

# WORKSHOP AGENDA

## HANFORD CLEANUP ALONG THE COLUMBIA RIVER

The U.S. Department of Energy, the U.S. Environmental Protection Agency, and the Washington State Department of Ecology – the Tri-Party Agreement agencies – are hosting regional workshops on Hanford cleanup along the Columbia River (known as the River Corridor).

The objectives of this workshop are to:

- Provide a learning environment for participants and set context for the upcoming cleanup decisions along Hanford's River Corridor
- Foster opportunities for dialogue between agency representatives and the public
- Address questions and identify key points of interest from the public and stakeholder groups
