

## Health Care Facilities Construction Consultation

Posted on the IHS Director's Blog on July 6, 2012

Today, IHS is initiating a tribal consultation on the IHS health care facilities construction process. Here is the [letter](#) [PDF - 89KB] mailed to Tribal leaders and its [enclosure](#). [PDF - 45KB] Your comments and input are requested in writing by August 31, 2012 and should be submitted by e-mail at [consultation@ihs.gov](mailto:consultation@ihs.gov) or by postal mail to the Director, Indian Health Service, 801 Thompson Avenue, Suite 440, Rockville, Maryland, 20852.

We will also hold a workshop session on this topic at the upcoming Tribal Consultation Summit on August 7-8, 2012, in Denver, Colorado. We are working to confirm the hotel for the Summit and should have information by next week, but it is definitely in Denver for those of you who are making travel arrangements. As soon as it is confirmed, we will post the hotel information on the IHS Director's Blog and on our [web site](#) at [www.ihs.gov](http://www.ihs.gov) under "Tribal Consultation Summit".
