## DECISIONS IN ADMINISTRATIVE PROCEEDINGS

---

COMMAND FINANCIAL CORP. REVOKED, SAMUEL A. ALEXANDER, JR.,  
AND GEORGE R. WALKER BARRED

An order has been issued revoking the broker-dealer registration of Command Financial Corporation, of Washington, D.C., and barring Samuel A. Alexander, Jr., president and a director of Command, and George R. Walker, vice president, secretary-treasurer and a director of Command from association with any broker or dealer. The sanction was based on findings that from December, 1970 to January, 1972, Command, Alexander and Walker participated in a scheme to create an apparent market in and artificially raise the price of the common stock of Blasius Industries, Inc. (BI). The schemes included inserting successively higher bid and asked prices for BI stock in the National Quotation Bureau "pink" sheets, purchasing and inducing purchases of BI stock at artificially raised prices, effecting transactions in BI stock through nominee accounts, and misrepresenting the value of BI stock and BI's financial condition. In addition, violations of the Commission's net capital and recordkeeping rules were found.

The firm, Alexander and Walker, consented to the findings and sanction without admitting or denying the charges. (Rel. 34-10674)

## COMMISSION ANNOUNCEMENTS

---

### SEC TO ESTABLISH CENTRAL MARKET SYSTEM ADVISORY COMMITTEE

The SEC plans to establish a Central Market System Advisory Committee, to be chaired by Mr. Alexander Yearley, IV, following completion of the requirements of the Federal Advisory Committee Act. The Committee will advise the Commission on implementing its proposals for a central market system in such a way as to insure that the system will meet the needs of the United States' capital markets in the decades ahead, consistent with the public interest and the protection of investors. The Committee, which will consist of potential participants in and users of the central market system, will be asked to submit recommendations to the Commission on such matters as how the central market system should be structured to meet capital market needs, how fundamental policy issues relating to central market system operations should be resolved, and the appropriate design and implementation time table for specific central market system elements.

Mr. Yearley, who has accepted the Commission's request to head the Advisory Committee, is Chairman of the Board of the Robinson, Humphrey Company, Inc., a leading regional securities firm headquartered in Atlanta. He has been with Robinson, Humphrey since 1938, prior to which he was with the First Boston Corporation. He served on the Board of the National Association of Securities Dealers from 1957 to 1959, and as Chairman in 1959; was a member of the Board of Governors of the New York Stock Exchange from 1962 to 1965, and has held numerous other securities industry leadership positions.

In announcing the appointment, the Commission noted that "Mr. Yearley's breadth of experience and depth of knowledge of the capital markets will make him an outstanding advisor. Our extensive discussions of possible Committee chairmen indicated that Mr. Yearley's experience, integrity and devotion to public service have made him a universally respected financial industry leader."

## REGULATION A EXEMPTION OF CREATIVE PORTFOLIOS, INC. TEMPORARILY SUSPENDED

An order has been issued temporarily suspending the Regulation A Exemption from registration under the Securities Act of 1933 with respect to a public offering of securities of Creative Portfolios, Inc. (CPI), of Pasadena, California. The "20,000 shares or none" best efforts offering was to be conducted by the company through its officers and directors without the use of an underwriter.

Under a notification filed October 14, 1969, CPI offered 30,000 shares of common stock at \$3 per share with an aggregate offering price of \$90,000. According to the order, the Commission has reason to believe that: (a) the offering circular of CPI contains untrue statements of material facts and omits to state material facts necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, particularly with respect to the failure to disclose the actual plan of distribution and the identity of certain undisclosed underwriters; (b) the terms and conditions of Regulation A have not been met, particularly with respect to the Form 2-A Report which failed to state the actual termination date of the offering, the offering circular failed to accurately state the terms of the offering and the fact that the securities would be placed in certain nominee accounts; and (c) the offering was made in violation of antifraud provisions of the securities laws. (Rel. 33-5470)

## REGULATION A EXEMPTION OF DYNAMIC CAPITALISM, INC. TEMPORARILY SUSPENDED

An order has been issued suspending the Regulation A exemption from registration under the Securities Act of 1933 with respect to a public offering of securities of Dynamic Capitalism, Inc. (DCI), of Torrance, California. The "20,000 shares or none" best efforts offering was to be conducted by the company through its officers and directors without the use of an underwriter.

Under a notification filed December 1, 1969, DCI offered 30,000 shares of common stock at \$3 per share with an aggregate offering price of \$90,000. According to the order, the Commission has reason to believe that: (a) the offering circular of DCI contains untrue statements of material facts and omits to state material facts necessary to make the statements not misleading, particularly with respect to the failure to disclose the actual plan of distribution and the identity of certain undisclosed underwriters; (b) the terms and conditions of Regulation A have not been met, particularly with respect to the Form 2-A Report which failed to state the actual termination date of the offering, the offering circular which failed to accurately state the terms of the offering and the fact that the securities would be placed in certain nominee accounts; and (c) the offering was made in violation of the anti-fraud provisions of the securities laws. (Rel. 33-5471)

## ORDERS FOR PUBLIC PROCEEDINGS

---

### GLOBAL SECURITIES, OTHERS

Public proceedings under the Securities Exchange Act have been ordered against Global Securities, Inc., of Plainfield, New Jersey and Allen Langenauer, president, David Langenauer, vice president, Bernard Oschers and Lee Schneider, both salesmen at Global, for violation of the registration and antifraud provisions of the securities laws. Global, Allen Langenauer and David Langenauer were also charged with violation of the broker-dealer record keeping provisions of the securities laws.

It was also alleged that the respondents had been permanently enjoined from violating the registration and antifraud provisions of the securities laws. The prior injunctions were entered upon the consents of the defendants, who neither admitted nor denied the allegations against them.

A hearing will be scheduled to take evidence on the staff's allegations and to afford any defenses. The hearing is to determine whether the allegations are true; and if so, whether any action of a remedial nature should be ordered by the Commission. (Rel. 34-10684)

Public administrative proceedings under the Securities Exchange Act and the Securities Investor Protection Act have been ordered against Robert E. Wick, Oak Park, Illinois, former principal and owner of Robert E. Wick Company, a broker-dealer, whose registration has been cancelled.

The proceedings are based upon alleged violations of the antifraud provisions of the securities laws and charge, among other things, the conversion of investors' monies to his own and the broker-dealer's use.

A hearing will be scheduled to take evidence on the staff's allegations and to afford any defenses. The hearing is to determine whether the allegations are true; and if so, whether any action of a remedial nature should be ordered by the Commission. (Rel. 34-10683)

SCHREIBER BOSSE & CO., INC., OTHERS.

Administrative proceedings under the Securities Exchange Act and the Securities Investor Protection Act have been ordered against Schreiber Bosse & Co., Inc., Richard H. Schreiber, Thomas D. Bosse, Edward A. Spehar, Walter Manson, Patrick J. Holland, Corporate Management Company, Harold Franklin and Morton Franklin, officers, directors, employees and owners of more than 10% of the voting stock of Schreiber Bosse & Co., Inc. of Cleveland, Ohio, a broker-dealer for which a SIPC trustee was appointed on May 7, 1973. The order is based on allegations of the staff that the respondents violated the net capital, bookkeeping, and supplemental financial reporting requirements provisions of the securities laws and that Edward A. Spehar violated the antifraud provisions. A hearing will be scheduled to take evidence on the staff charges and afford respondents an opportunity to offer any defenses. The purpose of the hearing is to determine whether the allegations are true, and, if so, whether any action of a remedial nature is necessary or appropriate in the public interest under the Securities Investor Protection Act. (Rel. 34-10682)
