## CIVIL PROCEEDINGS

---

### COMPLAINT NAMES PURCHASING CONSULTANTS, INC., OTHERS

The Chicago Regional Office filed a complaint on March 29 in the U.S. District Court for the Northern District of Ohio, Western Division, seeking injunctive relief against Purchasing Consultants, Inc. (PCI), an Ohio corporation, Richard H. Reed, Joseph L. Souliere and Marvin Losie, of Toledo, Ohio. The complaint alleges violations of the registration and antifraud provisions of the securities laws in the offer and sale of PCI securities.

The complaint alleges that from January 1980 through August 1983, PCI, Reed, Souliere and Losie defrauded investors and prospective investors in the offer and sale of PCI securities. The complaint also alleges that the defendants made misstatements and omissions of material facts stating that PCI was never a profitable operation and that it could not survive without raising additional funds from investors.

The complaint seeks a preliminary and permanent injunction against the defendants from further violations of the registration and antifraud provisions of the securities laws in the offer and sale of securities issued by PCI or any other issuer. (SEC v. Purchasing Consultants, Inc., et al., Civil Action No. C 84-7293, N.D. OH, Western Division, filed March 29, 1984). (LR-10324)
