COAST GUARD ART PROGRAM – Membership Application

Membership is open to artists working in media that create one of kind pieces of work, such as paintings and drawings. Media producing multiple images such as photography, computer-generated images, and printmaking, and three dimensional work such as sculpture are not accepted. You must be a U.S. citizen to qualify for membership. Previous experience in marine painting is not required.

Please submit this form in duplicate with samples of your work to Mary Ann Bader, COGAP Coordinator, 1200 South Oakcrest RD., Arlington, VA 22202. Samples of work can be submitted in a medium of your choice such as high quality photographs, slides or transparencies of individual pieces or CDs/DVDs. Do not send original art as submissions are not returned. The quality of your work is an important factor in acceptance into the program; therefore, please choose your samples carefully. You can also submit on-line by sending the application, along with low resolution jpeg files of your work to Maryann.Bader@uscg.mil. Artist members in good standing of the Salmagundi Club need not send examples. They must, however, complete this application.

Each year, works of art created by COGAP members are reviewed by the Salmagundi Club's Excellence Committee for acceptance into the Coast Guard's official collection. Representational works of high artistic merit as well accuracy in depicting Coast missions and people are sought for the collection. COGAP members are requested to submit new artwork for review as often as possible, but no less than once every three years. Samples of your pieces must be received by January 3 of each year for consideration for that year's collection. If a COGAP member is having difficulty submitting artwork within the three-year time frame, they are asked to contact Coast Guard Community Relations, at 202/372-4643. All accepted art becomes the property of the U. S. Coast Guard. No person or entity is permitted to reproduce Coast Guard art for commercial purposes without the written consent of the Coast Guard and the artist. If both the Coast Guard and the artist permit for profit use, the artist may seek royalty fees. Thank you for your interest in the Coast Guard Art Program.
