1. PURPOSE. This policy letter provides guidance on qualifications for, and issuance of, GMDSS endorsements to International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, 1978, as amended, (STCW) certificates for licensed mariners and radio officers.
2. ACTION. Commanding Officers of units with marine safety responsibilities should bring this policy letter to the attention of the maritime industry with interests in marine personnel issues and to institutions that offer U. S. Coast Guard approved training. This policy letter will be distributed by electronic means only. It is available on the World Wide Web at <http://www.uscg.mil/STCW/m-policy.htm>.
3. DIRECTIVES AFFECTED. National Maritime Center Policy Letter 2-99 is superseded and cancelled.
4. BACKGROUND.
 - a. The 1995 amendments to the STCW require the master and all navigational watch officers onboard vessels required to be GMDSS compliant to hold an STCW-95 certificate endorsed as operator in the GMDSS system. In addition, any shipboard personnel with assigned duties in the operation of the GMDSS must have the appropriate STCW certificate endorsements.
 - b. Sea-going vessels voluntarily relying on the at-sea maintenance provision of the GMDSS must have onboard a trained person designated to perform at-sea maintenance of GMDSS installations). This individual must hold an STCW certificate endorsed as GMDSS Maintainer.
