### **Deadline for Dealers to File CARS Applications Extended Until Noon, Tuesday**

Due to an overwhelming demand on the CARS computer system, the deadline for automobile dealers to file applications for rebates has been extended until noon tomorrow. [The deadline for actually completing sales remains 8:00 p.m. today.](#)

Despite a large increase in the system's capacity, the website was down temporarily this afternoon. Because of the temporary shutdown, dealers have been given extra time to file the necessary paperwork.
