FOREIGN PRODUCERS'/EXPORTERS' QUESTIONNAIRE CIRCULAR WELDED CARBON-QUALITY STEEL PIPE FROM CHINA

Return completed questionnaire to:

UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615 500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than June 21, 2007

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its countervailing and antidumping duty investigations concerning circular welded carbon-quality steel pipe from China (inv. Nos. 701-TA-447 and 731-TA-1116 (Preliminary)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII.

World W	/ide Web address
	Firm produced or exported circular welded carbon-quality steel pipe (as defined in the instruction booklet) at ince January 1, 2004?
\square_{NO}	(Sign the certification below and promptly return only this page of the questionnaire to the Commission)
YES	(Read the instruction booklet carefully, complete all parts of the questionnaire, sign the certification, and return the entire questionnaire to the Commission)

PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

reply to this questionnaire and completing the form. hoursdollars
We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.
Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.
Please provide the names, street addresses (not P.O. boxes), contacts, telephone numbers, and email addresses of the <u>FIVE</u> largest U.S. importers of your firm's circular welded pipe in 2006.
Does your firm or any related firm produce, have the capability to produce, or have any plans to produce circular welded pipe in the United States or other countries?

PART I.--GENERAL QUESTIONS--Continued

I-5.	Does your firm or any related firm import or have any plans to import circular welded pipe into the United States?
	No YesPlease name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact Cynthia Trainor (e-mail: cynthia.trainor@usitc.gov) for copies of that questionnaire).
PART	TIITRADE AND RELATED INFORMATION
II-1.	Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of circular welded pipe in China?
	YesPlease describe those plans, including planned dates and capacity/ production quantities involved, and the reason(s) for such change(s). If the plans are to add or expand capacity or production, list (in descending order of importance) the markets (countries) to which such additional capacity or production would be directed.
II-2.	What percentage of your firm's total sales in its most recent fiscal year was represented by sales of circular welded pipe?
