Notification Published of the Imposition of Conditions of Entry for Certain Vessels Arriving to the United States from the Republic of Yemen

The Coast Guard today published a notice in the *Federal Register* announcing the imposition of conditions of entry on vessels arriving from the Republic of Yemen, with the exception of vessels arriving from the Ash Shihr Terminal, the Balhalf LNG Terminal, and the Port of Hodeidah. The Coast Guard determined that ports in the Republic of Yemen are not maintaining effective anti-terrorism measures and notified the Republic of Yemen of this determination on December 18, 2011. The Coast Guard identified steps necessary to improve the anti-terrorism measures in place at the respective ports but the Republic of Yemen has not offered a response.

The Notice and related materials may be reviewed at <http://www.regulations.gov> docket number: USCG-2012-0279.

For more information, please contact Mr. Michael Brown, Chief, International Port Security Evaluation Division, Commandant (CG-5141), U.S. Coast Guard, at (202) 372-1081.
