The Commission released today corrections to the interim rules that were originally published Thursday, March 18, 1993 (58 FR 14628). The interim rules relate to the implementation of the Commission's Electronic Data Gathering, Analysis and Retrieval (EDGAR) system.

These rules are effective as of April 26, 1993, except entry number 27 in the Exhibit Tables to Item 601 of Regulations S-K and Regulation S-B, relating to the Financial Data Schedule, which will be effective on November 1, 1993. ADMINISTRATIVE PROCEEDINGS

GREGORY MAXCY SANCTIONED

The Commission has issued an Order Making Findings and Imposing Remedial Sanctions against Gregory Maxcy. Simultaneously, the Commission accepted an Offer of Settlement from Maxcy under which he consented, without admitting or denying, to the findings contained in the Commission's Order. Additionally, Maxcy consented to being barred from the securities industry with the right to reapply after five years.

On the basis of the Order and the Offer of Settlement, the Commission found that between 1985 and March 1986, Maxcy fraudulently sold unregistered shares of the preferred stock of Equity Management Associates (EMA). The Order further found that Maxcy misrepresented or omitted statements of material facts, concerning among other things, EMA's financial condition, related party transactions, use of offering proceeds and the degree of risk and profitability of the investment. Maxcy was an officer and director of EMA. (Rel. 34-32245)
