## ADMINISTRATIVE PROCEEDINGS

### C. JOSEPH MANFREDO CITED

Public administrative proceedings have been instituted under the Securities Exchange Act of 1934 against C. Joseph Manfredo of Westport, Connecticut. The Order for Proceedings alleges that Manfredo wilfully violated the registration provisions of the Securities Act of 1933 and the antifraud provisions of the Securities Act and the Exchange Act in the offer and sale of the common stock of Commodity Management Systems International, S.A. (CMSI), a now dissolved Panamanian corporation that was located in the Bahamas.

Simultaneously with the institution of the proceedings, the Commission accepted an Offer of Settlement submitted by Manfredo in which he consented to the entry of findings, and without admitting or denying the Commission's allegations, consented to a suspension from association with any broker, dealer, investment adviser, investment company, or municipal securities dealer, for a period of 12 months and an undertaking to file an affidavit of compliance with the Commission.

Specifically, the Commission made findings that during the period from in or about July 1979 to in or about January 1981, Manfredo offered and sold CMSI securities without having a registration statement filed or in effect as to said securities and induced public investors to purchase such securities by fraudulent acts including, among other things, organizing and operating CMSI as a pooled trading account in violation of his employer's directives, concealing his involvement in CMSI from his employer and investors, and omitting to tell investors the risks involved.
