15 vs.  
16 UTSTARCOM, INC.,  
17 Defendant.

Case No. 09

60947

COMPLAINT

JSW

18  
19 Plaintiff Securities and Exchange Commission (the "Commission") alleges:

20 SUMMARY OF ACTION

21 1. This matter involves repeated bribe payments to foreign officials by Bay Area  
22 telecommunications company UTStarcom, Inc. ("UTSI" or "the company") in violation of the  
23 Foreign Corrupt Practices Act ("FCPA"). Between 2002 and 2007, UTSI paid nearly \$7 million  
24 for hundreds of overseas trips by employees of Chinese government-controlled  
25 telecommunications companies that were customers of UTSI, purportedly to provide customer  
26 training. In reality, the trips were entirely or primarily for sightseeing.

27 2. During the same time period, UTSI provided other gifts and benefits to foreign  
28 government customers, including paying for them to attend executive training programs at U.S.

1 universities. UTSI also provided foreign government customers or their family members with  
2 work visas and purportedly hired them to work for UTSI in the U.S., when in reality they did no  
3 work for the company. UTSI also made payments to purported consultants in China and Mongolia  
4 who provided no documented services, under circumstances that showed a high probability that the  
5 payments would be used to bribe foreign government officials.

6 3. The Commission seeks an order permanently enjoining UTSI from violations of  
7 the anti-bribery, books and records, and internal control provisions of the FCPA, and requiring  
8 UTSI to pay a civil monetary penalty.

### 9 JURISDICTION AND VENUE

10 4. This Court has jurisdiction over this action pursuant to Sections 21(d) and 27 of  
11 the Securities Exchange Act of 1934 (“Exchange Act”) [15 U.S.C. §§ 78u(d) and 78aa].  
12 Defendant has, directly or indirectly, made use of the means and instrumentalities of interstate  
13 commerce and of the mails in connection with the acts, transactions, practices and courses of  
14 business alleged in this Complaint.

15 5. Venue in this District is proper pursuant to Section 27 of the Exchange Act [15  
16 U.S.C. § 78aa] because Defendant maintains its headquarters and transacts business within the  
17 Northern District of California.

18 6. Intradistrict assignment to the San Francisco Division is proper pursuant to Civil  
19 L.R. 3-2(c) because a substantial part of the events or omissions that give rise to this action  
20 occurred in the County of Alameda.

### 21 DEFENDANT

22 7. UTStarcom, Inc. is a Delaware corporation with headquarters in Alameda,  
23 California. UTSI is a global telecommunications company that designs, manufactures and sells  
24 network equipment and handsets. UTSI’s common stock is registered with the Commission  
25 pursuant to Section 12(b) of the Exchange Act and trades on the NASDAQ Global Select Market  
26 under the symbol “UTSI.” The majority of UTSI’s operations and employees are in China.  
27 UTSI operates in China primarily through its wholly-owned subsidiary UTStarcom China Co.,  
28 Ltd. (“UTS-China”).

1 15. Very little documentation was maintained relating to the trips, and UTSI did not  
2 have adequate internal controls to determine whether the trips were in fact for training purposes.  
3 On many of the trips, no training actually occurred. Instead, customer employees visited popular  
4 tourist destinations where UTSI had no facilities.

5 **B. UTSI Paid for Employees of Chinese Government Customers to Attend Executive**  
6 **Training Programs at U.S. Universities.**

7 16. On at least seven occasions between 2002 and 2004, UTSI paid for executive  
8 training programs at U.S. universities that were attended by managers and other employees of  
9 government customers in China. The programs covered general management topics and were  
10 not specifically related to UTSI's products or business.

11 17. UTSI paid for all expenses associated with the programs, which totaled more than  
12 \$4 million from 2002 to 2004. The expenses included travel, tuition, room and board, field trips  
13 to nearby tourist destinations, and a cash allowance of between \$800 and \$3,000 per person.  
14 UTSI accounted for the cost of the programs as marketing expenses.

15 18. UTSI's senior management believed that the executive training programs helped  
16 UTSI obtain or retain business. In late 2002, UTSI's CEO and UTSI's Executive Vice President  
17 (who also served as CEO of UTS-China) approved increasing the budget for the programs in  
18 2003 to provide a specific executive training program for employees of UTSI's largest customer,  
19 a Chinese government-controlled telecommunications company.

20 **C. UTSI Provided Employment Benefits to Customers or Their Family Members.**

21 19. On at least ten occasions between 2001 and 2005, UTSI provided or offered full-  
22 time employment with UTSI in the U.S., including salaries and other benefits, to employees of  
23 government customers or their family members in China and Thailand. These offers were made  
24 for the purpose of obtaining or retaining business from the customers.

25 20. UTSI paid and provided benefits to at least three of these individuals for a period  
26 of two years each as if they were real employees, even though they never worked for UTSI in  
27 any capacity. Phony annual performance reviews were placed in personnel files for the  
28

1 individuals to document their employment, and UTSI improperly accounted for the payments to  
2 the individuals as employee compensation.

3 21. UTSI also sponsored permanent U.S. residency applications falsely stating that  
4 these three individuals would be full-time employees of UTSI in New Jersey. As a result, each  
5 of the individuals received a green card.

6 **D. UTSI Paid for Gifts and Entertainment Expenses of a Government Customer in**  
7 **Thailand.**

8 22. In 2004, as part of its effort to expand its business outside China, UTSI submitted  
9 a bid for a sales contract to a government-controlled telecommunications company in Thailand.

10 23. While UTSI's bid was under consideration, UTSI's general manager in Thailand  
11 spent nearly \$10,000 on French wine as a gift to agents of the government customer, including  
12 rare bottles that cost more than \$600 each. The manager also spent \$13,000 for entertainment  
13 expenses for the same customer in an attempt to secure the contract.

14 24. UTSI's former Executive Vice President and CEO of UTS-China approved the  
15 payments. UTSI reimbursed the expenditures and accounted for them as marketing expenses.

16 **E. UTSI Paid Consultants to Bribe Government Officials.**

17 25. In 2005, UTSI attempted to expand its business into Mongolia. UTSI's Executive  
18 Vice President and CEO of UTS-China at that time authorized a \$1.5 million payment to a  
19 Mongolian company pursuant to a purported consulting agreement and told UTSI's Board of  
20 Directors that the \$1.5 million was a license fee paid to the Mongolian government.

21 26. UTSI did not maintain records showing what services, if any, were actually  
22 provided under the consulting agreement. UTSI accounted for the entire \$1.5 million as a  
23 license fee.

24 27. In reality, the license fee was only \$50,000. UTSI agreed to work with the  
25 Mongolian company and pay the \$1.5 million because the Mongolian company had government  
26 connections. UTSI's Executive Vice President and CEO of UTS-China knew that the \$1.5  
27 million payment was not a license fee and that the Mongolian company used a portion of that  
28

1 \$1.5 million to make payments to at least one Mongolian government official to help UTSI  
2 obtain a favorable ruling in a dispute over its license.

3 28. In early 2007, UTSI's former Executive Vice President and CEO of UTS-China  
4 authorized a \$200,000 payment to a Chinese company pursuant to a purported consulting  
5 agreement. Although the payment was accounted for as a consulting expense, no records were  
6 maintained describing what services, if any, were actually provided. In reality, it was a sham  
7 consulting company and the payment was made as part of an effort to obtain a contract from a  
8 Chinese government customer.

9 **F. UTSI Later Implemented Remedial Measures to Improve FCPA Compliance.**

10 29. In 2006, after learning of alleged bribe payments in Mongolia, UTSI's audit  
11 committee conducted an internal investigation into potential FCPA violations, which UTSI  
12 expanded in 2007 and 2008 to cover all of its operations worldwide. As a result of the internal  
13 investigation, UTSI has adopted new FCPA-related policies and procedures, hired additional  
14 finance and internal compliance personnel, implemented stronger internal accounting controls,  
15 and conducted FCPA training at all of its major offices around the world. UTSI's former  
16 Executive Vice President and CEO of UTS-China, who resides in China, has not been affiliated  
17 with UTSI or its subsidiaries in any capacity since 2007.

18 **FIRST CLAIM FOR RELIEF**

19 *Violations of Section 30A of the Exchange Act (Anti-bribery Provision of the FCPA)*  
20 *[15 U.S.C. § 78dd-1]*

21 30. The Commission realleges and incorporates by reference paragraphs 1 through  
22 29.

23 31. As described above, UTSI made or authorized payments in the form of money,  
24 gifts or other things of value, to foreign officials for the purpose of influencing their official acts  
25 and decisions and inducing them to use their influence to assist UTSI in obtaining or retaining  
26 business. Throughout the relevant period, the recipients of these offers and payments were  
27 foreign officials within the meaning of the FCPA, and the relevant foreign telecommunications  
28 companies were instrumentalities of foreign governments within the meaning of the FCPA.

I.

Issue an order permanently restraining and enjoining UTSI and its agents, servants, employees, attorneys, and all persons in active concert or participation with them who receive actual notice of the order by personal service or otherwise from violating, directly or indirectly, Sections 13(b)(2)(A), 13(b)(2)(B) and 30A of the Exchange Act [15 U.S.C. §§ 78m(b)(2)(A), 78m(b)(2)(B) and 78dd-1].

II.

Issue an order directing UTSI to pay a civil monetary penalty pursuant to Sections 21(d)(3) and 32(c) of the Exchange Act [15 U.S.C. §§ 78u(d)(3) and 78ff(c)].

III.

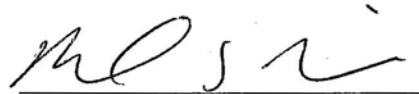

Retain jurisdiction of this action in accordance with the principles of equity and the Federal Rules of Civil Procedure in order to implement and carry out the terms of all orders and decrees that may be entered, or to entertain any suitable application or motion for additional relief within the jurisdiction of this Court.

IV.

Grant such further relief as this Court may determine to be just and necessary.

Dated: December 31, 2009

Respectfully submitted,

Marc J. Fagel  
Michael S. Dicke  
Tracy L. Davis  
Steven D. Buchholz
