RULES AND RELATED MATTERS

DELEGATION AUTHORITY RULE AMENDMENT

The Commission has adopted an amendment to its rules governing delegation of authority. The amendment enables the Director of the Division of Market Regulation to disclose directly to the Treasury Department certain confidential information and documents regarding possible laundering of money through or by brokers or dealers, including broker-dealer compliance with the Currency and Foreign Transaction Reporting Act of 1970. (Rel. 34-28576)

COMMISSION ANNOUNCEMENTS

CHAIRMAN BREEDEN TO PARTICIPATE IN PRESS BRIEFING

Chairman Breeden will participate in a press briefing with the United States Attorney's Office in Newark, New Jersey, on Friday, October 26, at noon in the library, 970 Broad Street, Newark, New Jersey.

ADMINISTRATIVE PROCEEDINGS

CARL LAZZELL BARRED

The Fort Worth Regional Office announced that the Commission instituted public proceedings against Carl L. Lazzell (Respondent), formerly the portfolio manager of the Prospector Fund, one of a series of United Services Funds, Inc. Simultaneously, Lazzell submitted an Offer of Settlement consenting to the entry of an Order that contains findings that Lazzell wilfully violated and wilfully aided and abetted violations of various antifraud and other provisions of the federal securities laws in connection with a scheme alleged to have operated from May 1984 through September 1985. The scheme involved Respondent and two Canadian citizens, whereby they systematically looted Prospector by causing it to purchase approximately \$20 million of over-valued securities in companies secretly controlled by the two Canadians.

Lazzell and David H. Ward, one of the Canadians involved, were convicted of criminal charges in Canada growing out of their participation in the scheme. Criminal charges are pending in Canada against Edward J. Carter, the other Canadian involved. Lazzell was permanently enjoined on August 14, 1990, by the U.S. District Court in San Antonio, from further violations of the federal securities laws.

The Commission barred Lazzell from association with any broker, dealer, municipal securities dealer, investment adviser, or investment company. (Rel. IA-1260)

CIVIL PROCEEDINGS

GULF POWER COMPANY ENJOINED

The Atlanta Regional Office announced that, on September 24, Judge Winston Arnow of the U.S. District Court for the Northern District of Florida entered a Final Judgment of Permanent Injunction against Gulf Power Company (Gulf Power), a subsidiary of The Southern Company, a registered public utility holding company. In its complaint, the Commission alleged that Gulf Power directed its vendors to make indirect political contributions on its behalf in violation of the Public Utility Holding Company Act. Gulf Power concealed the reimbursements for the contributions on its books as various business expenses. The Commission alleged that Gulf Power made illegal political contributions, falsified its books and records and failed to maintain its books and records properly. Without admitting or denying the allegations in the complaint, Gulf Power consented to the entry of the injunction. [SEC v. Gulf Power Company, Civil Action No. 90-30286-WEA] (LR-12678)
