

## Community Pet Preparedness Toolkit Now Available

The *Ready* Campaign, FEMA, Citizen Corps, American Red Cross, and The Humane Society of the United States have come together to develop this emergency preparedness toolkit that can assist you in your planning efforts as you work toward keeping your community, and specifically, the pets and people who care for them, safe from disasters.

This toolkit provides you with sample preparedness brochures, PowerPoint templates and press materials as well as resources and templates on:

- ✓ **how to stay current on your local pet disaster plan, policies and procedures;**
- ✓ **how to promote preparedness in your communities;**
- ✓ **how to educate the community about how to assemble a pet emergency supply kit and make a family emergency plan.**
