COMMISSION ANNOUNCEMENTS

COMMISSION ISSUES STAFF REPORT ON THE "SILVER CRISIS" OF 1980

The Commission today transmitted to Congress a staff report on the "silver crisis" of 1980. The report is the product of an extensive investigation focusing on the events that surrounded the crisis caused when defaults on silver market commitments by certain parties threatened to disrupt seriously the U.S. financial system. The report includes an introduction and summary, an overview of Hunt family activity in the silver market, descriptions of the activities of six broker-dealers involved in the crisis, a discussion of the oversight activities of the New York Stock Exchange and an analysis of the legal and policy implications of the crisis, including recommendations. After analyzing the staff recommendations, the Commission will consider what Commission action or legislative recommendations, if any, should follow. (Press Release 82-53)

GARY LYNCH APPOINTED ASSOCIATE DIRECTOR OF ENFORCEMENT

John M. Fedders, Director of the Division of Enforcement, announced the appointment of Gary Lynch as Associate Director of the Division. Mr. Lynch will have primary responsibility for those investigations and enforcement activities relating to regional office assistance, corporate finance, investment management, municipal securities, organized crime and criminal reference.

Mr. Lynch, 32, graduated from Duke University Law School in 1975 and became an associate with a Washington, D.C. law firm in that year. He joined the Commission's staff in 1976 as an attorney in the Division of Enforcement. CRIMINAL PROCEEDINGS

PERRY DON SEANEY INDICTED AND SENTENCED

The U.S. Attorney for the Eastern District of Louisiana and the Atlanta Regional Office announced that a Federal Grand Jury in New Orleans, Louisiana, returned a 37-count indictment against Perry Don Seaney, currently of New Orleans, Louisiana, charging him with ten counts of wire fraud, 20 counts of mail fraud and six counts of selling unregistered securities in the form of stocks and bonds in connection with his operation of a scheme to defraud investors.

The indictment alleges, among other things, that Seaney created and operated two affiliated entities. G-Mae Corporation and T-Bon, Ltd., through which he offered and sold unregistered securities of G-Mae to, and accepted money from, numerous individuals located throughout the United States including, but not limited to, the States of Louisiana, Texas, Alabama, Mississippi and Minnesota. The indictment further alleges that Seaney induced individuals to tender money to him by means of false and fraudulent pretenses, representations, and promises concerning the nature of the investment and the use of proceeds; when, in fact, Seaney misappropriated such funds for his personal use and benefit. Thereafter, to avoid detection of his scheme, to lull investors into a false sense of security, and to induce further investments, Seaney mailed newsletters to investors containing false information about the condition of their investments.

Based upon Seaney's guilty plea to two counts of wire fraud, the Honorable Veronica Wicker, U.S. District Judge for the Eastern District of Louisiana, sentenced him to one year of imprisonment for each count to run concurrently, and ordered him remanded to the custody of the Attorney General of the United States, or his authorized representative, to begin serving his sentence. (U.S. v. Perry Don Seaney, U.S.D.C. E.D. La., CR-82-109-L). (LR-9784)
