

Effective January 24, 2006 the Great Basin Cache Warehouse will discontinue printing or stocking NFES 1276, the National Mobile Food Services Contract

The National Mobile Food Services Contract will henceforth be made available to all interested parties on our Internet website at www.fs.fed.us/fire/contracting

The on-line version of this contract will no longer carry the designation of NFES 1276.

Pre-existing quantities of these publications within the cache system will continue to be used to fill orders for these until supplies of these are depleted.
