### **PLEASE READ U.S. DEPARTMENT OF STATE DISCLAIMERS BELOW**

#### **Disclaimer #1:**

The United States Department of State and ZANA Network have partnered together to provide this matchmaking service to U.S. Embassies in select countries where trade capacity building is a high priority. Upon registering your company with ZANA Network, you will be entering a company-to-company arrangement, of which the American Embassy (name) will not be liable for any aspects of future business deals.

#### **Disclaimer #2:**

Embassy programs that provide commercial services to U.S. companies complement USG efforts to promote trade and investment as a major driver of foreign development, economic stability, poverty reduction, and good governance. The Joint Commercial Service-State Post Partnership Program is intended to provide the best possible service to American companies seeking assistance in countries where the Commercial Service has no presence. The following commercial products and services are provided to U.S. companies for a fee under this post partnership program:

**International Partner Search; International Company Profile; Customized Market Research; Gold Key Service; and the International Buyers Program**

The ZANA Network's matchmaking services help companies enter markets through interaction with local businesses, and should be used by the Embassy to complement the full range of business facilitation services offered the Embassy. ZANA Network's matchmaking services are not intended to be used as a substitute for the branded commercial services listed above, which provide on-the-ground commercial intelligence and hands on support that the Embassy is best suited to provide.

***NOTE: Embassy staff will NOT be provided with company-specific password information. If you need help with your user name and password, you must contact ZANA Network Member Support directly at:

## My Profile

While completing your profile is an absolute necessity for other members to find you on the network, we recognize that you may have questions on how to make the most of the information you post and request. This section helps guide you through the process.

A completed Sample ZANA Network is provided on the next page, (Figure 6).

**1. How do I update my User Information?** You can update your User Information by completing the following steps:

- A. Go to <http://www.zananetwork.com/>.
- B. Login to your account.
- C. Click on *My ZN* (located at the top of the ZANA website).
- D. On the left side of the screen, select *Update Membership Information*.
- E. The *User Registration Information* page will be on your screen.
- F. Go to the *Personal Information* section.
- G. Now you can update the information you need to change.
- H. Once you have updated your information, click the *Update* button at the bottom of the screen.

**2. Why do I need to fill out my Company Profile?**

The **Company Profile** is a snapshot of your business, providing key information about the products and services you offer. Even if you have a website, the Company Profile within ZANA's network of businesses will make your company stand out, making it easier for other businesses to find you. Within the ZANA network, you can search for businesses based on geographic location, industry, diversity (minority, women, veteran and disabled American owned business) and also by keywords.

**3. What information about my company can other businesses see within the network?**

Once you complete the **Company Profile**, you have the option of showing your company name by checking the box **Display Company Name**. If you check this box, your company name will be shown to other businesses. If you leave this box unchecked, your company name will not be seen by other businesses.

**4. Where can I find more information on adding Products and Services and/or Product and Service RFP's to My Profile?**

Go to [www.zananetwork.com/help/myprofilehelp/](http://www.zananetwork.com/help/myprofilehelp/) to find more information on adding products, services and RFP's to your profile.

## My ZANA Email Account

Your ZANA Network email account is your main method of communication to other ZANA members. (Figure 7)

### 1. How do I gain access to my ZANA email account?

- A. Go to [www.zananetwork.com](http://www.zananetwork.com)
- B. Login to your account.
- C. Click on My Profile
- D. Under My Mail on the left side of the screen, select Inbox.
- E. From this screen, you can write, read and delete email messages.

### 2. Can I use my ZANA email account outside of the ZANA network?

No, your ZANA email account can only be used within the ZANA network with other members. The email environment was setup in this manner to protect your privacy, ensuring that you only receive email messages from other ZANA members.

Figure 7

The screenshot displays the ZANA Network email interface. At the top, the ZANA logo is on the left with the tagline "Fast Forward Your Business". On the right, it says "Hello, Adam" with links for "My Profile", "3 New Messages", and "Logout". Below this is a navigation bar with "Buy / Sell / Partner", a search box, and a "Category: All" dropdown. A secondary navigation bar contains buttons for "My ZN", "Find Opportunities", "Trade Reports", "Business Learning", "Community", and "Financing & More". The main content area is titled "MY PROFILE" and "My Mail". Under "My Mail", there is an "INBOX" section with a "New Message" button and action buttons like "Delete", "Save", "Action", "Request", and "Rate Business". A table shows 4 inbox messages, all from "ZANA" with the subject "About Reported Profile" and dated "7/17/2008". A sidebar on the left lists folders: "Inbox", "Saved", "Sent", "Contact List", "Block List", "Trash", and "Settings". At the bottom, there are links for "Home", "About Us", "Help", "Site Map", "Widgets", "Terms of Use", "Privacy Notice", and "Contact Us", along with the copyright notice "© 2008 ZANA Network, LLC - All Rights Reserved".

## The ZANA Search Engine

ZANA Network is an international community where you can find businesses from around the world looking to sell their products and services, find products and services they need, develop strategic alliances and partnerships, and grow. This section gives the broadest view of ZANA Network capabilities to help you find what you need to succeed. (Figure 8)

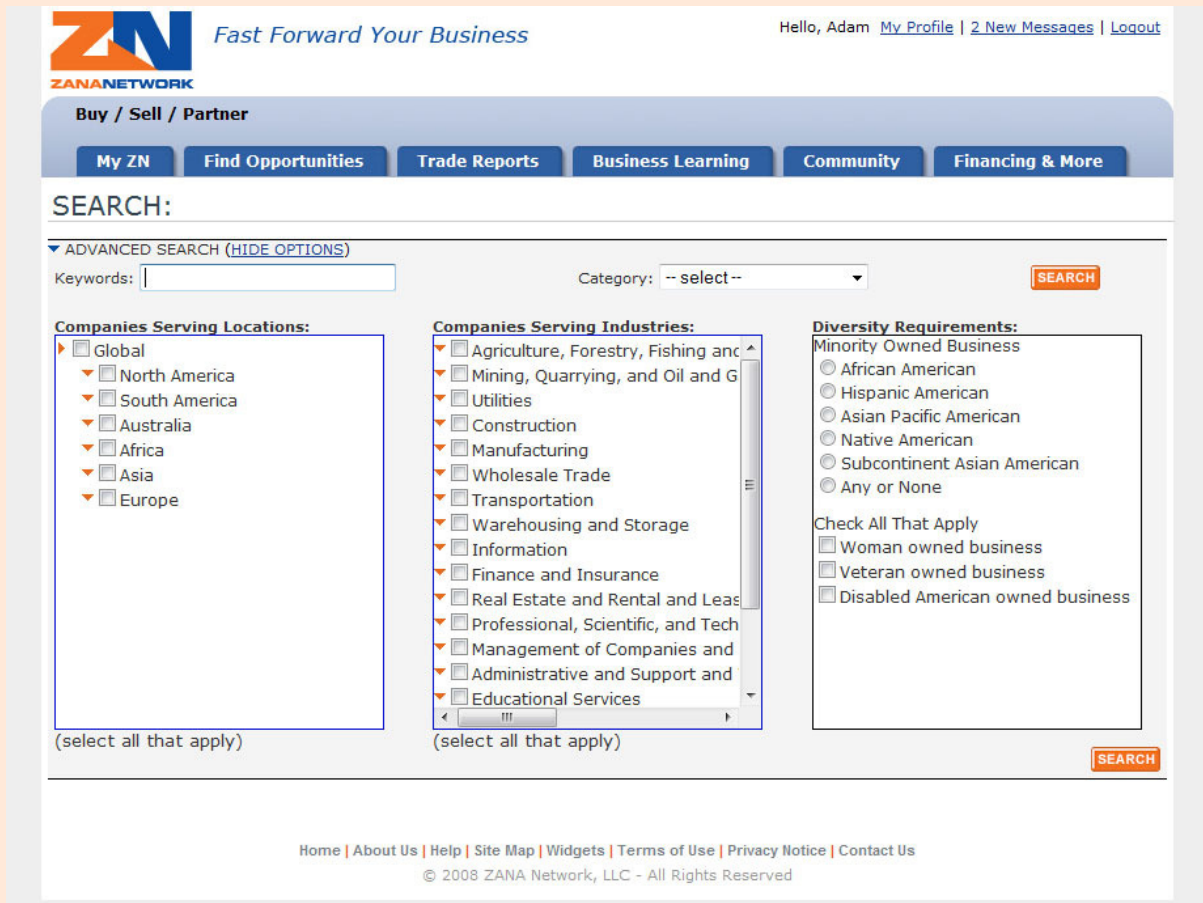

### 1. How do you find information to Buy, Sell and Partner within ZANA’s network?

On ZANA Network’s Home Page, you can put in your key words in a **Search** box and search for **Companies, Products, Services, Product Requests, Service Requests** and **Partnership Requests**. There is also an option for performing an **Advanced Search** or you can search by location, industry or diversity.

### 2. How do you communicate with the members you find?

Once you search your key words, a list of results will be displayed below the search box. Click on the company you choose, and if you want to pursue the opportunity, click on **Contact this Company**.
