MEMORANDUM FOR DIRECTOR, DODDS-EUROPE  
DIRECTOR, DODDS-PACIFIC AND DDESS GUAM  
DIRECTOR, DDESS AND DODDS CUBA

SUBJECT: School Calendar for SY 2009-2016

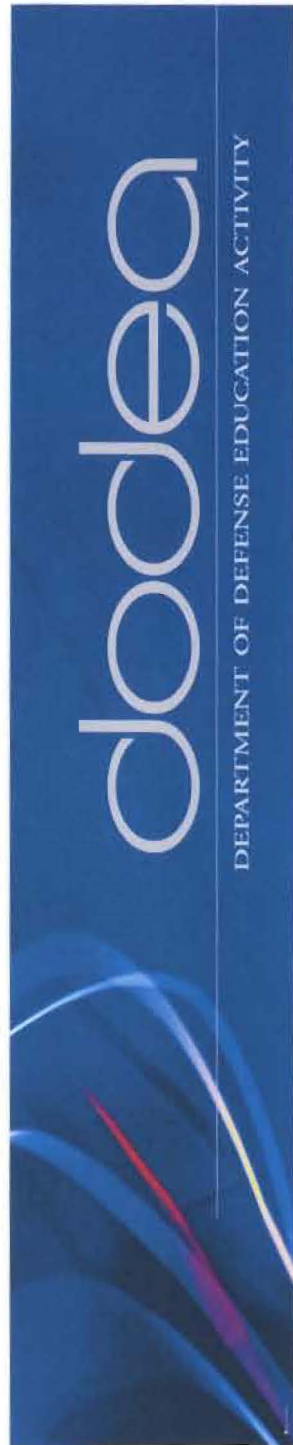

Attached is the School Calendar for SY 2009-2016. DoDEA builds a master overseas school calendar every 5 years with a basis of 183 instructional days and an additional 7 teacher instructional days. At the heart of the calendar are the first and last day of school, and the holiday break. The break has consistently included 3 weekends, 8 vacation days, 2 holidays, and the last day of instruction (before the break) allows for sufficient time for travel to CONUS from overseas. Additionally, the break has started at the end of a week as mid-week breaks find students/staff taking additional days to further extend the break.

In April 2009, DoDEA hosted a meeting with representatives from the Services and commands to discuss a plan for the next 5 years. The only alteration to the above mentioned standard is the holiday break in December 2011. That year December 25th falls on a Sunday, the last day of instruction would be December 23rd. This would make it virtually impossible for families to make reasonable travel arrangements for the holiday vacation. Moving the break one week earlier, to December 16th, would create 9 vacation days versus the normal 8 days. The solution, for this year only, is to have teachers start one day earlier adding a Professional Day (traded from later in the School Year) and students would attend school on the traded Professional Day.

This schedule is approved for SY 2009-2016.

  
Dr. Shirley A. Miles  
Director
