## RULES AND RELATED MATTERS

### U.S. SECURITIES AND EXCHANGE COMMISSION

#### PROPOSALS TO IMPROVE THE DISSEMINATION AND DISPLAY OF MARKET INFORMATION

The Commission has announced the proposal of the regulatory initiatives designed to improve the manner in which last sale data and quotation information are disseminated and displayed. The first proposal would amend Rule 17a-15 under the Securities Exchange Act of 1934 and would: (1) redesignate that Rule as Rule 11Aa3-1 under the Act; (2) eliminate (subject to certain conditions) the existing prohibition on retransmission of last sale data for purposes of creating a moving ticker display; and (3) set forth procedures for amending transaction reporting plans filed under the Rule. (Rel. 34-15250)

The second proposal is a new proposed Rule 11Ac1-2 under the Act which would set forth comprehensive requirements regulating the manner in which vendors display market information, including requirements that vendors: (1) provide access to consolidated last sale and quotation information in reported securities by the simplest and most prominent inquiry; (2) make available any individual market center displays which are provided to subscribers by inquiries involving an equal number of key strokes; (3) provide, on a consolidated basis, all categories of market information (such as open, high, low, close) for reported securities as are provided on an individual market basis; (4) provide a display of the best bid and best offer for all reported securities and unlisted securities as to which quotation or last sale data is disseminated in an electronic inter-dealer quotation system owned or operated by an association; and (5) prohibit the display of representative quotations in those securities. (Rel. 34-15251)

The foregoing proposals are responsive to certain concerns regarding the operation of the consolidated transaction report system raised by the Commission in its January 26 statement setting forth those initiatives which should be taken during 1978 to facilitate the establishment of a national market system. The proposals would also complement Rule 11Ac1-1 under the Act, pursuant to which national securities exchanges and associations are required to make available to vendors quotations in reported securities.

## COMMISSION ANNOUNCEMENTS

#### COMMISSIONER KARMEL SPEAKS BEFORE THE PUBLIC SECURITIES ASSOCIATION

Commissioner Karmel spoke before the Public Securities Association in Marco Island, Florida, on Friday, October 20, 1978. The title of her address was "What Should be the Role of the SEC in the Public Securities Markets?"

#### FILING OF PROPOSED AMENDMENTS TO CONSOLIDATED TAPE PLAN

The Commission has noticed for public comment proposed amendments to various sections of the joint industry plan governing the consolidated transaction reporting system filed pursuant to Rule 17a-15 under the Securities Exchange Act of 1934. The proposed amendments would (a) establish procedures to be followed in recommending dissemination on a current and continuous basis of last sale reports in any eligible security which is subject to a regulatory halt, (b) decrease charges to vendors for access to the Network A high speed line, (c) require the deletion of market identifiers from moving ticker displays as soon as technically feasible and permit the deletion of market identifiers from consolidated displays available through vendor interrogation

devices, (d) eliminate or reduce certain subscriber charges to plan participants, and (e) permit the dissemination through the consolidated system of last sale reports in securities not currently eligible for reporting in the consolidated system. (Rel. 34-15253)

DELEGATION OF AUTHORITY TO THE DIRECTOR  
OF THE DIVISION OF MARKET REGULATION

The Commission has amended its regulations governing delegation of authority with respect to the Securities Exchange Act of 1934 to delegate authority under Rule 17a-15 to the Director of the Division of Market Regulation to approve amendments to the joint industry plan governing the consolidated transaction reporting system declared effective by the Commission on May 10, 1974, pursuant to such Rule. (Rel. 34-15249)

### REMAINING DIMENSIONAL DEFENDANTS SENTENCED

The New York Regional Office announced the October 10 sentencing of Michael D. Yordon, Paul L. Huntsman, Susan E. Smith, and Robert J. Maietta. U.S. District Judge Lloyd F. MacMahon sentenced Yordon to a one year prison term without the possibility of parole. Huntsman was sentenced to a two year prison term; execution of the sentence was suspended and he was placed on parole for a period of two years. Pursuant to the provisions of the Federal Youth Correction Act, Judge MacMahon suspended imposition of sentence upon Smith and she was placed on probation for a period of three years.

The sentences were imposed as a result of pleas of guilty by Huntsman on April 6 and Yordon and Smith on April 7 to one count in satisfaction of three counts of an indictment originally returned on March 2. The subject count charged them with conspiracy to provide false and misleading information to the Commission and a federal grand jury in an effort to obstruct an investigation into transactions in the securities of Dimensional Entertainment Corporation.

Maietta was sentenced to three years on each of two counts of an information, the sentences to be served concurrently. Judge MacMahon suspended execution of sentence and placed Maietta on probation for a period of three years provided he continues to make restitution to his customers in accordance with the Probation Department's direction. The sentence was imposed as a result of Maietta pleading guilty on March 28 to a two count information charging him with perjury during a Commission investigation into Dimensional's securities.

In a related civil action entitled SEC v. Dimensional Entertainment Corporation, 77 Civil 5290, S.D.N.Y., Maietta on April 25 and Yordon and Smith on May 11, consented to the entry of judgments permanently enjoining them from further violations of the registration and antifraud provisions of the securities laws. (U.S. v. Michael D. Yordon, Paul L. Huntsman, and Susan E. Smith, 78 Crim. 141 [LFM] and U.S. v. Robert J. Maietta, 78 Crim. 208 [LFM]). (LR-8570)

### NOTICE OF EFFECTIVENESS OF PROPOSED RULE CHANGES

The Chicago Board Options Exchange, Inc. has filed proposed rule changes which have become effective under Section 19(b)(3)(A) of the Securities Exchange Act of 1934: (SR-CBOE-78-29) to designate the Chairman of the Board as the Exchange's full-time Chief Executive Officer and the President of the Exchange as its Chief Operating Officer; designate the position of the Chairman of the Executive Committee as that of the principal Exchange member; and modify the composition of the Board by adding one more public director and by assuring that six places on the Board which are reserved for member firm executives are filled by executive officers of organizations primarily engaged in doing public customer business. (Rel. 34-15261) and (SR-CBOE-78-28), in the form of an Educational Circular, which provides guidance and interpretation to CBOE members with respect to CBOE Rule 4.1 and its application to the practice known as "front-running of blocks." (Rel. 34-15262)

Publication of the above proposals are expected to be made in the Federal Register during the week of October 23.

### APPROVAL OF PROPOSED RULE CHANGE

The Commission has approved proposed rule changes G-17 through G-22, G-24 through G-27, G-29 through G-33, D-9 through D-11, and an amendment to rule G-13 which were filed by the Municipal Securities Rulemaking Board (SR-MSRB-77-12). The proposed rule change, in general, attempts to codify basic standards of fair and ethical business conduct for municipal securities professionals. (Rel. 34-15247)
