COMMISSION ANNOUNCEMENTS

PENDING CHANGE IN THE 6(b) FEE CALCULATION PERCENTAGE

Registrants should be aware that the conference report on the SEC's 1994 appropriation, which is now pending before Congress, changes the filing fee rate pursuant to Section 6(b) of the Securities Act of 1933 to 1/29th of one percent from the current fee rate of 1/32nd of one percent. This new rate will be effective immediately upon its enactment, and any subsequent 6(b) filings paid at the old rate will not be accepted. The Commission will monitor this legislation and make an immediate announcement once the bill is signed into law.

CIVIL PROCEEDINGS

COMPLAINT FILED AGAINST PRUDENTIAL SECURITIES INCORPORATED

The Commission today announced that it has filed a complaint in the United States District Court for the District of Columbia against Prudential Securities Incorporated (PSI), and that it has also instituted an administrative proceeding charging the firm with wide-ranging violations of the federal securities laws involving, among other things, PSI's sales practices and offer and sale of limited partnerships and other investments during the 1980's.

Simultaneous with the filing of the complaint and the institution of the administrative proceeding, and without admitting or denying the allegations therein, PSI consented to the entry of a Final Order of the federal district court requiring it to pay all valid claims presented through a court-supervised claims resolution process. PSI consented to pay \$330 million to establish a fund for the benefit of defrauded investors, and to pay all additional valid claims in excess of the \$330 million in the fund.

PSI also consented to the entry of a Commission Order that imposes a \$10 million penalty on the firm and requires the firm to adopt remedial measures designed to prevent future violations of the federal securities laws. [SEC v. Prudential Securities Incorporated, USDC, DC, Civil Action No. 93 Civ 2164 (HHG)] (LR-13840)
