q. EEOICPA Requirements

1. Performance Objective No. C.9.q.1. – The Contractor shall:

i. Contribute to the achievement of DOE's goal to provide Hanford EEOICPA claimants with Hanford related information necessary for the claimants to receive complete and fair claims adjudication with the Department of Labor.

ii. Prepare a comprehensive evaluation of potential opportunities available to assist Hanford EEOICPA claimants in obtaining the information necessary to receive a complete and fair claims adjudication with the Department of labor. This evaluation should include both obvious and innovative solutions to assist Claimants. The Contractor's evaluation shall include, but not necessarily be limited to providing:

- A. Clearinghouse of information relating to known contaminants, known hazards, etc. at Hanford;
- B. Medical diagnosis for current workers;
- C. Medical diagnosis, medical screening tests, or other medical support to current/former workers; and
- D. Outreach and/or education within the local and/or regional medical community, including DOL/NIOSH professionals, and/or claimants to claimants/and/or potential claimants.

iii. This evaluation will be conducted in two phases and should include recommendations on any activities that are proposed for implementation, along with a proposed cost and schedule for approval. Phase I will be a comprehensive plan to address Section C.9.q.1.ii to be submitted NLT August 31, 2009. Costs to conduct Phase II shall be included in the Phase I plan. Phase II will be a comprehensive evaluation of the elements of the plan to include but not limited to the elements identified in Section C.9.q.1.ii. Upon review and acceptance of the evaluation plan by DOE-RL, a Change Order to the contract to implement Phase II will be processed by DOE and Contractor shall be prepared to execute Phase II at the start of FY 2010. This evaluation should also include a description of those activities evaluated, but deemed inappropriate, medically unethical or inappropriate, out of contract scope, or not feasible due to other concerns.

C.10 Accreditation Requirements

- a. Necessary Condition No. C.10.a. - The Contractor shall:
 1. Achieve and maintain accreditation for occupational health services from the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), or the Accreditation Association for Ambulatory Health Care (AAAHC), in accordance with the Contractor's accreditation plan, and
 2. Achieve such accreditation no later than 24 months after the beginning of the contract performance period.

- b. Necessary Condition No. C.10.b. - The Contractor shall:
 1. Submit to the DOE Program manager all communications to and from the JCAHO or the AAAHC, including but not limited to, all Type I and Type II recommendations, reports, letters and comments from surveyors and other accrediting officials.
 2. Submit to the DOE Program Manager an action plan with timelines outlining how all Type I (or high priority) recommendations will be corrected with monthly progress reports until all Type I recommendations have been corrected to the satisfaction of the accrediting body and the DOE Program Manager.
 3. Submit a similar plan (see C.5.b.17.ii.B above) for correcting all Type II (or secondary priority) recommendations with monthly progress reports until the Type II recommendations have been corrected to the satisfaction of the DOE Program Manager.

Note: While Type I recommendations are most critical, and must be addressed as a priority of the program, Type I and Type II recommendations may be addressed concurrently if appropriate.

4. Submit all quality indicators submitted to the JCAHO or AAAHC, to the DOE Program Manager.
