CIVIL PROCEEDINGS

COMPLAINT NAMES THE INTERNATIONAL MINING EXCHANGE, INC., OTHERS

The Denver Regional Office announced that on September 12 a complaint was filed in the U.S. District Court for the District of Colorado seeking to enjoin The International Mining Exchange, Inc. (Mining), Trenton H. Parker & Associates, Inc., Mansion Properties Corporation, Mansion Properties Management Corporation, and Trenton H. Parker (Parker), all of Denver, Colorado, from violating the registration and antifraud provisions of the Securities Act of 1933, and certain of the antifraud provisions of the Securities Exchange Act of 1934, and rules promulgated thereunder; and to enjoin Trenton H. Parker Associates, Inc. and Parker from violating certain of the filing and reporting provisions of the Exchange Act and rules promulgated thereunder.

The complaint alleges that in connection with the offer and sale of Mining securities, namely investment contracts in the form of a "gold tax shelter investment program," Mining and Parker made untrue statements of material fact to effect that (1) investors in Mining would acquire a leasehold interest in mining concessions, (2) investors would profit from gold to be mined, and (3) investors could take a 50% federal income tax deduction based on mining developmental expenses incurred on the investor's behalf. The complaint also alleges that Parker and Mining omitted to inform investors that (1) some purchasers of the investment contracts acquired no interest in any gold concession, (2) no payments were made on behalf of the purchasers for mining developmental expenses, and (3) the purchaser's investments were diverted by Mining and Parker to uses unrelated to mining developmental expenses.

The complaint further alleges that Trenton H. Parker & Associates, Inc., Mansion Properties Corporation, Mansion Properties Management Corporation, and Parker violated the registration and antifraud provisions of the securities laws in the offer and sale of limited partnership interests. In addition, the complaint alleges that Trenton H. Parker and Associates, Inc. and Parker failed to file certain required reports in violation of the reporting provisions of the Exchange Act and rules promulgated thereunder. (SEC v. The International Mining Exchange, Inc., et al., USDC, Colo., Civil Action No. 80-1198). (LR-9181)
