrowded, sluggish, and excessively
 5 costly and the costs of lawsuits, both direct and indi-
 6 rect, are inflicting serious and unnecessary injury on
 7 the national economy;

8 (2) excessive, unpredictable, and often arbitrary
 9 damage awards and unfair allocations of liability
 10 have a direct and undesirable effect on interstate
 11 commerce by increasing the cost and decreasing the
 12 availability of goods and services;

13 (3) the rules of law governing product liability
 14 actions, damage awards, and allocations of liability

1 have evolved inconsistently within and among the
2 States, resulting in a complex, contradictory, and
3 uncertain regime that is inequitable to both plain-
4 tiffs and defendants and unduly burdens interstate
5 commerce;

6 (4) as a result of excessive, unpredictable, and
7 often arbitrary damage awards and unfair alloca-
8 tions of liability, consumers have been adversely af-
9 fected through the withdrawal of products, produc-
10 ers, services, and service providers from the market-
11 place, and from excessive liability costs passed on to
12 them through higher prices;

13 (5) excessive, unpredictable, and often arbitrary
14 damage awards and unfair allocations of liability
15 jeopardize the financial well-being of many individ-
16 uals as well as entire industries, particularly the Na-
17 tion's small businesses and adversely affects govern-
18 ment and taxpayers;

19 (6) the excessive costs of the civil justice system
20 undermine the ability of American companies to
21 compete internationally, and serve to decrease the
22 number of jobs and the amount of productive capital
23 in the national economy;

24 (7) the unpredictability of damage awards is in-
25 equitable to both plaintiffs and defendants and has

1 added considerably to the high cost of liability insur-
2 ance, making it difficult for producers, consumers,
3 volunteers, and nonprofit organizations to protect
4 themselves from liability with any degree of con-
5 fidence and at a reasonable cost;

6 (8) because of the national scope of the prob-
7 lems created by the defects in the civil justice sys-
8 tem, it is not possible for the States to enact laws
9 that fully and effectively respond to those problems;

10 (9) it is the constitutional role of the national
11 government to remove barriers to interstate com-
12 merce and to protect due process rights; and

13 (10) there is a need to restore rationality, cer-
14 tainty, and fairness to the civil justice system in
15 order to protect against excessive, arbitrary, and un-
16 certain damage awards and to reduce the volume,
17 costs, and delay of litigation.

18 (b) PURPOSES.—Based upon the powers contained in
19 Article I, Section 8, Clause 3 and the Fourteenth Amend-
20 ment of the United States Constitution, the purposes of
21 this Act are to promote the free flow of goods and services
22 and to lessen burdens on interstate commerce and to up-
23 hold constitutionally protected due process rights by—

24 (1) establishing certain uniform legal principles
25 of product liability which provide a fair balance

1 among the interests of product users, manufactur-
2 ers, and product sellers;

3 (2) placing reasonable limits on damages over
4 and above the actual damages suffered by a claim-
5 ant;

6 (3) ensuring the fair allocation of liability in
7 civil actions;

8 (4) reducing the unacceptable costs and delays
9 of our civil justice system caused by excessive litiga-
10 tion which harm both plaintiffs and defendants; and

11 (5) establishing greater fairness, rationality,
12 and predictability in the civil justice system.

22 ates, makes or constructs and designs, or for-
23 mulates, or has engaged another person to de-
24 sign or formulate, an aspect of the product (or

1 component part of the product) made by an-

18 uct liability action brought in any State or Federal
19 court on any theory for harm caused by a product.

20 (2) ACTIONS EXCLUDED.—A civil action
21 brought for commercial loss shall be governed only
22 by applicable commercial or contract law.

23 (b) RELATIONSHIP TO STATE LAW.—This title su-
24 persedes State law only to the extent that State law ap-
25 plies to an issue covered by this title. Any issue that is

1 not governed by this title, including any standard of liabil-
2 ity applicable to a manufacturer, shall be governed by oth-
3 erwise applicable State or Federal law.

4 (c) EFFECT ON OTHER LAW.—Nothing in this Act
5 shall be construed to—

11 to the provisions of this Act but shall be subject to any
12 applicable State law.

13 **SEC. 103. LIABILITY RULES APPLICABLE TO PRODUCT**
14 **SELLERS, RENTERS, AND LESSORS.**

15 (a) GENERAL RULE.—

16 (1) IN GENERAL.—In any product liability ac-
17 tion, a product seller other than a manufacturer
18 shall be liable to a claimant only if the claimant es-
19 tablishes—

20 (A) that—

21 (i) the product that allegedly caused
22 the harm that is the subject of the com-
23 plaint was sold, rented, or leased by the
24 product seller;

1 (ii) the product seller failed to exer-
2 cise reasonable care with respect to the
3 product; and

4 (iii) the failure to exercise reasonable
5 care was a proximate cause of harm to the
6 claimant;

7 (B) that—

8 (i) the product seller made an express
9 warranty applicable to the product that al-
10 legedly caused the harm that is the subject
11 of the complaint, independent of any ex-
12 press warranty made by a manufacturer as
13 to the same product;

14 (ii) the product failed to conform to
15 the warranty; and

16 (iii) the failure of the product to con-
17 form to the warranty caused harm to the
18 claimant; or

19 (C) that—

20 (i) the product seller engaged in in-
21 tentional wrongdoing, as determined under
22 applicable State law; and

23 (ii) such intentional wrongdoing was a
24 proximate cause of the harm that is the
25 subject of the complaint.

1 (2) REASONABLE OPPORTUNITY FOR INSPEC-
2 TION.—For purposes of paragraph (1)(A)(ii), a
3 product seller shall not be considered to have failed
4 to exercise reasonable care with respect to a product
5 based upon an alleged failure to inspect the prod-
6 uct—

7 (A) if the failure occurred because there
8 was no reasonable opportunity to inspect the
9 product; or

10 (B) if the inspection, in the exercise of rea-
11 sonable care, would not have revealed the as-
12 pect of the product which allegedly caused the
13 claimant's harm.

14 (b) SPECIAL RULE.—

15 (1) IN GENERAL.—A product seller shall be
16 deemed to be liable as a manufacturer of a product
17 for harm caused by the product if—

18 (A) the manufacturer is not subject to
19 service of process under the laws of any State
20 in which the action may be brought; or

21 (B) the court determines that the claimant
22 would be unable to enforce a judgment against
23 the manufacturer.

24 (2) STATUTE OF LIMITATIONS.—For purposes
25 of this subsection only, the statute of limitations ap-

1 plicable to claims asserting liability of a product sell-
2 er as a manufacturer shall be tolled from the date
3 of the filing of a complaint against the manufacturer
4 to the date that judgment is entered against the
5 manufacturer.

6 (c) RENTED OR LEASED PRODUCTS.—

7 (1) Notwithstanding any other provision of law,
8 any person engaged in the business of renting or
9 leasing a product (other than a person excluded
10 from the definition of product seller under section
11 101(13)(B)) shall be subject to liability in a product
12 liability action under subsection (a), but any person
13 engaged in the business of renting or leasing a prod-
14 uct shall not be liable to a claimant for the tortious
15 act of another solely by reason of ownership of such
16 product.

17 (2) For purposes of paragraph (1), and for de-
18 termining the applicability of this title to any person
19 subject to paragraph (1), the term “product liability
20 action” means a civil action brought on any theory
21 for harm caused by a product or product use.

1 **SEC. 104. DEFENSE BASED ON CLAIMANT'S USE OF INTOXI-**
2 **CATING ALCOHOL OR DRUGS.**

3 (a) **GENERAL RULE.**—In any product liability action,
4 it shall be a complete defense to such action if the defend-
5 ant proves that—

6 (1) the claimant was intoxicated or was under
7 the influence of intoxicating alcohol or any drug
8 when the accident or other event which resulted in
9 such claimant's harm occurred; and

10 (2) the claimant, as a result of the influence of
11 the alcohol or drug, was more than 50 percent re-
12 sponsible for such accident or other event.

13 (b) **CONSTRUCTION.**—For purposes of subsection
14 (a)—

15 (1) the determination of whether a person was
16 intoxicated or was under the influence of intoxicat-
17 ing alcohol or any drug shall be made pursuant to
18 applicable State law; and

19 (2) the term “drug” means any controlled sub-
20 stance as defined in the Controlled Substances Act
21 (21 U.S.C. 802(6)) that was not legally prescribed
22 for use by the claimant or that was taken by the
23 claimant other than in accordance with the terms of
24 a lawfully issued prescription.

25 **SEC. 105. MISUSE OR ALTERATION.**

26 (a) **GENERAL RULE.**—

1 (1) IN GENERAL.—In a product liability action,
2 the damages for which a defendant is otherwise lia-
3 ble under Federal or State law shall be reduced by
4 the percentage of responsibility for the claimant's
5 harm attributable to misuse or alteration of a prod-
6 uct by any person if the defendant establishes that
7 such percentage of the claimant's harm was proxi-
8 mately caused by a use or alteration of a product—

9 (A) in violation of, or contrary to, a de-
10 fendant's express warnings or instructions if
11 the warnings or instructions are adequate as
12 determined pursuant to applicable State law; or

13 (B) involving a risk of harm which was
14 known or should have been known by the ordi-
15 nary person who uses or consumes the product
16 with the knowledge common to the class of per-
17 sons who used or would be reasonably antici-
18 pated to use the product.

19 (2) USE INTENDED BY A MANUFACTURER IS
20 NOT MISUSE OR ALTERATION.—For the purposes of
21 this Act, a use of a product that is intended by the
22 manufacturer of the product does not constitute a
23 misuse or alteration of the product.

24 (b) WORKPLACE INJURY.—Notwithstanding sub-
25 section (a), the damages for which a defendant is other-

1 wise liable under State law shall not be reduced by the
2 percentage of responsibility for the claimant's harm attrib-
3 utable to misuse or alteration of the product by the claim-
4 ant's employer or any coemployee who is immune from
5 suit by the claimant pursuant to the State law applicable
6 to workplace injuries.

7 **SEC. 106. UNIFORM TIME LIMITATIONS ON LIABILITY.**

8 (a) STATUTE OF LIMITATIONS.—

9 (1) IN GENERAL.—Except as provided in para-
10 graphs (2) and (3) and subsection (b), a product li-
11 ability action may be filed not later than 2 years
12 after the date on which the claimant discovered or,
13 in the exercise of reasonable care, should have dis-
14 covered—

15 (A) the harm that is the subject of the ac-
16 tion; and

17 (B) the cause of the harm.

18 (2) EXCEPTION.—A person with a legal disabil-
19 ity (as determined under applicable law) may file a
20 product liability action not later than 2 years after
21 the date on which the person ceases to have the legal
22 disability.

23 (3) EFFECT OF STAY OR INJUNCTION.—If the
24 commencement of a civil action that is subject to
25 this title is stayed or enjoined, the running of the

1 statute of limitations under this section shall be sus-
2 pended until the end of the period that the stay or
3 injunction is in effect.

4 (b) STATUTE OF REPOSE.—

5 (1) IN GENERAL.—Subject to paragraphs (2)
6 and (3), no product liability action that is subject to
7 this Act concerning a product alleged to have caused
8 harm (other than toxic harm) may be filed after the
9 18-year period beginning at the time of delivery of
10 the product to the first purchaser or lessee.

11 (2) EXCEPTIONS.—

12 (A) A motor vehicle, vessel, aircraft, or
13 train, that is used primarily to transport pas-
14 sengers for hire, shall not be subject to this
15 subsection.

16 (B) Paragraph (1) does not bar a product
17 liability action against a defendant who made
18 an express warranty in writing as to the safety
19 or life expectancy of the specific product in-
20 volved which was longer than 18 years, but it
21 will apply at the expiration of that warranty.

22 (c) TRANSITIONAL PROVISION RELATING TO EXTEN-
23 SION OF PERIOD FOR BRINGING CERTAIN ACTIONS.—If
24 any provision of subsection (a) or (b) shortens the period
25 during which a product liability action could be otherwise

1 brought pursuant to another provision of law, the claimant
2 may, notwithstanding subsections (a) and (b), bring the
3 product liability action not later than 1 year after the date
4 of enactment of this Act.

5 **SEC. 107. ALTERNATIVE DISPUTE RESOLUTION PROCE-**
6 **DURES.**

7 (a) **SERVICE OF OFFER.**—A claimant or a defendant
8 in a product liability action may, not later than 60 days
9 after the service of—

10 (1) the initial complaint; or

11 (2) the applicable deadline for a responsive
12 pleading;

13 whichever is later, serve upon an adverse party an offer
14 to proceed pursuant to any voluntary, nonbinding alter-
15 native dispute resolution procedure established or recog-
16 nized under the law of the State in which the product li-
17 ability action is brought or under the rules of the court
18 in which such action is maintained.

19 (b) **WRITTEN NOTICE OF ACCEPTANCE OR REJEC-**
20 **TION.**—Except as provided in subsection (c), not later
21 than 10 days after the service of an offer to proceed under
22 subsection (a), an offeree shall file a written notice of ac-
23 ceptance or rejection of the offer.

24 (c) **EXTENSION.**—The court may, upon motion by an
25 offeree made prior to the expiration of the 10-day period

1 specified in subsection (b), extend the period for filling a
2 written notice under such subsection for a period of not
3 more than 60 days after the date of expiration of the pe-
4 riod specified in subsection (b). Discovery may be per-
5 mitted during such period.

6 **SEC. 108. UNIFORM STANDARDS FOR AWARD OF PUNITIVE**
7 **DAMAGES.**

8 (a) **GENERAL RULE.**—Punitive damages may, to the
9 extent permitted by applicable State law, be awarded
10 against a defendant if the claimant establishes by clear
11 and convincing evidence that conduct carried out by the
12 defendant with a conscious, flagrant indifference to the
13 rights or safety of others was the proximate cause of the
14 harm that is the subject of the action in any product liabil-
15 ity action.

16 (b) **LIMITATION ON AMOUNT.**—

17 (1) **IN GENERAL.**—The amount of punitive
18 damages that may be awarded in an action described
19 in subsection (a) may not exceed the greater of—

20 (A) 2 times the sum of the amount award-
21 ed to the claimant for economic loss and non-
22 economic loss; or

23 (B) \$250,000.

24 (2) **SPECIAL RULE.**—Notwithstanding para-
25 graph (1), in any action described in subsection (a)

1 against an individual whose net worth does not ex-
2 ceed \$500,000 or against an owner of an unincor-
3 porated business, or any partnership, corporation,
4 association, unit of local government, or organization
5 which has fewer than 25 full-time employees, the pu-
6 nitive damages shall not exceed the lesser of—

7 (A) 2 times the sum of the amount award-
8 ed to the claimant for economic loss and non-
9 economic loss; or

10 (B) \$250,000.

11 For the purpose of determining the applicability of
12 this paragraph to a corporation, the number of em-
13 ployees of a subsidiary or wholly-owned corporation
14 shall include all employees of a parent or sister cor-
15 poration.

16 (3) EXCEPTION FOR INSUFFICIENT AWARD IN
17 CASES OF EGREGIOUS CONDUCT.—

18 (A) DETERMINATION BY COURT.—If the
19 court makes a determination, after considering
20 each of the factors in subparagraph (B), that
21 the application of paragraph (1) would result in
22 an award of punitive damages that is insuffi-
23 cient to punish the egregious conduct of the de-
24 fendant against whom the punitive damages are
25 to be awarded or to deter such conduct in the

1 future, the court shall determine the additional
2 amount of punitive damages (referred to in this
3 paragraph as the “additional amount”) in ex-
4 cess of the amount determined in accordance
5 with paragraph (1) to be awarded against the
6 defendant in a separate proceeding in accord-
7 ance with this paragraph.

8 (B) FACTORS FOR CONSIDERATION.—In
9 any proceeding under paragraph (A), the court
10 shall consider—

11 (i) the extent to which the defendant
12 acted with actual malice;

13 (ii) the likelihood that serious harm
14 would arise from the conduct of the de-
15 fendant;

16 (iii) the degree of the awareness of
17 the defendant of that likelihood;

18 (iv) the profitability of the misconduct
19 to the defendant;

20 (v) the duration of the misconduct
21 and any concurrent or subsequent conceal-
22 ment of the conduct by the defendant;

23 (vi) the attitude and conduct of the
24 defendant upon the discovery of the mis-

1 conduct and whether the misconduct has
2 terminated;

3 (vii) the financial condition of the de-
4 fendant; and

5 (viii) the cumulative deterrent effect
6 of other losses, damages, and punishment
7 suffered by the defendant as a result of the
8 misconduct, reducing the amount of puni-
9 tive damages on the basis of the economic
10 impact and severity of all measures to
11 which the defendant has been or may be
12 subjected, including—

13 (I) compensatory and punitive
14 damage awards to similarly situated
15 claimants;

16 (II) the adverse economic effect
17 of stigma or loss of reputation;

18 (III) civil fines and criminal and
19 administrative penalties; and

20 (IV) stop sale, cease and desist,
21 and other remedial or enforcement or-
22 ders.

23 (C) REQUIREMENTS FOR AWARDING ADDI-
24 TIONAL AMOUNT.—If the court awards an addi-
25 tional amount pursuant to this subsection, the

1 court shall state its reasons for setting the
2 amount of the additional amount in findings of
3 fact and conclusions of law.

4 (D) PREEMPTION.—This section does not
5 create a cause of action for punitive damages
6 and does not preempt or supersede any State or
7 Federal law to the extent that such law would
8 further limit the award of punitive damages.
9 Nothing in this subsection shall modify or re-
10 duce the ability of courts to order remittiturs.

11 (4) APPLICATION BY COURT.—This subsection
12 shall be applied by the court and application of this
13 subsection shall not be disclosed to the jury. Nothing
14 in this subsection shall authorize the court to enter
15 an award of punitive damages in excess of the jury's
16 initial award of punitive damages.

17 (c) BIFURCATION AT REQUEST OF ANY PARTY.—

18 (1) IN GENERAL.—At the request of any party
19 the trier of fact in any action that is subject to this
20 section shall consider in a separate proceeding, held
21 subsequent to the determination of the amount of
22 compensatory damages, whether punitive damages
23 are to be awarded for the harm that is the subject
24 of the action and the amount of the award.

1 (2) INADMISSIBILITY OF EVIDENCE RELATIVE
2 ONLY TO A CLAIM OF PUNITIVE DAMAGES IN A PRO-
3 CEEDING CONCERNING COMPENSATORY DAMAGES.—

4 If any party requests a separate proceeding under
5 paragraph (1), in a proceeding to determine whether
6 the claimant may be awarded compensatory dam-
7 ages, any evidence, argument, or contention that is
8 relevant only to the claim of punitive damages, as
9 determined by applicable State law, shall be inadmis-
10 sible.

11 **SEC. 109. LIABILITY FOR CERTAIN CLAIMS RELATING TO**
12 **DEATH.**

13 In any civil action in which the alleged harm to the
14 claimant is death and, as of the effective date of this Act,
15 the applicable State law provides, or has been construed
16 to provide, for damages only punitive in nature, a defend-
17 ant may be liable for any such damages without regard
18 to section 108, but only during such time as the State
19 law so provides. This section shall cease to be effective
20 September 1, 1997.

21 **SEC. 110. SEVERAL LIABILITY FOR NONECONOMIC LOSS.**

22 (a) GENERAL RULE.—In a product liability action,
23 the liability of each defendant for noneconomic loss shall
24 be several only and shall not be joint.

25 (b) AMOUNT OF LIABILITY.—

1 (1) IN GENERAL.—Each defendant shall be lia-
2 ble only for the amount of noneconomic loss allo-
3 cated to the defendant in direct proportion to the
4 percentage of responsibility of the defendant (deter-
5 mined in accordance with paragraph (2)) for the
6 harm to the claimant with respect to which the de-
7 fendant is liable. The court shall render a separate
8 judgment against each defendant in an amount de-
9 termined pursuant to the preceding sentence.

10 (2) PERCENTAGE OF RESPONSIBILITY.—For
11 purposes of determining the amount of noneconomic
12 loss allocated to a defendant under this section, the
13 trier of fact shall determine the percentage of re-
14 sponsibility of each person responsible for the claim-
15 ant's harm, whether or not such person is a party
16 to the action.

17 **TITLE II—BIOMATERIALS**
18 **ACCESS ASSURANCE**

19 **SEC. 201. SHORT TITLE.**

20 This title may be cited as the “Biomaterials Access
21 Assurance Act of 1997”.

22 **SEC. 202. FINDINGS.**

23 Congress finds that—

24 (1) each year millions of citizens of the United
25 States depend on the availability of lifesaving or life

1 enhancing medical devices, many of which are per-
2 manently implantable within the human body;

3 (2) a continued supply of raw materials and
4 component parts is necessary for the invention, de-
5 velopment, improvement, and maintenance of the
6 supply of the devices;

7 (3) most of the medical devices are made with
8 raw materials and component parts that—

9 (A) are not designed or manufactured spe-
10 cifically for use in medical devices; and

11 (B) come in contact with internal human
12 tissue;

13 (4) the raw materials and component parts also
14 are used in a variety of nonmedical products;

15 (5) because small quantities of the raw mate-
16 rials and component parts are used for medical de-
17 vices, sales of raw materials and component parts
18 for medical devices constitute an extremely small
19 portion of the overall market for the raw materials
20 and medical devices;

21 (6) under the Federal Food, Drug, and Cos-
22 metic Act (21 U.S.C. 301 et seq.), manufacturers of
23 medical devices are required to demonstrate that the
24 medical devices are safe and effective, including

1 demonstrating that the products are properly de-
2 signed and have adequate warnings or instructions;

3 (7) notwithstanding the fact that raw materials
4 and component parts suppliers do not design,
5 produce, or test a final medical device, the suppliers
6 have been the subject of actions alleging inad-
7 equate—

8 (A) design and testing of medical devices
9 manufactured with materials or parts supplied
10 by the suppliers; or

11 (B) warnings related to the use of such
12 medical devices;

13 (8) even though suppliers of raw materials and
14 component parts have very rarely been held liable in
15 such actions, such suppliers have ceased supplying
16 certain raw materials and component parts for use
17 in medical devices because the costs associated with
18 litigation in order to ensure a favorable judgment for
19 the suppliers far exceeds the total potential sales
20 revenues from sales by such suppliers to the medical
21 device industry;

22 (9) unless alternate sources of supply can be
23 found, the unavailability of raw materials and com-
24 ponent parts for medical devices will lead to unavail-

1 ability of lifesaving and life-enhancing medical de-
2 vices;

3 (10) because other suppliers of the raw mate-
4 rials and component parts in foreign nations are re-
5 fusing to sell raw materials or component parts for
6 use in manufacturing certain medical devices in the
7 United States, the prospects for development of new
8 sources of supply for the full range of threatened
9 raw materials and component parts for medical de-
10 vices are remote;

11 (11) it is unlikely that the small market for
12 such raw materials and component parts in the
13 United States could support the large investment
14 needed to develop new suppliers of such raw mate-
15 rials and component parts;

16 (12) attempts to develop such new suppliers
17 would raise the cost of medical devices;

18 (13) courts that have considered the duties of
19 the suppliers of the raw materials and component
20 parts have generally found that the suppliers do not
21 have a duty—

22 (A) to evaluate the safety and efficacy of
23 the use of a raw material or component part in
24 a medical device; and

1 (B) to warn consumers concerning the
2 safety and effectiveness of a medical device;

3 (14) attempts to impose the duties referred to
4 in subparagraphs (A) and (B) of paragraph (13) on
5 suppliers of the raw materials and component parts
6 would cause more harm than good by driving the
7 suppliers to cease supplying manufacturers of medi-
8 cal devices; and

9 (15) in order to safeguard the availability of a
10 wide variety of lifesaving and life-enhancing medical
11 devices, immediate action is needed—

12 (A) to clarify the permissible bases of li-
13 ability for suppliers of raw materials and com-
14 ponent parts for medical devices; and

15 (B) to provide expeditious procedures to
16 dispose of unwarranted suits against the suppli-
17 ers in such manner as to minimize litigation
18 costs.

19 **SEC. 203. DEFINITIONS.**

20 As used in this title:

21 (1) **BIOMATERIALS SUPPLIER.**—

22 (A) **IN GENERAL.**—The term “biomaterials
23 supplier” means an entity that directly or indi-
24 rectly supplies a component part or raw mate-
25 rial for use in the manufacture of an implant.

12 ing from harm allegedly caused directly or indi-
13 rectly by an implant, including a person other
14 than the individual into whose body, or in con-
15 tact with whose blood or tissue, the implant is
16 placed, who claims to have suffered harm as a
17 result of the implant.

18 (B) ACTION BROUGHT ON BEHALF OF AN
19 ESTATE.—With respect to an action brought on
20 behalf of or through the estate of an individual
21 into whose body, or in contact with whose blood

13 action is the furnishing of judgment,
14 skill, or services;

15 (ii) a person acting in the capacity of
16 a manufacturer, seller, or biomaterials sup-
17 plier;

18 (iii) a person alleging harm caused by
19 either the silicone gel or the silicone enve-
20 lope utilized in a breast implant containing
21 silicone gel, except that—

22 (I) neither the exclusion provided
23 by this clause nor any other provision
24 of this Act may be construed as a
25 finding that silicone gel (or any other

1 form of silicone) may or may not
2 cause harm; and

3 (II) the existence of the exclusion
4 under this clause may not—

5 (aa) be disclosed to a jury in
6 any civil action or other proceed-
7 ing; and

8 (bb) except as necessary to
9 establish the applicability of this
10 Act, otherwise be presented in
11 any civil action or other proceed-
12 ing; or

13 (iv) any person who acts in only a fi-
14 nancial capacity with respect to the sale of
15 an implant.

16 (3) COMPONENT PART.—

17 (A) IN GENERAL.—The term “component
18 part” means a manufactured piece of an im-
19 plant.

20 (B) CERTAIN COMPONENTS.—Such term
21 includes a manufactured piece of an implant
22 that—

23 (i) has significant non-implant appli-
24 cations; and

1 (ii) alone, has no implant value or
2 purpose, but when combined with other
3 component parts and materials, constitutes
4 an implant.

5 (4) HARM.—

6 (A) IN GENERAL.—The term “harm”
7 means—

8 (i) any injury to or damage suffered
9 by an individual;

10 (ii) any illness, disease, or death of

13 (iii) any loss to that individual or any
14 other individual resulting from that injury
15 or damage.

17 clude any commercial loss or loss of or damage
18 to an implant.

19 (5) IMPLANT.—The term “implant” means—

20 (A) a medical device that is intended by
21 the manufacturer of the device—

22 (i) to be placed into a surgically or
23 naturally formed or existing cavity of the
24 body for a period of at least 30 days; or

1 (ii) to remain in contact with bodily
2 fluids or internal human tissue through a
3 surgically produced opening for a period of
4 less than 30 days; and

5 (B) suture materials used in implant pro-
6 cedures.

7 (6) MANUFACTURER.—The term “manufac-
8 turer” means any person who, with respect to an im-
9 plant—

10 (A) is engaged in the manufacture, prepa-
11 ration, propagation, compounding, or processing
12 (as defined in section 510(a)(1)) of the Federal
13 Food, Drug, and Cosmetic Act (21 U.S.C.
14 360(a)(1)) of the implant; and

15 (B) is required—

16 (i) to register with the Secretary pur-
17 suant to section 510 of the Federal Food,
18 Drug, and Cosmetic Act (21 U.S.C. 360)
19 and the regulations issued under such sec-
20 tion; and

21 (ii) to include the implant on a list of
22 devices filed with the Secretary pursuant
23 to section 510(j) of such Act (21 U.S.C.
24 360(j)) and the regulations issued under
25 such section.

1 (7) MEDICAL DEVICE.—The term “medical de-
2 vice” means a device, as defined in section 201(h)
3 of the Federal Food, Drug, and Cosmetic Act (21
4 U.S.C. 321(h)) and includes any device component

3 (iii) any person who acts in only a fi-
4 nancial capacity with respect to the sale of
5 an implant.

6 **SEC. 204. GENERAL REQUIREMENTS; APPLICABILITY; PRE-**
7 **EMPTION.**

8 (a) **GENERAL REQUIREMENTS.—**

9 (1) **IN GENERAL.—**In any civil action covered
10 by this title, a biomaterials supplier may raise any
11 defense set forth in section 205.

12 (2) **PROCEDURES.—**Notwithstanding any other
13 provision of law, the Federal or State court in which
14 a civil action covered by this title is pending shall,
15 in connection with a motion for dismissal or judg-
16 ment based on a defense described in paragraph (1),
17 use the procedures set forth in section 206.

18 (b) **APPLICABILITY.—**

19 (1) **IN GENERAL.—**Except as provided in para-
20 graph (2), notwithstanding any other provision of
21 law, this title applies to any civil action brought by
22 a claimant, whether in a Federal or State court,
23 against a manufacturer, seller, or biomaterials sup-
24 plier, on the basis of any legal theory, for harm al-
25 legedly caused by an implant.

1 (2) EXCLUSION.—A civil action brought by a
2 purchaser of a medical device for use in providing
3 professional services against a manufacturer, seller,
4 or biomaterials supplier for loss or damage to an im-
5 plant or for commercial loss to the purchaser—

6 (A) shall not be considered an action that
7 is subject to this title; and

8 (B) shall be governed by applicable com-
9 mercial or contract law.

10 (c) SCOPE OF PREEMPTION.—

11 (1) IN GENERAL.—This title supersedes any
12 State law regarding recovery for harm caused by an
13 implant and any rule of procedure applicable to a
14 civil action to recover damages for such harm only
15 to the extent that this title establishes a rule of law
16 applicable to the recovery of such damages.

17 (2) APPLICABILITY OF OTHER LAWS.—Any
18 issue that arises under this title and that is not gov-
19 erned by a rule of law applicable to the recovery of
20 damages described in paragraph (1) shall be gov-
21 erned by applicable Federal or State law.

22 (d) STATUTORY CONSTRUCTION.—Nothing in this
23 title may be construed—

24 (1) to affect any defense available to a defend-
25 ant under any other provisions of Federal or State

1 law in an action alleging harm caused by an im-
2 plant; or

3 (2) to create a cause of action or Federal court
4 jurisdiction pursuant to section 1331 or 1337 of title
5 28, United States Code, that otherwise would not
6 exist under applicable Federal or State law.

7 **SEC. 205. LIABILITY OF BIOMATERIALS SUPPLIERS.**

8 (a) IN GENERAL.—

9 (1) EXCLUSION FROM LIABILITY.—Except as
10 provided in paragraph (2), a biomaterials supplier
11 shall not be liable for harm to a claimant caused by
12 an implant.

13 (2) LIABILITY.—A biomaterials supplier that—

14 (A) is a manufacturer may be liable for
15 harm to a claimant described in subsection (b);

16 (B) is a seller may be liable for harm to
17 a claimant described in subsection (c); and

18 (C) furnishes raw materials or component
19 parts that fail to meet applicable contractual re-
20 quirements or specifications may be liable for
21 harm to a claimant described in subsection (d).

22 (b) LIABILITY AS MANUFACTURER.—

23 (1) IN GENERAL.—A biomaterials supplier may,
24 to the extent required and permitted by any other
25 applicable law, be liable for harm to a claimant

1 caused by an implant if the biomaterials supplier is
2 the manufacturer of the implant.

3 (2) GROUNDS FOR LIABILITY.—The biomate-
4 rials supplier may be considered the manufacturer of
5 the implant that allegedly caused harm to a claimant
6 only if the biomaterials supplier—

7 (A)(i) has registered with the Secretary
8 pursuant to section 510 of the Federal Food,
9 Drug, and Cosmetic Act (21 U.S.C. 360) and
10 the regulations issued under such section; and

11 (ii) included the implant on a list of de-
12 vices filed with the Secretary pursuant to sec-
13 tion 510(j) of such Act (21 U.S.C. 360(j)) and
14 the regulations issued under such section;

15 (B) is the subject of a declaration issued
16 by the Secretary pursuant to paragraph (3)
17 that states that the supplier, with respect to the
18 implant that allegedly caused harm to the
19 claimant, was required to—

20 (i) register with the Secretary under
21 section 510 of such Act (21 U.S.C. 360),
22 and the regulations issued under such sec-
23 tion, but failed to do so; or

24 (ii) include the implant on a list of de-
25 vices filed with the Secretary pursuant to

1 section 510(j) of such Act (21 U.S.C.
2 360(j)) and the regulations issued under
3 such section, but failed to do so; or

4 (C) is related by common ownership or
5 control to a person meeting all the requirements
6 described in subparagraph (A) or (B), if the
7 court deciding a motion to dismiss in accord-
8 ance with section 206(c)(3)(B)(i) finds, on the
9 basis of affidavits submitted in accordance with
10 section 206, that it is necessary to impose li-
11 ability on the biomaterials supplier as a manu-
12 facturer because the related manufacturer
13 meeting the requirements of subparagraph (A)
14 or (B) lacks sufficient financial resources to
15 satisfy any judgment that the court feels it is
16 likely to enter should the claimant prevail.

17 (3) ADMINISTRATIVE PROCEDURES.—

18 (A) IN GENERAL.—The Secretary may
19 issue a declaration described in paragraph
20 (2)(B) on the motion of the Secretary or on pe-
21 tition by any person, after providing—

22 (i) notice to the affected persons; and

23 (ii) an opportunity for an informal
24 hearing.

1 (B) DOCKETING AND FINAL DECISION.—

2 Immediately upon receipt of a petition filed
3 pursuant to this paragraph, the Secretary shall
4 docket the petition. Not later than 180 days
5 after the petition is filed, the Secretary shall
6 issue a final decision on the petition.

7 (C) APPLICABILITY OF STATUTE OF LIMITATIONS.—

8 Any applicable statute of limitations
9 shall toll during the period during which a
10 claimant has filed a petition with the Secretary
11 under this paragraph.

12 (c) LIABILITY AS SELLER.—A biomaterials supplier
13 may, to the extent required and permitted by any other
14 applicable law, be liable as a seller for harm to a claimant
15 caused by an implant if—

16 (1) the biomaterials supplier—

17 (A) held title to the implant that allegedly
18 caused harm to the claimant as a result of pur-
19 chasing the implant after—

20 (i) the manufacture of the implant;

21 and

22 (ii) the entrance of the implant in the
23 stream of commerce; and

24 (B) subsequently resold the implant; or

1 (2) the biomaterials supplier is related by com-
2 mon ownership or control to a person meeting all the
3 requirements described in paragraph (1), if a court
4 deciding a motion to dismiss in accordance with sec-
5 tion 206(c)(3)(B)(ii) finds, on the basis of affidavits
6 submitted in accordance with section 206, that it is
7 necessary to impose liability on the biomaterials sup-
8 plier as a seller because the related seller meeting
9 the requirements of paragraph (1) lacks sufficient fi-
10 nancial resources to satisfy any judgment that the
11 court feels it is likely to enter should the claimant
12 prevail.

13 (d) LIABILITY FOR VIOLATING CONTRACTUAL RE-
14 QUIREMENTS OR SPECIFICATIONS.—A biomaterials sup-
15 plier may, to the extent required and permitted by any
16 other applicable law, be liable for harm to a claimant
17 caused by an implant, if the claimant in an action shows,
18 by a preponderance of the evidence, that—

19 (1) the raw materials or component parts deliv-
20 ered by the biomaterials supplier either—

21 (A) did not constitute the product de-
22 scribed in the contract between the biomaterials
23 supplier and the person who contracted for de-
24 livery of the product; or

1 (B) failed to meet any specifications that
2 were—

3 (i) provided to the biomaterials sup-
4 plier and not expressly repudiated by the
5 biomaterials supplier prior to acceptance of
6 delivery of the raw materials or component
7 parts;

8 (ii)(I) published by the biomaterials
9 supplier;

10 (II) provided to the manufacturer by
11 the biomaterials supplier; or

12 (III) contained in a master file that
13 was submitted by the biomaterials supplier
14 to the Secretary and that is currently
15 maintained by the biomaterials supplier for
16 purposes of premarket approval of medical
17 devices; or

18 (iii) included in the submissions for
19 purposes of premarket approval or review
20 by the Secretary under section 510, 513,
21 515, or 520 of the Federal Food, Drug,
22 and Cosmetic Act (21 U.S.C. 360, 360c,
23 360e, or 360j), and received clearance
24 from the Secretary if such specifications
25 were provided by the manufacturer to the

1 biomaterials supplier and were not ex-
2 pressly repudiated by the biomaterials sup-
3 plier prior to the acceptance by the manu-
4 facturer of delivery of the raw materials or
5 component parts; and

6 (2) such conduct was an actual and proximate
7 cause of the harm to the claimant.

8 **SEC. 206. PROCEDURES FOR DISMISSAL OF CIVIL ACTIONS**
9 **AGAINST BIOMATERIALS SUPPLIERS.**

10 (a) **MOTION TO DISMISS.**—In any action that is sub-
11 ject to this title, a biomaterials supplier who is a defendant
12 in such action may, at any time during which a motion
13 to dismiss may be filed under an applicable law, move to
14 dismiss the action against it on the grounds that—

15 (1) the defendant is a biomaterials supplier;
16 and

17 (2)(A) the defendant should not, for the pur-
18 poses of—

19 (i) section 205(b), be considered to be a
20 manufacturer of the implant that is subject to
21 such section; or

22 (ii) section 205(c), be considered to be a
23 seller of the implant that allegedly caused harm
24 to the claimant; or

1 (B)(i) the claimant has failed to establish, pur-
 2 suant to section 205(d), that the supplier furnished
 3 raw materials or component parts in violation of
 4 contractual requirements or specifications; or

5 (ii) the claimant has failed to comply with the
 6 procedural requirements of subsection (b).

7 (b) MANUFACTURER OF IMPLANT SHALL BE NAMED
 8 A PARTY.—The claimant shall be required to name the
 9 manufacturer of the implant as a party to the action, un-
 10 less—

11 (1) the manufacturer is subject to service of
 12 process solely in a jurisdiction in which the biomate-
 13 rials supplier is not domiciled or subject to a service
 14 of process; or

15 (2) an action against the manufacturer is
 16 barred by applicable law.

17 (c) PROCEEDING ON MOTION TO DISMISS.—The fol-
 18 lowing rules shall apply to any proceeding on a motion
 19 to dismiss filed under this section:

20 (1) AFFIDAVITS RELATING TO LISTING AND
 21 DECLARATIONS.—

22 (A) IN GENERAL.—The defendant in the
 23 action may submit an affidavit demonstrating
 24 that defendant has not included the implant on
 25 a list, if any, filed with the Secretary pursuant

1 to section 510(j) of the Federal Food, Drug,
2 and Cosmetic Act (21 U.S.C. 360(j)).

3 (B) RESPONSE TO MOTION TO DISMISS.—

4 In response to the motion to dismiss, the claim-
5 ant may submit an affidavit demonstrating
6 that—

7 (i) the Secretary has, with respect to
8 the defendant and the implant that alleg-
9 edly caused harm to the claimant, issued a
10 declaration pursuant to section
11 205(b)(2)(B); or

12 (ii) the defendant who filed the mo-
13 tion to dismiss is a seller of the implant
14 who is liable under section 205(e).

15 (2) EFFECT OF MOTION TO DISMISS ON DIS-
16 COVERY.—

17 (A) IN GENERAL.—If a defendant files a
18 motion to dismiss under paragraph (1) or (2) of
19 subsection (a), no discovery shall be permitted
20 in connection to the action that is the subject
21 of the motion, other than discovery necessary to
22 determine a motion to dismiss for lack of juris-
23 diction, until such time as the court rules on
24 the motion to dismiss in accordance with the af-

1 fidavits submitted by the parties in accordance
2 with this section.

3 (B) DISCOVERY.—If a defendant files a
4 motion to dismiss under subsection (a)(2)(B)(i)
5 on the grounds that the biomaterials supplier
6 did not furnish raw materials or component
7 parts in violation of contractual requirements or
8 specifications, the court may permit discovery,
9 as ordered by the court. The discovery con-
10 ducted pursuant to this subparagraph shall be
11 limited to issues that are directly relevant to—

12 (i) the pending motion to dismiss; or

13 (ii) the jurisdiction of the court.

14 (3) AFFIDAVITS RELATING STATUS OF DEFEND-
15 ANT.—

16 (A) IN GENERAL.—Except as provided in
17 clauses (i) and (ii) of subparagraph (B), the
18 court shall consider a defendant to be a bio-
19 materials supplier who is not subject to an ac-
20 tion for harm to a claimant caused by an im-
21 plant, other than an action relating to liability
22 for a violation of contractual requirements or
23 specifications described in subsection (d).

24 (B) RESPONSES TO MOTION TO DISMISS.—
25 The court shall grant a motion to dismiss any

1 action that asserts liability of the defendant
2 under subsection (b) or (c) of section 205 on
3 the grounds that the defendant is not a manu-
4 facturer subject to such section 205(b) or seller
5 subject to section 205(c), unless the claimant
6 submits a valid affidavit that demonstrates
7 that—

8 (i) with respect to a motion to dismiss
9 contending the defendant is not a manu-
10 facturer, the defendant meets the applica-
11 ble requirements for liability as a manufac-
12 turer under section 205(b); or

13 (ii) with respect to a motion to dis-
14 miss contending that the defendant is not
15 a seller, the defendant meets the applicable
16 requirements for liability as a seller under
17 section 205(c).

18 (4) BASIS OF RULING ON MOTION TO DIS-
19 MISS.—

20 (A) IN GENERAL.—The court shall rule on
21 a motion to dismiss filed under subsection (a)
22 solely on the basis of the pleadings of the par-
23 ties made pursuant to this section and any affi-
24 davits submitted by the parties pursuant to this
25 section.

1 (B) MOTION FOR SUMMARY JUDGMENT.—

2 Notwithstanding any other provision of law, if
3 the court determines that the pleadings and af-
4 fidavits made by parties pursuant to this sec-
5 tion raise genuine issues concerning material
6 facts with respect to a motion concerning con-
7 tractual requirements and specifications, the
8 court may deem the motion to dismiss to be a
9 motion for summary judgment made pursuant
10 to subsection (d).

11 (d) SUMMARY JUDGMENT.—

12 (1) IN GENERAL.—

13 (A) BASIS FOR ENTRY OF JUDGMENT.—A
14 biomaterials supplier shall be entitled to entry
15 of judgment without trial if the court finds
16 there is no genuine issue concerning any mate-
17 rial fact for each applicable element set forth in
18 paragraphs (1) and (2) of section 205(d).

19 (B) ISSUES OF MATERIAL FACT.—With re-
20 spect to a finding made under subparagraph
21 (A), the court shall consider a genuine issue of
22 material fact to exist only if the evidence sub-
23 mitted by claimant would be sufficient to allow
24 a reasonable jury to reach a verdict for the

1 claimant if the jury found the evidence to be
2 credible.

3 (2) DISCOVERY MADE PRIOR TO A RULING ON
4 A MOTION FOR SUMMARY JUDGMENT.—If, under ap-
5 plicable rules, the court permits discovery prior to a
6 ruling on a motion for summary judgment made
7 pursuant to this subsection, such discovery shall be
8 limited solely to establishing whether a genuine issue
9 of material fact exists as to the applicable elements
10 set forth in paragraphs (1) and (2) of section
11 205(d).

12 (3) DISCOVERY WITH RESPECT TO A BIOMATE-
13 RIALS SUPPLIER.—A biomaterials supplier shall be
14 subject to discovery in connection with a motion
15 seeking dismissal or summary judgment on the basis
16 of the inapplicability of section 205(d) or the failure
17 to establish the applicable elements of section 205(d)
18 solely to the extent permitted by the applicable Fed-
19 eral or State rules for discovery against nonparties.

20 (e) STAY PENDING PETITION FOR DECLARATION.—
21 If a claimant has filed a petition for a declaration pursu-
22 ant to section 205(b)(3)(A) with respect to a defendant,
23 and the Secretary has not issued a final decision on the
24 petition, the court shall stay all proceedings with respect

1 to that defendant until such time as the Secretary has is-
2 sued a final decision on the petition.

3 (f) MANUFACTURER CONDUCT OF PROCEEDING.—

4 The manufacturer of an implant that is the subject of an
5 action covered under this title shall be permitted to file
6 and conduct a proceeding on any motion for summary
7 judgment or dismissal filed by a biomaterials supplier who
8 is a defendant under this section if the manufacturer and
9 any other defendant in such action enter into a valid and
10 applicable contractual agreement under which the manu-
11 facturer agrees to bear the cost of such proceeding or to
12 conduct such proceeding.

13 (g) ATTORNEY FEES.—The court shall require the
14 claimant to compensate the biomaterials supplier (or a
15 manufacturer appearing in lieu of a supplier pursuant to
16 subsection (f)) for attorney fees and costs, if—

17 (1) the claimant named or joined the biomate-
18 rials supplier; and

19 (2) the court found the claim against the bio-
20 materials supplier to be without merit and frivolous.
