Re: Request to Provide Information Pursuant to the Clean Air Act

Dear Mr. Garlow,

Mesteña Uranium, L.L.C. is in receipt of EPA's May 5, 2009 letter requesting Mestena to provide information associated radon emissions from solar evaporation ponds.

By this letter, Mesteña Uranium, L.L.C. is informing EPA that there are no solar evaporation ponds at its in situ recovery (ISR) facility located in south Texas. As a result, the responses to all seven (7) questions outlined in Appendix B, Test Procedures and Data Collection Requirements, are not applicable to Mesteña Uranium, L.L.C.

I certify under penalty of law that I have examined and am familiar with the information in the enclosed documents, including all attachments. Based on my inquiry of those individuals with primary responsibility for obtaining the information, I certify that the statements and information are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines or imprisonment pursuant to section 113(c)(2) of the Act, and 18 U.S.C. §§ 1001 and 1341.

Please contact me at 361-884-2191 if you have any questions regarding this submittal.

Sincerely,

William Paul Goranson, P.E.
Vice President
