**FROM:** Bill Green

**DATE:** January 11, 2011

**SUBJECT:** *Freedom of Information Act (FOIA) request*

Dear Ms. Riehle:

This is a request pursuant to the *Freedom of Information Act (FOIA)*.

Please send me a copy of any agreement the Department of Energy (DOE) has in place that commits the DOE Richland Operations Office (RL) and Office of Radiation Protection (ORP) to be subject to Revised Code of Washington (RCW) 70.98 (the *Nuclear Energy and Radiation Act*) and/or Washington Administrative Code (WAC) 246-247. This FOIA request is specific to RCW 70.98 and/or WAC 246-247 and does not include the waiver of sovereign immunity contained in the federal *Clean Air Act (CAA)* [see CAA § 118; 42 U.S.C. 7418].

The DOE-RL/ORP air operating permit (Number: 00-05-006 Renewal 1) includes a radioactive air emissions license (# FF-01). This license was issued and is enforced pursuant to WAC 246-247 as authorized by RCW 70.98.

Thank you in advance for honoring my FOIA request.
