The Office of Public and Indian Housing **CONGRATULATES** the 3,216 Public Housing Agencies (PHAs) that had zero (0) deceased tenants on the Enterprise Income Verification (EIV) system's **Deceased Tenants Report** as of January 4, 2012. These HUD-Designated EIV Stars are identified in the attached list which is also posted on the HUD website at: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/rh/iip/uivsystem#stars. It should be noted that since January 4, 2012, an additional 338 PHAs now have zero (0) deceased tenants and are headed to stardom for quarter 2 of 2012 (period ending March 31, 2012). Thank you for your efforts to submit updated forms HUD-50058 to PIC; and where applicable, identify and eliminate improper payments on behalf of deceased tenants!

PHAs that did not have zero (0) deceased tenants as of January 4, 2012, are required to implement the appropriate corrective action as outlined in PIH Notice 2012-4; and as prescribed in the HUD letter sent to affected PHAs by email (from PIH.ImproperPayments@hud.gov), provide HUD with documentation to confirm that either no improper payment was made and/or improper payments have been recovered or repaid to the Housing Choice Voucher program for only Section 8 deceased single member households or Section 8 households in which the head of household is deceased and there are no remaining household members or the remaining household members are the live-in aide or family of the live-in aide. For additional guidance, visit: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/rh/iip/training#2.

Please direct all inquiries regarding this message to PIH.RHIIP.TA@HUD.GOV.
