Safety Gear Tips

## \* Having Fun & Staying Safe? It's Easy! \*

### Safety Gear Tip #1

#### **SAFETY STYLE.**

Be sure to gear up anytime you plan to play your game. Be sure you know which protective equipment you should be wearing.

### Safety Gear Tip #2

#### **GAME GEAR.**

Check out the right way to wear protective equipment. It could mean the difference between a trip to the movies or one to the emergency room.

### Safety Gear Tip #3

#### **LIFE VESTS.**

Put on a life vest whenever you're out for a spin on the wakeboard, water skiing, tubing, or rafting down the rapids. If you fall in, the life vest will keep you afloat.

### Safety Gear Tip #4

#### **HELMETS.**

You gotta wear one when you are on your bike, rollerblades, skateboard, or scooter to protect your noggin from serious injury.

Safety Gear Tips

## \* Having Fun & Staying Safe? It's Easy! \*

### Safety Gear Tip #5

#### **REFLECTIONS.**

Be sure to wear reflective clothing and shoes so cars can see you easily anytime during day or when it is dark in the morning or at night.

### Safety Gear Tip #6

#### **SEATBELTS.**

Putting on your seatbelt is the most important thing you do when you get in a car. Wear it right and tight—it may just save your life.
