

CHAPTER 22-4 1- ARCHITECT/ENGINEER DESIGN GUIDE

22-4.1 INTRODUCTION

This chapter establishes the Architect/Engineer (A/E) Guide as the Indian Health Service (IHS) standard to provide guidance for the development of IHS construction program design documents, specifications, and other contract documents. The A/E guide also provides guidance for architectural and engineering design features, for submittals of various design documents and for supplemental information to other chapters in the Technical Handbook for Environmental Health and Engineering.

22-4.2 REFERENCE STANDARDS

The Indian Health Service the most recently approved Architect/Engineer (A/E) Guide is available at <http://www.des.ihs.gov/Documents/EADocs/FINAL%20content%20AE%20Design%20Guide%202010%206.3.2.pdf>
