### PROPOSED REVISION OF REGULATION S-K AND GUIDES FOR THE PREPARATION AND FILING OF REGISTRATION STATEMENTS AND REPORTS

The Commission has approved the issuance of a release requesting comment upon proposed revision of Regulation S-K and the Guides for the Preparation and Filing of Registration Statements and Reports (the Guides). The proposals would (1) categorize by subject matter Regulation S-K, the repository of standard instruction for disclosure under the Securities Act of 1933 and the Securities Exchange Act of 1934; and (2) expand that Regulation by adding uniform disclosure requirements with respect to the distribution of securities. Registration statement forms would also be revised to incorporate by reference such uniform disclosure requirements. The proposals would also (1) eliminate the Guides, with the exception of the Guides for disclosure by registrants in a particular industry; and (2) incorporate certain of the requirements thereof into Regulation S-K, Regulation C (the rules governing the registration of securities under the Securities Act), and the General Rules and Regulations under the Securities Act and the Exchange Act. These proposals would eliminate out-moded and duplicative requirements, would enhance the integration of disclosure systems by consolidating and organizing disclosure provisions in Regulation S-K, and would consolidate procedural provisions in general rules and regulations.

All comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before March 6, 1981, and should refer to File No. S7-869. All comments will be available for public inspection. (Rel. 33-6276)

FOR FURTHER INFORMATION CONTACT: Elizabeth Norsworthy at (202) 272-2390 or Beverly Rubman at (202) 272-2604 or, with respect to market-related matters, Carlos Morales at (202) 272-2878

### SEPARATE REPORTS OF OTHER ACCOUNTANTS; AMENDMENTS TO PROXY RULES AND REGULATION S-X

The Commission has authorized the publication of a release requesting comments on proposed rule amendments which would eliminate requirements for inclusion of separate reports of other accountants in annual reports to security holders when part of an examination of financial statements is made by an independent accountant other than the principal accountant of the registrant or when prior period financial statements are examined by a predecessor accountant. Also, amendments to Schedule 14A are proposed which would clarify when financial statements may be incorporated by reference into proxy or information statements from the annual report to security holders and under what circumstances financial statements in proxy or information statements may be omitted. The Commission has provided for the application of the proposed rule amendments prior to effectiveness.

Comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before March 15, 1981, and should refer to File No. S7-870. All comments will be available for public inspection. (Rel. 33-6277)

## CIVIL PROCEEDINGS

### OKC CORP. ENJOINED

The Fort Worth Regional Office announced that on December 16 Judge Robert M. Hill of the U.S. District Court for the Northern District of Texas, Dallas Division, entered an Order permanently enjoining OKC Corp., Dallas, Texas, from further violations of the periodic reporting and proxy provisions of the securities laws.

The complaint, filed on September 15, had alleged that since at least 1973, Cloyce K. Box, OKC's chief executive officer, pursuant to secret and undisclosed partnerships and business arrangements, caused OKC to purchase and sell substantial amounts of petroleum products through certain brokers who were his friends and business associates. Without admitting or denying any of the allegations in the complaint, OKC consented to the entry of the Order which, in addition to permanently enjoining it from further violations of the securities laws, provides that OKC shall continue to be subject to the terms of an Order entered by Judge Hill on November 25, requiring OKC to designate a special corporate committee to review each proposal for the sale, liquidation or other transfer of assets of OKC to assure compliance with the terms of the Plan of Liquidation and Dissolution of OKC as set forth in proxy solicitations to stockholders, and to assure that each sale, liquidation or transfer of assets is made without undisclosed conflicts of interest.

The Order does not include Cloyce K. Box of Dallas, Texas, who remains as a defendant in the case and is subject to the Order of Preliminary Injunction entered by Judge Hill on November 25. (SEC v. Cloyce K. Box and OKC Corp., N.D. Tex., Dallas Division, CA 3-80-1217D). (LR-9262)

### RONALD E. SPIEGEL ENJOINED

The Chicago Regional Office announced that on December 5 the Honorable John Powers Crowley entered a Final Judgment and Order of Permanent Injunction against Ronald E. Spiegel. Spiegel consented to the injunction without admitting or denying the allegations in the Commission's complaint. The injunction arose from Spiegel's involvement in a \$25 million inventory and profit inflation scheme while employed with Cenco, Inc., a Chicago based corporation. Spiegel served as vice-president of Cenco, and president of Cenco Medical Health, a Cenco subsidiary.

In a parallel criminal action brought in the U.S. District Court for Northern Illinois, Spiegel was convicted of securities and mail fraud charges. He was sentenced to 30 months imprisonment, fined \$50,000, and placed on probation. Spiegel has appealed his conviction.

Entry of this order concludes over four years of Commission litigation against the 17 individuals and two corporation alleged to have committed the Cenco fraud. (SEC v. Cenco Incorporated, et al., N.D. Ill., Civil Action Nol 76 C 3258). (LR-9263)
